## MRS. STUART DEAD.

**The Coroner's Jury Says It Was Willful and Malicious - Constables Safe In the Penitentiary.**

Mrs. Stuart who was shot by Constable Crawford at Columbia died of her wound and the verdict that the coroner's jury rendered that she came to her death by "a gunshot wound inflicted by the hand of one W R Crawford, willfully and maliciously, and that J C Darn, J B Cooley and J B Coleman are accessories to the crime.

While the Columbia State avers that Columbia will not indulge in lynching the feeling was that of insecurity for the criminals and they are placed in the penitentiary for safe keeping.

The Columbia State speaks in no soft tones of the dispensary evil as it is conducted in the State and says that it must go in the next legislature.

### Forest Hill Items.

Mr. Buffington, of Columbia, S. C., has arrived and will take charge of the weave room of mill No. 4.

The superintendent of the Buffalo mill has attained the name of Buffalo Bill.

Mr. C T Troy is confined to his room with the grip.

Dr. I A Heathcock returned home yesterday, after spending a few days in the heart of Stanly county.

Mr. Haywood Dennis has the fever. We are glad to know he is some better today.

### We'll Be There.

It now seems almost a certainty that Philadelphia's base ball team will train in Charlotte. Our base ball company has not yet held its organization meeting for the coming season but will ere long, but our company is glorying already, they say, that Charlotte can this year, by some deals, give us some games. Let's get to work, boys, and have a repetition of last year.

### To Give A Concert Soon.

A number of persons ask how the newly organized band is getting along. It is the intention now to give a concert in a few weeks in order that they may judge for themselves what the beginners can do in two or three weeks of practice. The concert will consist not only of band music but of some other combinations by some of our finest talents.

### Beats the Klondike.

Mr. A C Thomas, of Marysville Tex., has found a more valuable discovery than has yet been made in the Klondike. For years he suffered untold agony from consumption, accompanied by hemorrhages, and was absolutely cured by Dr. King's New Discovery for Consumption, Coughs and Colds. He declares that gold is of little value in comparison with this marvelous cure; would have it, even if it cost a hundred dollars a bottle. Asthma, Bronchitis and all throat and lung affections are positively cured by Dr. King's New Discovery for Consumption. Trial bottles free at P B Fetzler's drug store. Regular size 50 cents and \$1.00. Guaranteed to cure or price refunded.

### From Rowan County.

Yost, Feb. 27.—There has been a great deal of sickness around Yost among the children but all are improving.

Mrs. Pleas Troutman, who has been very sick, is now recovering.

There will be an exhibition at the Sloop school-house near Yost next Saturday, March 4th, this being the closing of the school. The Faith band will furnish the music. Everybody is cordially invited.

Our roads throughout the country are worse now than they have been for several years.

The recent cold weather has even frozen a great many sweet and Irish potatoes in this vicinity.

### A Change in the Telephone Service.

Mr. Lester Coltrane, manager of the Concord Telephone Co. informs us that after the 3rd day of March his company will have charge of the telephone line between here and Albemarle by way of Mt. Pleasant. At present there is only one phone at Mt. Pleasant but it is probable that some more will be put in soon.

### The First to Come Home.

The latest is that Adjutant Gen. Corbin has promised Senator Pritchard that the First North Carolina should be mustered out very soon.

### Moving Southward.

Another significant indication of the movement of the cotton manufacturing industry southward is the announcement that the Merrimac Manufacturing Company, of Lowell, Mass., has signed a contract for the erection at Huntsville, Ala., of a cotton mill with twenty-five thousand spindles, and which will give employment to about five thousand hands. The mill will be an improved duplicate of the one now operated at Lowell. Heretofore it has been claimed in New England that the products of the Southern cotton mills would be confined to the coarser quality of goods, but it is announced that the new mill at Huntsville will manufacture prints, cloths, ginghams, satens, velveteens and fine dress goods. It is worth noting that while but few, if any, new cotton mills are projected in New England, new cotton mills are rapidly multiplying in the South, particularly in North and South Carolina, Georgia and Alabama. The indications are that in a few years the South will take the lead in the manufacture of cotton goods.—Baltimore Sun.

### There's a Good Time Coming.

We understand that the election law as agreed upon in Democratic caucus, puts our State election in August. We like that. It is a leisure time, days are long, water melons, peaches and spring chickens are ripe, and candidates can hold the calves while milking is done without freezing.—Burlington News.

### TALK IN CHEERILY.

"Talk happiness. The world is sad enough  
Without your woes. No path is wholly rough;  
Look for the places that are smooth and clear,  
And speak of those, to rest the weary ear  
Of earth, so hurt by one continuous strain  
Of human discontent, and grief, and pain.

"Talk faith. The world is better off without  
Your uttered ignorance and morbid doubt.  
If you have faith in God, or man, or self,  
Say so; if not, push back upon the shelf  
Of silence all your thoughts, till faith shall come;  
No one will grieve because your lips are dumb.

"Talk health. The dreary, never-changing tale  
Of fatal maladies is worn and stale.  
You cannot charm, nor interest, nor please,  
By harping on that minor chord, disease.  
Say you are well, or, all is well with you,  
And God shall hear your words, and make them true."  
—Margaret Bottome.

### Two Valid Excuses.

Last week, late in the afternoon, a case was called by Judge Sutherland in the county court.

"I would like to ask, Your Honor, that this case go over until tomorrow," said one of the attorneys.

"On what ground?" said the Judge. "Too tired?"

"Yes, Your Honor, I have been arguing a case all day in Part II, and I am really too fatigued to go on with this trial."

"Very well. Let the case go over. Call the next case."

The next case was called and another attorney arose:

"May it please Your Honor, I would like to ask that this case go over.

"For what reason?"

"I am too tired."

"You, too? What makes you tired?"

"I have been listening all day to my learned friend in Part II."—  
Uochester Herald.

### NO CURE, NO PAY.

That is the way all druggists sell Grove's Tasteless Chill Tonic for chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults refer to it as bitter, nauseating Tonics. Price, 50c.

For frost bites, burns, indolent sores, eczema, skin disease, and especially Piles, DeWitt's Witch Hazel Salve stands first and best. Look out for dishonest people who try to imitate and counterfeit it. It's their endorsement of a good article. Worthless goods are not imitated. Get DeWitt's Witch Hazel Salve.—J P Gibson.
