The choral exercises, which were held in the Episcopal church on Sunday afternoon of Easter, were repeated yesterday afternoon at the church.

Spring flowers—spring Salad—and sometimes even spring poets are good in their way, but a *spring tonic* is necessary for good health, and Hall's Sarsaparilla is the "best of all" spring medicines, it makes good rich red blood which gives the ruddy glow of health and beauty to the maiden's cheeks, the elastic spring and strong arm to the manly form, and makes life a joy to the end. Try it! For sale at Fetzer's drug store.

The commencement exercises of Elizabeth college will begin on Sunday, May 30th, and end on the following Tuesday night with the annual concert and reception.

"The flowers that bloom in spring" are beautiful and the poets who abound in spring deserve to be slaughtered with the "deadly weapon" wielded by Samson against the Phillistines, but the Tonic that should be used in the spring demands our careful consideration. Hall's Sarsaparilla heads the list and is the "best of all"—purifies the blood, renovates and builds up the system to a condition of strong, robust health. "The life of the flesh is the blood." To combat the enervating influence of the summer's heat, ward off fevers, counteract the deadly influence of malaria Hall's Sarsaparilla is the remedy "par excellence." For sale at Fetzer's drug store.

A good spring diet is turnip salad hog-jowl and cracklin bread, but the best spring medicine is Hall's Sarsaparilla, that's the medicine that makes good rich red blood! Try it. For sale at Fetzer's drug store.

Trinity's baseball team is winning victories for itself this season. On Friday at Macon, Ga., it gained a score of 7 to 4, and on Saturday at Augusta it made a score of 11 to 8.

Worth its weight in gold! Look in the show-window at Fetzer's drug store and you will see this illustrated. The rich nugget from one of our Cabarrus mines is surely tempting, but it is there to illustrate the fact that Hall's Sarsaparilla is worth its weight in gold.

Asthma, Bronchitis and all throat and lung affections are positively cured by Dr. King's New Discovery for Consumption. Trial bottles free at P B Fetzer's drug store. Regular size 50 cents and \$1.00. Guaranteed to cure or price refunded.

We believe Chamberlain's Cough Remedy is the best in the world. A few weeks ago we suffered with a severe cold and a troublesome cough, and having read their advertisements in our own and other papers we purchased a bottle to see if it would effect us. It cured us before the bottle was more than half used. It is the best medicine out for colds and coughs.—The Herald, Andersonville, Ind. For sale by M. L. Marsh & Co., Druggist.
