CONCORD, N. C., APRIL 11, 1899.

WE ARE ORGANIZED; ACT.

No little uncertainty existed as to whose prerogative it is to determine what shall be our method this year for obtaining the popular wish in selecting our town officials. Some even contended that we have no town organization in the Democratic party. Such we find are mistaken. By reference to the files of The Standard we find that the Democratic municipal convention was held in the court house on the night of April the 22nd, 1897.

After the nominations were made the following were elected as members of the township executive committee, viz.:

- Ward 1, Dr. S L Montgomery.
 - Ward 2, F L Robins.
 - Ward 3 P A Correll.
 - Ward 4, J F Goodman.
- Mr. J C Fink was elected a member of the committee at large.

It will be seen that Dr Montgomery, Messrs. P A Correll and Jas. C Fink are the members present.

We hope these gentlemen will get together and organize by electing one of their number as chairman, Chairman Robins having removed from us.

So far as we have been able to obtain the popular sentiment it is in favor of a primary vote, but we only offer this as the result of our inquiry, and not to forestall the action of that committee.

We would further suggest that it is obligatory on these gentlemen to provide for choosing their successors in office. Otherwise they will have to hold over or consider the Democratic municipal organization as gone to pieces. Let us not entertain this thought, but gather every lesson of wise caution that the school of experience has taught us and go forward.

While the aldermen are nominated and elected by the several wards, the school commissioners, under the amended charter, will be elected by the whole town vote as for mayor.

We hope nothing will deter our executive committee from due consideration and adequate action in this matter.

The words of our late ven-

erable statesman, Hon. D M Barringer, ring as an oracle in our ears as he said here, soon after the war, "Good citizens make a great mistake when they fail to take interest in politics. Bad men are ever ready to take advantage of such conditions."

WELCOME PRESBYTERS!

We are glad to greet the Presbytery in our city and trust that the members and visitors that it brings will find the hospitality and pleasantness of the situation in our growing town more even than the reputation that has gone out from among us. We assure that great body of Christian workers that while they are laboring to hasten the coming of the Kingdom of Grace, there will be yeilding in the homes to hold up their hands by meeting every want that comfort demands.

In your moments of recreation our people in their several places of business will be glad to welcome you to a view of business life in Concord.

If our groves have not yet donned their spring attire and the flowers are yet shy of a record breaking winter and spring; if the sunshine is yet chilled by the heavy frosts and the serial songsters are not yet straining their little throats with exuberant greeting of balmy spring days, within the homes of our people you will find tidy equipment awaiting you, warmth of air and soul above a genial climate, cordial smiles that are more than floral tributes and melodies with intelligence speaking as soul to soul that we trust will make it more than spring time.

A hearty welcome to the Presbyters.

The Lutheran Synod Postponed.
The North Carolins Lutheran Synod meets in Salisbury this year. The date announced for the convening of the Synod was the 4th of May, but the date has been changed to June 1st on account of St. John's Lutheran church, where the sessions of the Synod are to be held, not being ready by the first named date. Remodeling of the church, which is now in progress, will not be completed in time for Synod to meet at the regular time—Salisbury Sun.
