KICKED BY A HORSE.

Death Comes to Chas. Petrea of Our County Caused by a Horse Kicking Him Some Days Before.

On Tuesday, the 6th, Chas. Petrea, a young man of No. 7 township, son of Mr. Morton Petrea, was kicked by a horse while ploughing in the field, just when he was turning the animal to start back across the field.

It was a heavy blow dealt by the animal and the hoof struck the young man in the stomach, and it proved to be the fatal blow, life having ceased Thursday night. The body was interred Friday.

Mr. Petrea was a comparatively young man of about 25 years. A year or two ago he married Miss Fannie Krimminger.

The Entertainment Friday Night.

On account of the oppressive weather presumably only a small crowd turned out Friday night to hear Rev. S F Conrad's entertainment in Caton's hall. The evening program, which was full length, consisted of choice productions on the graphophone, Edison's last machine of this kind, which is much louder than the graphophone, and had there been a larger crowd in the hall it would have proved better for the financial part and also for the machine as the latter is well capable of filling a crowded house. A panoramic view of New York city, giving the principal buildings, was also given. The evening could not help but be well spent for both parts are from machines of the first-class order, and are deserving of a good house.

The Sewerage Trouble Over.

It has been a source of much talk, and rightly so too, on account of the imperfection of the sewerage at several places in town. It seems that the principal trouble is the insufficient amount of water in the pipes, making it very offensive to live near the manholes, which are covered but are not air tight. Though the trouble has not been removed the people of those parts of town are at least free now from the offensive odors, as Mayor Means has had the coverings of the manholes lowered and then well covered with dirt. The worst places are on North Main street and Spring street.

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first that it was a slight strain and would soon be well, but it grew worse and the doctor then said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a 50-cent bottle cured me entirely. I now recommend it to all my friends.—F A Babcock, Erie, Pa. It is for sale by M L Marsh & Co., druggist.

A Mill Man Killed at Gastonia.

On Friday morning at Gastonia, Mr. Wm. G Brown, assistant superintendent at the Gastonia mill, was shot and killed by a man named Oraton Medlin. The difficulty arose about the wages of one of Medlin's children. Brown also had a pistol but drew it too late, but fired several shots at his antagonist before he fell himself. Medlin escaped at once but was captured and lodged in jail.

Competition Comes Near Causing Trouble.

For several days our townsmen, Henry Ritz and H A Graeber, have been earnestly endeavoring to supply the lemonade drinking people and each has well performed his part, but the competition became too strong today (Saturday) when Mr. Ritz constructed a stand near his antagonist and dealt it out at the rates of "five cents for all you can drink and more too if you want it." But the other man would not be outdone but at once took out huckster's license and erected his tub of ice, lemons and sugar, and earnestly requested all to partake of the refreshing beverage asking nothing of them but to return the dippers.

Thi went on for a while but too many people began to gather around making it a nuisance and the ayor called the matter to a halt, compelling them to go back to their regular places of business. It furnished amusement at least and showed the determined spirit of the competitors. Both did the town \$1 and the costs or loud and boisterous talking.

Would it Suffer So Again for Fifty Times the Price.

I awoke last night with severe pains in my stomach. I never felt so bad in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It would like magic and one dose filled me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter for I should not care to end the sufferings of last night in for fifty times its price.—H Wilson, Liveryman, Burgetown, Washington Co., Pa. The remedy is for sale by M L Marsh & Co., druggist.
