Yesterday she was a bride,  
And glad as she could be;  
Now her face is clouded o'er,  
She is sad, 'tis plain to see.

He is young and brave and good,  
And she knows he loves her well,  
Yet she sits and sighs today,  
As if in a horrid spell.

Why does she sigh? Why is she sad?  
Why does she sit today and frown?  
None of the papers printed a  
Description of her wedding gown!

I consider it not only a pleasure but a duty I owe to my neighbors to tell about the wonderful cure effected in my case by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I was taken very badly with flux and procured a bottle of this remedy. A few doses of it effected a permanent cure. I take pleasure in recommending it to others suffering from that dreadful disease.—J. W. Lynch, Dorr, W. Va. This remedy is sold by M. L. Marsh & Co.

Metals get tired as well as living beings. Telegraph wires are better conductors on Monday than on Saturday, on account of their Sunday rest, and a rest of three weeks added 1 per cent. to the conductivity of the wire. Razors are greatly benefited by being rested.—Exchange.

If troubled with rheumatism, give Chamberlain's Pain-Balm a trial. It will not cost you a cent if it does no good. One application will relieve the pain. It also cures sprains and bruises in one-third the time required by any other treatment. ## ROCKY RIVER SPRINGS.

This Popular Summer Resort, Will Be Under New Management This Year.

## GRAND OPENING JUNE 1st.

Rocky River Springs, Stanly County, N. C., will open under new management for the season of 1899. Grand opening June 1st. Free supper and dance. It is the purpose, under the new management, to bring this noted summer resort up to a standard comparable to any resort in the country. The waters are equal to any—Iron, Arsenic, Sulphur, and Iron and Magnesia—and surpass many of the waters of now famous resorts.

This heretofore so-called dark corner of North Carolina, but really one of its garden spots, is very rapidly coming to the front. The neighboring towns, Albemarle and Norwood, have taken on new life, the latter having doubled its population within the past two years; the former, for so long a time, a mere hamlet, is making progress, and within a decade or two we expect to see it a city.

Many improvements will be made at the Springs. A 'phone connecting with all adjoining towns, daily mail, first-class laundry, blinds put to the hotel, new bath houses built, and spring houses repaired, will constitute some of the improvements. It is the purpose of the management to have a ten-pin alley and other games in readiness by June 15th. The hotel will be supplied with new furniture. A band of music will be on hand for the season and dancers can dance at will. The dancing hall, however, will not interfere with those who do not desire to participate, or wish to be disturbed by its noise, as it is nearly a quarter of a mile from the hotel. As a special inducement to mothers we would say arrangements have been made to have one or two good physicians present during the entire season.

To reach Springs via Southern Railway, change cars at Salisbury, thence to Norwood or Albemarle, where fine livery is ever ready to take you to the Springs, 7 1/2 miles distant. By Seaboard Air Line Wadesboro is nearest point. Fine livery here also.
