A COTTON SEED OIL MILL.

Stock Being Subscribed for a Plant at This Place—The Officers Selected a Site Not Definitely Decided Upon—A Ginnery and Fertilizer Works to Be Built Additionally.

Though the movement is yet in its infancy, still stock is being subscribed for a cotton seed oil plant for Concord, together with an up-to-date ginnery and fertilizer works.

The subscription for stock is being handled. The amount of stock for the beginning is to be not less than \$40,000, and if the corporation is made it will be liable to increase the amount of stock at any time.

It is the intention that, so soon as the corporation is formed, that Mr. W R Odell will be the president and Mr. M L Buchanan the secretary and treasurer. Mr. Sandy Smith will be the manager, and five directors will be elected, all of these officers though will serve but one year unless re-elected at the first annual meeting.

As to the site of the plant, nothing has been fully decided. It is probable that it will be erected at some place between the Odell and Cannon mills in order to have the advantages of a sidetrack.

As previously stated the fertilizer works and ginnery will be additional, and in additional buildings but will be under the same corporation. The ginnery, it built, will be of the latest pattern requiring only fifteen or twenty minutes to gin a bale.

Summoned to Washington as Witnesses.

Mr. W A Joyner, Esq. C A Pitts and Dr. Robt. S Young were last week summoned to appear in Washington City as witnesses in the trial of a negro, Jno. Reid, who stands charged with the murder of a woman at that place, which affair happened several months ago. The negro is from this place and lived a short distance beyond the depot. A plea of insanity will be made by Ried's attorneys and these persons were summoned there for trial on that account. It is a fact that there is insanity in the family, his sister and aunt having been taken to the asylum. The three witnesses summoned left Sunday night.

Ho for Charleston

Dr. Barker has learned from the railroad company that veterans and others who wish to attend the reunion at Charleston, S. C., should leave here on the new train No. 33.

As the reunion is on the 10th of May, those who go from Salisbury should leave here on this train at 6.30 on the morning of the 9th. This will put them into Columbia at half past 1 o'clock in the afternoon. They will leave that place at 3.15, arriving at Charleston at 8.17 on the same day.

It is thought that as many as seventy-five will go from Salisbury.

The rate from Salisbury and return is very low, \$5.65.—Salisbury Sun of 8th.

By telephonic communications with Mr. Barker we learn that he will go ahead of the time and will provide for lodgings for our division and will meet us as we arrive. He especially requests that every surviving member of the 8th N. C. Regiment, that saw so much of the service at Charleston be there.

The veterans will be asked to be in the procession at Charleston on the 10th to participate in the memorial services. Mr. Barker asks us to say too, that inasmuch as there may be a good deal of crowding that he will probably be able to secure cars placed here for our accomodation if apprised a few days before of how much car room will be needed. We hope veterans and citizens that propose to avail themselves of this opportunity will be sure to make up their minds a little beforehand and we will probably be provided for to advantage.

We have received the 56 badges that we ordered and every one is sold and paid for. The price is 20 cents each up to 50, from 50 to 100 they are 18 cents. When we ordered the badges we had only 48 orders. We advanced the amount necessary to get 56 which cost \$10.08. The express charges were 45 cents making \$10.53. We have collected \$11.20, being 20 cents apiece, leaving 67 cents profits which we will not try to return but will meet some necessary expenses with it. We tried to secure the badges to each at 18 cents but do not find it practical.

We will try to secure as many more as are wanted if the money and orders are left with us.

Some Questions Answered.

We give below some statements as we get them from the proper officials that answer questions that thoughtful citizens are apt to ask:

The town taxes \$1,287,835 of property and 848 polls. The taxes due the town this year are \$13,882.44, apportioned as follows:

Interest fund	\$1,543 10
School	3,087.01
General	9,253.74

License tax funds, fines, etc., are indefinite and we cannot give them.

The town has a bonded debt of \$25,000 and outstanding script amounting to probably \$12,000. Of this there seems to be no complete record. The population of Concord is 7,200.

Mr. Jacob Correll Dies Suddenly

On last Friday night about 1 o'clock Mr. Jacob Correll, who lives four miles on this side of China Grove died. His wife was awakened by his falling from the bed. She ran to him quickly but he drew only a few breaths and was dead. Mr. Correll had in the past suffered with heart disease. He was during the war one of the drummers and always took an active part in the reunions here. He was a good man and one of the best of citizens. He had reached the age of 71 years. He leaves behind a wife and several children.

The funeral was preached at Zion Reformed church near China Grove on Sunday afternoon. Having been a member of the Masonic order, the funeral ceremony of the lodge was held by the members, together with members from visiting lodges.

REMARKABLE CURE OF THE RHEUMATISM.

Kenna, Jackson county, W. Va.—About three years ago my wife had an attack of rheumatism which confined her to her bed for over a month and rendered her unable to walk a step without assistance, her limbs being swollen to double their normal size. Mr. S Maddox insisted on my using Chamberlain's Pain Balm. I purchased a fifty cent bottle and used it according to the directions and the next morning she walked to breakfast without assistance in any manner, and she has not had a similar attack since.—A. We Must Wash

We may live without music, poetry and art,
We may live without conscience, may live without heart,
We may live without lovers; live without hope,
But civilized women cannot live without soap.

We may live without books, what is knowledge but sorrow.
We may live without beauty, it fades on the morrow.
We may live without law suits; indictments are quashing.
But where is the one who can live without washing.
