COMMITTEE REPORTS.

Cannot Secure Funds to Build - High School Will Be Taught at Old Stand.

On or about January 28th a meeting was called in the court house with regard to erecting a new modern school building on the lot known as the Concord Union. There was a committee of citizens appointed at that meeting charged with the duty of raising the necessary funds and of erecting said building, which they were to rent to Rev. J H Lippard. This committee secured the contract with the trustees of the property, which was necessary for the consummation of the plan.

On Wednesday, the 7th, this committee called a meeting of the trustees and reported that they were unable to secure the necessary funds for the purpose and asked the trustees to release them from their part of the contract. This was acceded to and thereupon Rev. J H Lippard gracefully waived all right and claim which he had to the property by virtue of the contract made by the committee with the trustees.

We are informed that Prof. Jay Lentz will conduct the Concord High School in the building where it has been conducted for the past number of years.

It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles of this great medicine; and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, Bronchitis, Hoarseness and all diseases of the Throat, Chest and Lungs are surely cured by it. Call at P. B. Fetzer's drug store and get a trial bottle free. Regular size 50c. and \$1. Every bottle guaranteed, or price refunded.

Bluff or Blunder.

Can Mr. Wm J Bryan really think casting his destiny into the hands of Altgeld will add popularity to his cause or increase confidence in himself? No man in the political arena enjoys so little public confidence today as this man Altgeld. Surely Mr. Bryan is playing a great game of bluff or he is losing his head altogether.—Times-Visitor.

Pointed Paragraphs.

Every married woman travels under an assumed name.

Probably nothing dispels girlish illusions so quickly as marriage.

The cost of experience is never fully realized until one goes to law.

When a wise prophet predicts the end of the world he invariably puts it so far in the future that no one he knows will live to contradict him.—Chicago News.

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first that it was a slight strain and would soon be well, but it grew worse and the doctor then said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a 50-cent bottle cured me entirely. I now recommend it to all my friends.—F A Babcock, Erie, Pa. It is for sale by M L Marsh & Co., druggist.

The Hornet's Nest Punched.

The hornet nest was punched Wednesday, when Timothy Beardon, a discharged Boston volunteer, was being marched off to the chain gang, hand-cuffed to a negro woman detained for the same task. It was too much for Charlotte gallantry and Beardon's \$3.00 fine for drunk and disorderly was quickly paid by men who ran out and intercepted the march. The people were indignant at the scene, though the officer had little other way to convey his prisoners.

Some negro insolence came near bringing the hornets to the stinging point.

Beardon has employment and is very grateful, while the officer will know to take some other plan next time.

A Card of Thanks.

I wish to say that I feel under lasting obligations for what Chamberlain's Cough remedy has done for our family. We have used it in so many cases of coughs, lung troubles and whooping cough, and it has always given the most perfect satisfaction, we feel greatly indebted to the manufacturers of this remedy and wish them to please accept our hearty thanks.—Respectfully, Mrs. S Doty, Des Moines, Iowa. For sale by M L Marsh & Co., druggist.

AUGUSTA'S GREAT FIRE

Lieutenant Goodman at the Head of the Fire Line—Loss \$250,000.

Augusta Ga., had the most destructive fire in its history Wednesday. The loss is estimated at \$250,000. The flames began in the drug store of Davenport & Phinezy. A negro was mixing some turpentine and hot rosin when it became ignited.

In the course of the flames 30,000 rounds of cartridges were reached and the explosions were like a mighty battle.

Our townsman, Lieut. Joe Goodman, was connected with the house of Davenport & Phinezy.

Beats the Klondike.

Mr. A C Thomas, of Marysville Tex., has found a more valuable discovery than has yet been made in the Klondike. For years he suffered untold agony from consumption, accompanied by hemorrhages; and was absolutely cured by Dr. King's New Discovery for Consumption, Coughs and Colds. He declares that gold is of little value in comparison with this marvelous cure; would have it, even if it cost a hundred dollars a bottle. Asthma, Bronchitis and all throat and lung affections are positively cured by Dr. King's New Discovery for Consumption. Trial bottles free at P B Fetzer's drug store. Regular size 50 cents and \$1.00. Guaranteed to cure or price refunded.

Sunderland School Closed.

The closing exercises of Sunderland were held Wednesday night, and a good number of our people availed themselves of the opportunity of hearing the splendid exercises by the pupils. It is a treat to any one who is interested in school work to attend these exercises and to be taken through the different departments of the school by the teachers who are always most courteous and glad to show the friends of the institution the work done within these doors. This institution always has its maximum number, sixty. Not only intellectual but industrial educations are given these young ladies, preparing them for the paths of life. Most all of the pupils left today (Thursday.)
