Va.—About three years ago my wife had an attack of rheumatism which confined her to her bed for over a month and rendered her unable to walk a step without assistance, her limbs being swollen to double their normal size. Mr. S. Maddox insisted on my using Chamberlain's Pain Balm. I purchased a fifty cent bottle and used it according to the directions and the next morning she walked to breakfast without assistance in any manner, and she has not had a similar attack since.—A. More Small-Pox.

Charlotte has another case of small-pox. Mr. Thomas Mungo who has been working in Spartanburg, S. C. He suspected that he was taking small-pox and it seems that he beat his way in a box car, arriving in Charlotte about 4 o'clock Saturday morning. He was cautious, going to his home he asked his wife to throw him out some bedding that he might spend the balance of the night in the vacant house near. Early in the morning he made himself known and was helped to the pest house.

Charlotte has three cases now. Mr. Sossamon is getting along finely and will soon be out. There is one case, a negro woman, that is expected to die.

England and Russia Agree.

The most ominous war cloud that has been lurking in the eastern horizon, that at times appeared in cumulus proportions, it seems, has been dissipated from the oriental skies in an agreement between England and Russia as to Chinese affairs. Lord Salisbury made the happy announcement in a toast speech at the Royal Academy in London Saturday night in which Ambassador and Mrs. Choate participated.

AN EPIDEMIC OF WHOOPING COUGH.

Last winter during an epidemic of whooping cough my children contracted the disease, having severe coughing spells. We had used Chamberlain's Cough Remedy very successfully for croup and naturally turned to it at that time and found it relieved the cough and effected a complete cure—John L. Clifford, Proprietor Norwood House, Norwood N. Y. This remedy is for sale by M. L. Marsh & Co.

Reduced Railroad Rates.

For the occasions mentioned below the Southern will sell tickets at the following reduced rates:

NO CURE, NO PAY.

That is the way all druggists sell Grove's Tasteless Chill Tonic for chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults refer to it as bitter, nauseating Tonics. Price, 50c.

Pure Plymouth Rock Eggs, 13 for 50c. Truman Chapman.

The ancient believed that rheumatism was the work of a demon within a man. Any one who has had an attack of sciatic or inflammatory rheumatism will agree that the infliction is demonic enough to warrant the belief. It has never been claimed that Chamberlain's Pain Balm would cast out demons, but it will cure rheumatism, and hundreds bear testimony to the truth of this statement. One application relieves the Pain, and this quick relief which it affords is alone worth many times its cost. For sale by M. L. Marsh & Co.

Graphophone
New Selected Music.
