FOR RENT—Six-room house on Spring street, after May 1st. Call on N. F. Yorke.

Dr. Wharey and wife, of Mooresville, are the guests of Mr. P B Fetzler during the meeting of the Presbytery.

Mr. Thos. Johnson and wife, of Salisbury, are attending the Presbytery here. They are stopping with Mrs. Johnson's sister, Mrs. Ed. Hall.

"The flowers that bloom in spring" are beautiful and the poets who abound in spring deserve to be slaughtered with the "deadly weapon" wielded by Samson against the Phillistines, but the Tonic that should be used in the spring demands our careful consideration. Hall's Sarsaparilla heads the list and is the "best of all"—purifies the blood, renovates and builds up the system to a condition of strong, robust health. "The life of the flesh is the blood." To combat the enervating influence of the summer's heat, ward off fevers, counteract the deadly influence of malaria Hall's Sarsaparilla is the remedy "par excellence." For sale at Fetzler's drug store.

FOR RENT—A six-room house on South Main Street.
J. F. HURLEY.

See change in Bell, Harris & Co.'s ad today. They want the Presbytery to do them good.

A good spring diet is turnip salad hog-jowl and cracklin bread, but the best spring medicine is Hall's Sarsaparilla, that's the medicine that makes good rich red blood! Try it. For sale at Fetzler's drug store.

Agent Dusenbury has received directions, we learn, to sell tickets to Charleston and return for \$4.80 for the reunion on the 10th of May.

Worth its weight in gold! Look in the show-window at Fetzler's drug store and you will see this illustrated. The rich nugget from one of our Cabarrus mines is surely tempting, but it is there to illustrate the fact that Hall's Sarsaparilla is worth its weight in gold.

Note change in Craven Bros.' ad. They tell you of a whole car load of Buck Ranges for this community. By the way, little girls, look out for another junior range for you soon.

WANTED—To buy 100,000 pounds of old cast-iron scrap, delivered at the foundry at once, for which we will pay a fair price. No burnt iron wanted.
ALERT. CONCORD FOUNDRY CO.

Mr. R C Lentz, of Mooresville, father of Prof. Jay Lentz, who teaches in the Concord High School, is among the number of delegates attending the Presbytery.

Spring flowers—spring Salad—and sometimes even spring poets are good in their way, but a spring tonic is necessary for good health, and Hall's Sarsaparilla is the "best of all" spring medicines, it makes good rich red blood which gives the ruddy glow of health and beauty to the maiden's cheeks, the elastic spring and strong arm to the manly form, and makes life a joy to the end. Try it! For sale at Fetzler's drug store.

They Dissolve Co-Partnership.
