SOMETHING BENEFICIAL.

The State Dairymen's Association and Swine Breeder's Association both to meet here next month—something of interest to every Prosperous Farmer of the County as well as to every Citizen.

Cabarrus county can well be proud of the fact that on the 27th and 28th of next month two Associations will meet here, lasting two days, when every farmer in Cabarrus county as well as every person interested in stock any way should attend.

The State Dairymen's Association and the Swine Breeder's Association will hold their meetings here. These meetings are held for the purpose of mutually benefitting each other and awake new interest in the work.

These meetings will consist of lectures by local dairymen and those interested in the raising of stock, together with lectures by two experts from the Experiment Station of our State. Numerous apparatus will be on exhibition, such as those showing the making of butter, testing of the qualities of milk, etc. and all of this will be free to the people.

In the afternoon of these two days the Swine Breeders Association will meet.

Let the people turn out to these meetings and let no improvements in these lines escape the eye of our good-living farmers.

Good Roads for Guilford.

Greensboro is taking hold of the good roads movement in a way that it would seem would be a decided stimulus. There is a good roads club of men who agree to pay certain amounts per mile for 40 miles of macadamized roads to be made in the county outside of the city limits. The subscriptions run from \$200 to \$4000 and aggregate thus for \$6,600. This is to be given to the county commissioners as the work progresses.

It certainly displays much earnestness in a good cause.

Cotton Up to Time.

We learn with much satisfaction from one of our leading farmers of No. 3 township that the cotton crop is in better condition at this time than it was at the same period last year. Though planting may have been a little delayed by the late Spring, the season has been favorable to a prompt germination and growth so that to our pleasant surprise the cotton crop is well up to time.

Will Be Here Tomorrow.

Tomorrow the North Carolina Rolling Exposition will be at the depot for the view of the people. No one can afford to miss seeing the traveling museum of our own State, showing what we are doing these days. Ten cents admission will be charged for grown persons—five cents for children.

Bucklen's Arnica Salve.

The Best Salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter Chapped Hands, Chilblains, Corns and all Skin Eruptions, and positively cures Piles or no pay required. It is guaranteed to give satisfaction or money refunded. Price 25 cents per box. For sale at P. B. Fetzner's Drug Store.

COMMENCEMENT DAY.

The Closing Exercises of Concord High School to be held tomorrow in the Court House—The Public Cordially Invited to Attend.

Tomorrow morning at 11 o'clock in the court house the closing exercises of the Concord High School will be held. These exercises are public and it is hoped that the people will attend.

The exercises of the class will be held after which Dr. Henry Louis Smith, of Davidson College, will deliver an address. In this address our people can well expect a treat as Dr. Smith stands among the highest of our learned men of today.

Those who this year finish their work in this school, being members of the fourth form, are Ralph Odell, Henry Craven, Hugh Propst, Chassie Brown, Mary Dale Craig, Mary Wallis King, Nora Fisher, Julia McCConnell, Irma Kimmons, and Carrie Suther. This is the largest class that has finished the fourth form any year and is one of the best of classes, too.

Gen. Cowles Withdraws His Suit.

Gen. A. D. Cowles has withdrawn his suit for \$20,000 damages against the Raleigh street railway company and has paid the costs of the action. It will be recalled that in Raleigh last summer Gen. Cowles, then lieutenant colonel of the Second Regiment, came in collision with a street car while riding horseback. His horse was thrown to the ground, falling on him, and as a result the general's ankle was broken. He promptly entered suit but has withdrawn the suit on account of proving negligence on the part of the street car company. He prefers to withdraw now rather than risk losing the case in court.—Statesville Landmark.

Wants Them Egged.

The "Fire-Baptized Holiness Association" have erected a large tent here on the lot of one of their converts, and are holding meetings three times a day.—Dispatch from Sanford.

It is a most deplorable fact that there are some men in every community in the world who are ready to accept any kind of "ism" that the most depraved fanaticism can conceive of. If the snake-eaters of Africa were to send missionaries among us we believe they would find some supporters.

These "Fire Baptists" to whose unhallowed ends the sacred name of religion is perverted, should be egged out of the State.—Greensboro Telegram.

[If no one attends these meetings then they would cease. Let the people absent themselves from such places.]

The ancient believe that rheumatism was the work of a demon within a man. Any one who has had an attack of sciatic or inflammatory rheumatism will agree that the infliction is demonic enough to warrant the belief. It has never been claimed that Chamberlain's Pain Balm would cast out demons, but it will cure rheumatism, and hundreds bear testimony to the truth of this statement. One application relieves the Pain, and this quick relief which it affords is alone worth many times its cost. For sale by M. L. Marsh & Co.

THEY'RE CAPTURED.

The Negro Who Fired at the Officer Saturday Night Now on the Chain-gang for the Satisfaction of the Town—The State's Warrant Continued—The Other Captured and Fined.

It will be remembered that on Saturday night, the 20th, Mr. John Lofin, who was a special policeman that night, attempted to catch two negroes who were thought to be in the crowd using such profane language. The negroes took to their heels but at last one turned and shot several times at the officer, the shots being returned by the officer.

Nothing was done about the matter until Wednesday the two negroes were brought before Mayor Means. Sim Gray is the name of the negro who did the shooting. He was arrested on the State's warrant but the town also had to settle the matter with him. Mayor Means put a fine of \$50 on the negro together with the costs, which will satisfy the town's part of the matter but the State's part is continued, and the negro, after finishing his work on the chain-gang will have to give a bond for his appearance at the next term of court afterwards.

The other negro, who picked up his feet with such agility, was named Robt. Gray. He was fined \$2.50 and the costs.

This will no doubt learn Sim Gray that it is a dangerous piece of business to disobey the command of an officer when he is told to halt and that it is still worse when he turns and fires on the officer of the law.

A Complimentary Dinner.

Mrs. James Gibson last evening gave a dinner to her daughter and Misses Lawrence and Evans. The invited guests were Misses McCall, Ervin and Emily Gibson, Messrs. Richmond, Cannon, Thompson, Keesler, Luther Brown and Capt. Hill. It was an eight course progressive game dinner. To say that the ladies were charming and the gentlemen elegant in evening dress gives only a correct idea of their appearance, and the games between the courses seemed to afford unbounded amusement. The table was decorated with pink roses.

Bennie Levy Improving.

On Tuesday, May 2nd, Bennie Levy took lockjaw from running a large splinter in his foot. For several days the boy was at the point of death, but he will now recover. His jaws are open a little more now than when he was seized with the affection. He has an exceptionally good appetite and eats almost anything he wants. For weeks he has been sucking his victuals through a tube and now he can put bits in his mouth with his fingers. This will be an extraordinary case.

John Mellon, an umbrella mender, was arraigned Saturday night for being drunk and disorderly. He was assessed \$4.50 and being unable to pay was given 15 days on the chain-gang.—Statesville Landmark.

The Christian Reid Book Club Closes for the Season.

The meeting of the Christian Reid Book Club with Mrs. P. B. Fetzner on Saturday was one of unusual interest.

Mr. Holland Thompson was present by invitation and made an address which will long dwell in the hearts and minds of those present. This meeting brings to a close the second year of the Club's life. The members of the Club are to be congratulated that it has been crowned with success—a season of growing interest and literary work. The attainments of the past will doubtless prove an incentive in a future which is full of promise. The Club will resume work in its third series in September. The members of the Christian Reid and Julia Magruder Book Clubs will join in a picnic at White Hall next Tuesday afternoon when in interchange of happy thought which "breaks through language and escapes," they will spend a pleasant hour.

The Picnic Postponed.

The picnic at Rock Hill Saturday to be had by the operatives of the shops at Spencer has been postponed on account of the inability to secure cars just at this time on account of the heavy travel, so the Salisbury correspondent of the Observer says.
