SYMPTOMS OF HYDROPHOBIA

The Daughter of Dr. Whitley and the Son of Mr. Pressly Lowder Bitten By a Dog - Fears That the Dog Was Mad - Will Very Probably Take the Pasteur Treatment.

Dr. D P Whitley and Mr. Pressly Lowder, both of near Millingport, in Stanly county, were here Sunday afternoon on their way to Richmond, and probably Baltimore.

On last Friday afternoon a dog from the neighborhood there came to the homes of these two men and bit two of their children. Dr. Whitley's ten-year-old daughter was bitten on two of her fingers while Mr. Lowder's six-year-old son was bitten in the face, a wound being inflicted in the upper lip.

On Saturday afternoon the persons about there succeeded in killing the dog. Its actions were very strange, Dr. Whitley informs us, so much so that they could not help but fear that the animal had rabies.

Dr. Whitley and Mr. Lowder, together with their children, went to Richmond Sunday night. At that place an analysis will be taken of the case and if it is thought expedient they will then go to Baltimore where the Pasteur treatment will be taken.

In order to aid in ascertaining the facts of the case, Dr. Whitley took the body of the dog along with him.

Take Shelter in the Opera House.

There will be "A Breezy Time" in Concord on April 8th and all the wise people will do well to take shelter in the Opera House on the date the breeze is announced.

Wherever this company has appeared this season the press and public have been unanimous in pronouncing their performance the very best ever seen.

"A Breezy Time" is in three acts, the plot of which is so light that it is hardly worth mentioning, although each act has been happily impregnated with everything that is new and up-to-date, including music, songs, dances and clever specialties, all of which are introduced in an easy and perfectly legitimate manner.

The caste of "A Breezy Time" Company consists of the pick of some of the foremost artists now appearing on the farce comedy stage, who have the ability to depict in a fine and artistic manner the finely drawn characters in this, the funniest of all comedies.

Let Preparations Be Made.

Several different times has the fact been mentioned to us that it is time we are taking some steps towards welcoming our soldiers when they return home, which time will soon come. A number of places are preparing for a big day and a grand crowd. It will not only fill the hearts of the soldiers with joy to see the people waiting eagerly for their arrival, but it will be a happy day for our people to again see their boys after being gone a year.

Let arrangements be made for a joyous day and one that will be remembered by our people as the time when Cabarrus' and Rowan's soldier boys returned home from Cuba.

THE BEST PRESCRIPTION FOR CHILLS

A Lowering of Our Record.

Not in two years, we are reliable informed, has Concord had so many trials at the mayor's office on Monday morning as there was this week. All of the cases, too, were the result of whiskey, very probably. Cases of fighting, using profane language, drunk and disorderly, were brought up and dealt with by the mayor. Eighteen dollars were paid into the town treasury by the lawbreakers.

Virgil Williams, a negro was tried for vagrancy, too. He was found guilty and sentenced to the chain gang for thirty days and the costs of the case.

The aggravated case on trial was the case against Dick Caldwell, a negro, who became very rowdy Sunday afternoon while intoxicated. Mayor Crowell fined him fourteen dollars.

Not being able to pay his fine and the costs for his Sunday afternoon's depredations, he was sent to the chain gang to work it out. Dick is known to the white people of the town, having for some time been a porter on the omnibus of Messrs. Brown Bros.

From Forest Hill.

Mr. Charles Cook, of Bessemer, and brother, Fred Cook, of Chapel Hill, spent Sunday with Mr. H M Barrow.

Misses Daisy and Lillie Moore and Miss Fanny Brewer, of Sunderland Hall, spent yesterday and today with home folks.

The regular numbers of picnics have gone to the groves to spend and enjoy the opening of summer.

Mrs. Barrow gave an egg hunt to her Juvenile Society Saturday evening. They enjoyed themselves only as young people like these can.

The Street to Be Opened.

The street commonly known as Sloop's lane, leading from Main to Church streets, in the northern part of town, has been condemned. Mr. Jno. P Allison has been appointed by the town to assess the damage which will be done to the property by the street being made wider and a pavement built.

The War Not Over.

It seems from a dispatch by Gen. Otis that he has not quit fighting but is only giving the soldiers some needed rest, when the campaign will probably proceed. The administration does not hamper him with orders but makes him sole judge of expedients there.

Used Brass Knucks.

Last Saturday night Will Brown, colored, dealt a blow on Luke Boger, a negro, cutting the skin open on his upper lip. Luke says that his assailant did it with a pair of brass knucks. Will Brown has not come up for trial yet.

A House Entered at Cannonville.

On Sunday night while Mr. and Mrs. Hardy, who live on Valley street at Cannonville, had gone to church some person entered their house, taking a quantity of victuals and also ransacked the house looking for money. Most fortunately Mr. Hardy had several hundred dollars in money, and had started to church without taking it, but he was reminded by his wife before leaving and hence took the money with him. Policeman Harris was called to the house that night after they returned home, but no one was found about the premises.

Death By Hypnotism.

A dispatch of the 27th says a young man at Canadagua, N. Y., who had learned something of hypnotism put a half witted boy under the spell and after having him do many tricks attempted to relieve him and instead the boy fell into a stupor from which he could not be aroused and died. A great sensation has been created and the authorities will not allow hypnotists to exhibit any more. As for the young man who did the deed, he is almost frantic with grief.

Ministerial Association Organized.

A goodly number of the ministers of the city met in the parsonage of Central M. E. church this (Monday) morning and organized a Ministerial Association by electing Rev. J D Arnold for president and Rev. J N Faust as secretary. The association will meet at 9 o'clock a. m. on Monday morning after the first and third Sundays of every month.

A Beautiful Service.

Standing room was not sufficient to hold the crowd at the Episcopal church Sunday afternoon during the services. This was the time of holding the Easter choral exercises, which were interesting, impressive and devotional. Twenty persons in sacerdotal robes marched in front of the rector to the restroom, where the exercises, consisting of prayers, hymns, chants, and a short discourse, were held.

Mrs. Quantz Receives Damages.

At the meeting of the commissioners of the town last Friday night, it was decided that \$150 be allowed Mrs. Lena Quantz, on South Main street on account of the damage done her property by the cutting down of the streets. Mrs. Quantz lives with her son-in-law, Mr. M L Blackwelder.

THE BEST IN THE WORLD.

We believe Chamberlain's Cough Remedy is the best in the world. A few weeks ago we suffered with a severe cold and a troublesome cough, and having read their advertisements in our own and other papers we purchased a bottle to see if it would effect us. It cured us before the bottle was more than half used. It is the best medicine out for colds and coughs. -The Herald, Andersonville, Ind. For sale by M. L. Marsh & Co., Druggist.
