IF WE DIDN'T.

Some sage persons have discovered
And have told in verses neat,
What a lot of cash 'twould save us
If we didn't have to eat.
Let me add unto this wisdom,
Though the thought may make
You creep,
We could hoard up gold in bed-
clothes
If we didn't have to sleep.
Furthermore, 'tis borne upon me,
With a force I cannot balk,
That we'd save a lot on leather
If we didn't have to walk.
So of all the bills that vex us,
Just the biggest one, I guess,
Would be spared for safe invest-
ment
If we didn't have to dress.
Come to think the whole thing over,
Free concurrences you will give
That vast wealth would line our
pockets
If we didn't have to live.

EWART'S THIRD APPOINTMENT.

Despite the efforts of Senator Butler and even Governor Russell Mr. H G Ewart gets the reappointment to the judgeship of the western district for the third time. The battle will probably be fought over in the next Senate. From the best we gather it is an instance where a better man for the place might easily be found that would step aside rather than consume so much of public time and means. It would have been infinitely better for our gaily Senator to have opposed the judge with fair presentations of valid objections and then to have confided the case to the discrimination of the United States' Senators instead of his foolhardy purpose to circumvent their action. That incorrigible, too, will never learn, of course, that Senator Pritchard's suave methods clothe him with power to effect what he wants though the incentives be not the best.

THE BEST IN THE WORLD.

We believe Chamberlain's Cough Remedy is the best in the world. A few weeks ago we suffered with a severe cold and a troublesome cough, and having read their advertisements in our own and other papers we purchased a bottle to see if it would effect us. It cured us before the bottle was more than half used. It is the best medicine out for colds and coughs.—The Herald, Andersonville, Ind. For sale by M. L. Marsh & Co., Druggist.

NO CURE. NO PAY.

That is the way all druggists sell Grove's Tasteless Chill Tonic for chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults refer to it as "bitter, nauseating Tonic." Price, 50c.

RESOLUTIONS FRAMED.

The Presbytery To Petition That Congressman-Elect Roberts Be Expelled From Congress—A Duty Incumbent Upon Each Member.

Rev. J Rumpie, D. D., Rev W R McLelland and Rev. J M Wharey, D. D., the committee to frame resolutions on Mormonism, reported on Thursday afternoon the following resolutions, which will be read in all the churches:

"The committee appointed to consider and report on certain papers referred to them upon the subject of Mormonism, respectfully report that quite a number of subjects are embraced in these papers, especially,

"First, That Mormonism teaches that polygamy or celestial marriage is a doctrine of their society and that it is the duty of good Mormons to 'live their religion,' (that is, practice plural marriage); that such marriages have been contracted since the admission of Utah into the Union, contrary to their covenant as a condition of their statehood, and especially Congressman-elect B H Roberts is an avowed, practical polygamist, and that he was elected for the purpose of testing the constitutionality of the United States laws on the subject,

"Second, It is further stated that the Mormon Church has now about 2,000 missionaries in many States of the Union endeavoring to make converts to their soul-destroying system.

"These papers make a request that petitions be prepared and presented to our respective Congressmen, asking them to co-operate in expelling the Mormon polygamist from the United States Congress and to take the necessary steps for the disfranchisement of all polygamists in respect to all matters concerning the Federal government.

"These matters, your committee think, are of very grave importance and deserve our serious and careful attention. Your committee are aware that Synods and councils are to handle or conclude nothing but that which is ecclesiastical, and are not to intermeddle with civil affairs, which concern the Commonwealth, unless by way of humble petition in cases extraordinary; at the same time it is the duty of Presbyteries to condemn erroneous opinions, which injure the purity or peace of the Church, and to ordain whatever pertains to the spiritual welfare of the churches under their care. In view of these facts:

"First, The Presbytery would solemnly enjoin upon its ministers to instruct the people concerning the dangerous attitude of the Mormon combination against the sacred rights of the family, and especially against the God-given rights of woman.

"Second, We would respectfully urge all of our people to inform themselves and their families concerning the object of these so-called elders, who creep into houses, diffuse error, and pervert the minds of our people from the truth of the Gospel.

"Third, That our citizens be urged to remember that it is not only their privilege, but their solemn duty, by their votes, and by advice and petition, to guard the liberty of our people against the encroachment of evil-disposed persons and combinations who would sap the very foundations of morality and destroy the purity of the family.

"Fourth, That the emergency before us now is one of those extraordinary civil affairs, which not only justify the interference of our religious people, but imperatively demand that they should express their wishes to their representatives in the next Congress of the United States.

"Fifth, That we recommend that our people prayerfully consider the dangers that threaten the very founda-

tions of society, and that they circulate petitions and secure signatures thereto against Mormon aggressiveness, in order that our Representatives in Congress may be constrained to take such action as will be effective in guarding the rights of the family and in fostering and protecting public morality."

ABOUT THE REUNION.

Much Important Business to Be Attended to—All are Urged to Be There—Gen. Wheeler Speaks on the 10th.

Adjutant General Moorman by authority of General Gordon announces that the coming Reunion at Charleston will be held on Wednesday, Thursday, Friday and Saturday, the 10th, 11th, 12th and 13th of May, and urges all ex-Confederate soldiers and sailors everywhere to organize themselves into local associations, get charters, and participate in this great occasion.

He says: "Business of the greatest importance will demand careful consideration during the Ninth Annual Reunion—such as the best methods of securing impartial history, and to enlist each State in the compilation and preservation of the history of her citizen soldiery; the benevolent care through State aid or otherwise of disabled, destitute, or aged veterans and the widows and orphans of our brothers-in-arms; the care of the graves of our known and unknown dead buried at Gettysburg, Fort Warren, Camps Morton, Chase, Douglas, Oakland Cemetery at Chicago, Johnson's Island, Cairo and at all other points; to see that they are annually decorated, the headstones preserved and protected, and complete lists of names of our dead heroes with the location of their last resting places furnished to their friends and relatives through the medium of our camps, thus rescuing their names from oblivion and handing them down in history; the consideration of the different movements, plans and means to complete the Monument to the memory of Jefferson Davis, President of the Confederate States of America, and to aid in building monuments to other great leaders, soldiers and sailors of the South; and as there is no relief or aid for our veterans and their families, outside of ourselves and our own resources, to perfect a plan for a mutual aid and benevolent association; to make such changes in the constitution and by-laws as experience may suggest, and other matters of general interest."

Gen. Jos. Wheeler has consented to deliver the Oration, at the opening exercises on May 10th.

Total number of camps now admitted 1,200 with applications in for nearly one hundred and fifty more.

BONDS DECIDED VALID.

Wilkes County Must Pay, Says Purnell's Another Gauntlet to Run.

The Wilkes county bond case was decided in Judge Purnell's court at Greentboro Thursday in favor of the validity of the bonds. It will next be fought in the court of appeals at Richmond in May when the decision will be final.

Hon. Kerr Craig is made receiver of interest fund till final decision is rendered.
