AN UNFORTUNATE SENSATION.

There are few people who have not been carried away in the floods of criticism of the government or of somebody with reference to embalmed or chemically prepared beef for our troops in the recent war.

At the outset there seemed to be such a feeling of sympathy for the suffering Cubans and such a degree of national honor and pride that could not brook the blowing up of one of our finest war vessels and the slaying of more than 260 of our military marines that no one for a time seemed to be thinking of such thing as jobbery whereby the health or the lives of our soldiers should be sacrificed to greed of gain.

It was no little humiliation to our nation to have the news sown broadcast that a great job had been put up on the government by beef packers, regardless of consequences to the health of our soldiers.

It was announced that the first investigating committee was created to vindicate the Commissary General and much better things were expected from a second committee to hear the charges of Gen. Miles.

A Washington dispatch of the 29th says:

"The report of the court of inquiry, consisting of about 20,000 words, was signed today and forwarded to the President. The verdict is that the allegations which General Miles made before the war investigating committee are not sustained with reference to the refrigerated beef, although his contention that the canned roast beef was not a suitable continuous ration is admitted. There is direct criticism of General Miles for failing to promptly bring the attention of the War Department to reports made to him concerning bad beef and several 'individuals' are censured for failing to observe the proprieties of their positions as commanding officers in this and other respects.

"The court finds the charges of 'embalming' the fresh beef to have been unsubstantiated by the testimony, and says that no chemicals were used to preserve it. It also

finds that it would have been impracticable to secure beef on the hoof for the Cuban campaign. The finding is likewise in opposition to the assertion on the part of General Miles that the use of the beef was an experiment."

It now appears that it is about time to conclude that there were others who acted in good faith beside the critics. While criticism, too, is right, necessary and profitable at the right time, that which goes beyond the line of justice is cause for abject shame and remorse in those who make them and set a whole community or nation astir over an imaginary wrong.

Yellow Jaundice Cured.

Suffering humanity should be supplied with every means possible for its relief. It is with pleasure we publish the following: "This is to certify that I was a terrible sufferer from Yellow Jaundice for over six months, and was treated by some of the best physicians in our city and to no avail. Dr. Bell, our druggist, recommended Electric Bitters; and after taking two bottles I was entirely cured. I now take great pleasure in recommending them to any person suffering from this terrible malady. I am gratefully yours, M. A. Hogarty, Lexington, Ky." Sold by P B Fetzer's Drug store.

Southern Railway to Charleston.

The Southern Railway, by the purchase of the South Carolina railroad, has now a complete line to Charleston. No great surprise would follow the announcement that a boat line is to be established with the West Indies. For the best commercial facilities with Cuba, however, it would seem to fall short.

The consummation of the most advanced scheme would be a railroad running the entire length of the island and a flat on which to receive the car load of fruits and vegetables and float them across to an extreme Southern port, from which they could be quickly landed in the Northern markets.

Free Pills

Send your address to H. E. Bucklen & Co., Chicago, and get a free sample box of Dr. King's New Life Pills. A trial will convince you of their merits. These pills are easy in action and are particularly effective in the cure of Constipation and Sick Headache. For malaria and Liver troubles they have been proved invaluable. They are guaranteed to be perfectly free from every deleterious substance and to be purely vegetable. They do not weaken by their action, but by giving tone to the stomach and bowels greatly invigorate the system. Regular size 25c. per box. Sold by P B Fetzer.

Time to Save: Husband—"There, the house is furnished at last, and now we can begin to save money."

Wife—"Yes, we must save all we can, for the furniture we got first will soon be out of fashion."—Ex.

If troubled with rheumatism, give Chamberlain's Pain-Balm a trial. It will not cost you a cent if it does no good. One application will relieve the pain. It also cures sprains and bruises in one-third the time required by any other treatment. Cuts, burns, frostbites, quinsy, pains in the side and chest, glandular and other swellings are quickly cured by applying it. Every bottle warranted. Price, 25 and 50 cts.—M L Marsh & Co.

Cheerful Worker's Work.

The juvenile home mission workers of the Baptist church held a most successful meeting Sunday night, we learn. It consisted of recitations and songs of a missionary nature. The contributions amounted to nine dollars. A special feature of the occasion, we learn, was a remarkably good address by Mr. L D Duval

A BAD RIOT.

Union Miners Destroy Large Property and Turn Laborers Out of Work.

The worst labor riot that has occurred in a long while took place at Wardner, Idaho, on Saturday, where a mob of 800 to 1,000 union miners from Canyon Creek, 20 miles from there, proceeded to the non-union ore mills at Wardner and blew up with giant powder, property worth \$250,000 to \$300,000, and threw out of employment some 1,200 men, some of them union men themselves. From misunderstanding between the main body and their pickets sent ahead, about 1,000 shots were fired and one of their number was killed and others were injured.

Announcement.

To accommodate those who are partial to the use of atomizers in applying liquids into the nasal passages for catarrhal troubles, the proprietors prepare Cream Balm in liquid form, which will be known as Ely's liquid Cream Balm. Price including the spraying tube is 75 cents. Druggists or by mail. The liquid form embodies the medicinal properties of the solid preparation. Cream Balm is quickly absorbed by the membrane and does not dry up the secretions, but changes them to a natural and healthy character. Ely Brothers, 56 Warren St., N. Y.

A Charlotte Soldier Dies at Honolulu

A press dispatch somewhat indefinite in its terms throws a Charlotte family in grief over the death of a soldier in Honolulu that is believed to be Mr. William Arthur Wray, of the Sixth Artillery, son of Mr. J L Wray. The Sixth was on its way to the Philippines.

Discovered by a Woman.

Another great discovery has been made, and that too, by a lady in this country. Disease fastened its clutches upon her and for seven years she withstood the severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz. Thus writes W C Hamnick & Co., of Shelby, N. C. Trial bottle free at P B Fetzer's drug store. Regular size 50c and \$1.00. Every bottle guaranteed.

Freezing in the Cakes of Ice.

Mr. Jas. Dayvault, proprietor of the ice factory, had on exhibition last Saturday afternoon a large cake of ice, in the middle of which was a beautiful bouquet, blending the different colors most beautifully to the passers-by. Mrs. W R Odell has also had him to freeze a large 200-pound piece, in which is to be seen a variety of fruits and flowers.

THE BEST IN THE WORLD.

We believe Chamberlain's Cough Remedy is the best in the world. A few weeks ago we suffered with a severe cold and a troublesome cough, and having read their advertisements in our own and other papers we purchased a bottle to see if it would effect us. It cured us before the bottle was more than half used. It is the best medicine out for colds and coughs.—The Herald, Andersonville, Ind. For sale by M. L. Marsh & Co., Druggist.

They Have Returned.

Dr. D P Whitley and Mr. T P Lowder, of Millingport, have returned with their children from Baltimore, where the Pasteur treatment was given them. One of the children showed suspicious symptoms of hydrophobia, but recovered while taking the treatment. This was an unfortunate affair and incurred a great expense to both of these parties.
