## IMPORTANT TO TEACHERS.

Candidates for Life Certificate to be given opportunity on the second Thursday of July—Collateral Reading.

The State Superintendent of Public Instructions directs me to say: On the second Thursday in July an examination for life certificate will be held in the court house. The questions for said examination will be prepared by the State Board of Education. The papers will be examined and the certificates awarded by said Board. The questions will not be opened till the time for the examination to begin, say at 9 a. m.

Questions will be prepared on the following subjects:

English Grammar, English Literature, History, Geography, Physical Geography, Arithmetic, Algebra, Physics, Physiology and Hygiene, Elementary Botany, Philosophy and History of Education, Civil Government and School Law. The following books in addition to these adopted by the County Board are suggested as indicating the scope of the examination on the several subjects: Whitney's Essentials of English Grammar; Pancoaste's Composition and Rhetoric; Lockwood's Lessons in English; Maury's Geography; Tan's Physical Geography; Sully's Psychology for Teachers; White's Elements of Pedagogy; Physics (Avery and Gage); Bergen's Botany; Martin's Human body.

Mr. C W Swink and other dealers who have on sale the books used in the public schools can give any information wanted in regard to books.

According to the new school law civil government is constituted a subject to be taught in the public schools. Teachers will therefore be examined hereafter on that subject, and should procure the required books, if they have not already done so, and prepare themselves for the examination. Finger's Civil Government and Peterman's Elements of Civil Government, N. C. edition, are on the list adopted in this county. Either one of those books or any other will answer. The main thing with the teacher who stands an examination is to know something of Civil Government.

There will be no examination for Peabody scholarship this year for the sufficient reason that none will be awarded to this State, all the vacancies having been filled in accordance with the other rules governing the appointments.

Teachers should not be idle this summer but on the contrary should study so as to render their work easier and more agreeable to themselves as well as more efficient and consequently more beneficial to the children they teach. A teacher who does not study will not be progressive and can not sustain himself long in the face of improvements that are making in every department pertaining to teaching.

H. T. J. Ludwig,  
County Supt.

### NO CURE, NO PAY.

That is the way all druggists sell Grove's Tasteless Chill Tonic for chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults refer to it as bitter, nauseating Tonic. Price, 50c.

## A REVENUE SEIZURE.

The Eye of a Revenue Officer Falls on a Wagon in Those Parts—The Owner of the Wagon Escapes—Hon. R L Smith to Speak.

Written for The Standard.

Shankle, June 3 —Children's Day will be on the second Sunday in June at the academy. Hon. R L Smith, of Norwood, will deliver the address.

A deputy collector seized a wagon and team with about 60 gallons of whiskey at the residence of Mr. Vota Thompson a few days ago. The owner of the wagon, seeing the revenue officer, broke and ran to the woods and made good his escape. Mr. Thompson then forbade the officer to move the wagon from his yard. Going into the house he brought out his gun and presented it at the officer. The officer then presented his pistol in Mr. Thompson's face, telling him to throw up his hands, which he did. Thompson was bound in a \$50 bond for his appearance at the next term of Superior court.

Mr. Joe Almond has his new ferry in running order these days.

Capt. D N Bennett, president of the Norwood township Sunday School Convention, was with us last Sunday. He made a fine speech on the S. S. work, urging the older people to attend with their children "and with many other words spake he unto them."

Mr. Arch Andrews has been having the chills this week.

Sam Lentz, Esq., has had a telephone placed in his house. It connects with the Eric Mills and Norwood line.

Mr. R W Lanier has the nicest field of wheat that we have seen this season. It is of the bearded or Fulcaster variety.

Mr. W B Biggers has returned from Grassy Islands, where he spent the winter and spring.

Miss Bertie Shankle gave an ice cream party one night not long since to a few of her invited guests. They report a nice time.

Mr. Joe Almond has ordered a new self-guiding traction engine, for which he paid \$1,000.

### Wedding Bells in No. 2.

On Sunday, the 3rd, at 11 o'clock, at the home of Mr. Calvin Tucker, in No. 2 township, Mr. Fitzhugh Crisco and Miss Alice Ledbetter were married by Mr. W J McLaughlin, Esq. The happy couple have our good wishes. They'll find when they go to housekeeping that the Standard is a good thing to have in the family.

### Mr. Smith Resigns.

Mr. C L Smith, who has been chief clerk at the Southern freight depot for about a year, has resigned his position, as he expects to leave Charlotte about the 1st of July.—Charlotte Observer.

### Would Not Suffer So Again for Fifty Times the Price.

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G H Wilson, Liveryman, Burgettstown, Washington Co., Pa. This remedy is for sale by M L Marsh & Co., druggist.

## Consumption Ends Her Life.

On last Saturday afternoon a while before 6 o'clock, the death angel made its visit to the home of Mr. Frank Hornbuckle at Cannonville and robbed the home of the fond mother and the loved wife of this home. For quite a long while Mrs. Hornbuckle has been the victim of consumption, and her last days upon this earth were known to be not far off. Mrs. Hornbuckle's maiden name was Richardson and her former home was at Rockingham.

The funeral was preached Sunday afternoon at Epworth church by Rev. T W Smith, after which the remains were interred in the cemetery.

### The Law Violated Again.

On last Saturday afternoon Policeman Goldston pulled a man from the country for hitching his horse on the sidewalk. It cost the man a few dollars.

Two young men from Cannonville were arrested last Saturday afternoon for shooting a pistol in the incorporate limits. The gentlemen did not carry their weapons concealed and were only shooting marks, but they failed to get out of the town limits and hence Mayor Means had to impose a fine of one penny and the costs on them.

### Widening the Roadbed.

Superintendent Benfield, with his twenty-seven convicts, is still working out on the Beatty's Ford road and is making us something that will no doubt be a joy forever. The width of the road has heretofore been twenty feet, but on the road there, Mr. A B Young, who has a general oversight of the work, has ordered that it be made twenty-eight feet wide, to give ample room for both dirt and macadam road.

### A Clever Trick.

It certainly looks like it, but there is really no trick about it. Anybody can try it who has Lame Back and Weak Kidneys, Malaria or nervous troubles. We mean he can cure himself right away by taking Electric Bitters. This medicine tones up the whole system, acts as a stimulant to Liver and Kidneys, is a blood purifier and nerve tonic. It cures constipation, headache, fainting spells, sleeplessness and melancholy. It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c a bottle at P B Fetzer's drug store.

### A Slight Stroke of Paralysis.

For more than a week our townsman, Mr. W M Weddington, has been very unwell. One day last week he was affected with a slight stroke of paralysis in his face, very much like Rev. Alexander's case. His face on the left side is somewhat drawn.

If troubled with rheumatism, give Chamberlain's Pain-Balm a trial. It will not cost you a cent if it does no good. One application will relieve the pain. It also cures sprains and bruises in one-third the time required by any other treatment. Cuts, burns, frostbites, quinsy, pains in the side and chest, glandular and other swellings are quickly cured by applying it. Every bottle warranted. Price, 25 and 50 cts.—M L Marsh & Co.

The dancing school, which was started last week by several of our young ladies, has been discontinued.

## Mr. Avery Hartsell Very Low

The condition of Mr. Avery Hartsell, at Kershaw, seems to be no better. He has congestion of the brain. His brother, Mr. Milton Hartsell, and his sister, Miss Daisy Hartsell, are at his bedside.
