## NO VICTORY.

The Concord and Statesville Teams Fail to Gain a Victory from Each Other—Not as Good a Game as the Day Before—Some Trouble Arose.

Our baseball team returned home Friday night from Statesville after playing a two days engagement on the diamond.

Our boys were defeated in the game on Thursday but on Friday neither team gained the victory, as the score stood 11 to 11.

The following scores were made by innings: In the first inning Concord scored two runs, and Statesville gained one run. In the second neither scored, neither was there a run scored in the third inning. The Statesville boys made three runs on us in the fourth inning, and we failed to show anything.

At this juncture a row ensued by a young man of the Statesville team calling one of our boys something that is not admired and the Iredell boy experienced the blows of a young man who is probably skilled in bag punching. A row followed and somewhat of a disturbance ensued. We are glad to know that our boys had reason to complain and even some of the Statesville team were honest enough to censure their players for such conduct.

In the fifth inning both sides scored several runs, and in the end of the sixth Concord had 9 and Statesville 6. No runs were made in the seventh. In the eighth Statesville scored two and Concord followed suit, making us 11 to 8. But in the ninth inning the Iredell boys made three runs, and neither could claim the victory. The tie was not played off as the boys barely had time to catch the train.

Our boys are not much elated over the treatment received by their brother players while in their hands, but nevertheless every effort will be made to get them here and they will be treated like every other ball team—made to feel that they are at home and that "rooting" has no place except on the diamond.

He declares that gold is of little value in comparison with this marvelous cure; would have it, even if it cost a hundred dollars a bottle. Asthma, Bronchitis and all throat and lung affections are positively cured by Dr. King's New Discovery for Consumption. Trial bottles free at P B Fetzler's drug store. Regular size 50 cents and \$1.00. Guaranteed to cure or price refunded.

## A FORTUNATE FIND.

A Two Years' Term Negro Captured and Brought Back to the Chain Gang—Captured in Charlotte—He is Due the County Some Work Yet.

On the 20th day of last October Joe Orr, a negro, who was sentenced to the chain gang for two years for the larceny of some clothes, made his escape, one night from the tent.

Nothing was ever more heard from the negro since that time, except by some officers, and some days ago Mr. Robt. Benfield, superintendent of the chain gang, was notified that a negro answering the description of Joe Orr, was in Charlotte.

One who remembered the negro well went to Charlotte after him and identified him and he was put on the gang again Friday, and unless he makes his escape again he will be there for some time yet.

He has only given the county two months and twenty days of his valuable services and the road master will use him for twenty-one months and ten days yet.

Joe has been in Charlotte for several months, but says that he stayed about Concord for a week or more after he escaped then went to one of the large mines in Virginia.

## Laurels Won from Charlotte.

Our second nine, termed "Wheeler's Cavalry," returned home Friday night in high glee, having taken the baseball honors from the Charlotte team of the same calibre. Only a few people witnessed the game and the gate receipts amounted to only \$6.25, but our boys got the whole amount which helped to defray the expenses. Charlotte lost in a score of 10 to 9. Our boys say that they had to play against the young men instead of the boys but nevertheless played them well.

## NO CURE, NO PAY.

Suffering humanity should be supplied with every means possible for its relief. It is with pleasure we publish the following: "This is to certify that I was a terrible sufferer from Yellow Jaundice for over six months, and was treated by some of the best physicians in our city and to no avail. Dr. Bell, our druggist, recommended Electric Bitters; and after taking two bottles I was entirely cured. I now take great pleasure in recommending them to any person suffering from this terrible malady. I am gratefully yours, M. A. Hogarty, Lexington, Ky." Sold by P B Fetzler's Drug store.
