## Karl Johnson Hurt.

The worst part of the baseball game Friday afternoon was the accident which befell Karl Johnson. While taking his turn at the bat the ball accidentally hit him near the back of the head, almost knocking him down. It was a hard blow and the lady pitcher instantaneously realized that Karl was hurt. He became very sick for a while, but rallied and returned to the grounds. He seemed as sane as any one then, but that night he became unconscious and a physician was called. During the latter part of the night he rested better.

### Our Growing Needs.

Uncle Joshua—"We've got ter have some more cooling station."

Uncle Jedediah—"What do we need 'em fer?"

Uncle Joshua—"Why to accommodate our navy. We're goin' ter have a bigger navy, ye know."

Uncle Jedediah—"A bigger navy? We don't need that either."

Uncle Joshua—"We don't, eh? How'd we defend our new cooling stations, then?"—Judge.

### A Clever Trick.

It certainly looks like it, but there is really no trick about it. Anybody can try it who has Lame Back and Weak Kidneys, Malaria or nervous troubles. We mean he can cure himself right away by taking Electric Bitters. This medicine tones up the whole system, acts as a stimulant to Liver and Kidneys, is a blood purifier and nerve tonic. It cures constipation, headache, fainting spells, sleeplessness and melancholy. It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c a bottle at P. B. Fetzler's drug store.

This ought to be a pretty well pickled country if it be true, as stated, that the American people consume 4,000,000 bottles of pickles every week.—Morning Star.

We give no regards, an offer of this kind is the meanest of deceptions. Our plan is to give every one a chance to try the merit of Ely's Cream Balm—the original Balm for the cure of Catarrh, Hay Fever and Cold in the Head, by mailing for 10 cents a trial size to test its curative powers. We mail the 50-cent size also and the druggist keeps it. Test it and you are sure to continue the treatment. Relief is immediate and a cure follows. Ely Brothers, 56 Warren street, New York.

There is one negro on the jury that is to try Senator Quay, of Pennsylvania, and his son. This is probably to give color to the proceedings.—Morning Star.

## THE BEST PRESCRIPTION FOR CHILLS

and fever is a bottle of Groves' Tasteless Chill Tonic. Never fails to cure; Then why experiment with worthless imitations? Price 50 cents. Your money back if it fails to cure.

Judging from the rate the applications are now pouring in, Commissioner of Pensions Evans expresses the opinion that one-third of the army of 1898 will expect to be on the pension rolls before the end of the war.—Ex.

## REMARKABLE CURE OF THE RHEUMATISM.

Kenna, Jackson county, W. Va.—About three years ago my wife had an attack of rheumatism which confined her to her bed for over a month and rendered her unable to walk a step without assistance, her limbs being swollen to double their normal size. Mr. S. Maddox insisted on my using Chamberlain's Pain Balm. I purchased a fifty cent bottle and used it according to the directions and the next morning she walked to breakfast without assistance in any manner, and she has not had a similar attack since.—A. B. Parsons, For sale by M. L. Marsh & Co., Druggist.
