## ILLICIT DISTILLING.

One of Cabarrus County's Men Found Guilty of Defrauding the Government and Sentenced to Prison Four Months—A Fine of One Hundred Dollars Imposed on Him.

Our readers will remember that a number of months ago revenue officers one night seized the distillery of Mr. "Billy" Rhinehardt, in No. 9 township. The distillery was running at night and the storekeeper had locked up the building that afternoon, showing that the rules under which these plants are conducted were being violated.

The whiskey and the distillery were taken charge of by the officers and a case entered in the Federal court against Mr. Rhinehardt. His case was called last Saturday at the court in Charlotte but Mr. Rhinehardt failed to show up. Marshall Hampton came over Saturday evening and arrested him and took him to Charlotte Sunday morning for trial.

The case was brought up Monday and Mr. Rhinehardt sentenced for his illicit work. Most always in a case of this kind the guilty one is sentenced to the penitentiary and worked at hard labor but on account of Mr. Rhinehardt's age and the fact that he has been suffering with rheumatism quite much, he was given the four months sentence in our jail here and fined \$100. He was brought here Monday evening and confined to jail.

He was found guilty of giving false returns to the government, and of working at hours when the storekeeper was not there.

## The Mule Gives Trouble.

A mule can never be depended upon and you must never do anything behind his back. Today (Tuesday) a negro named Joyce Weatherspoon had to beat his mule to get it along on the road at Glass but the long-eared animal spied a goods box at Glass and started down the road like he was shot out of a gun. The negro was in the buggy and doing the best he could, but nothing can change a mule's ideas. The crisis came and the negro was thrown violently against the tire of one of the wheels and the flesh laid open considerably on his face and his senses knocked from him. The negro was badly done up but the mule is in good trim.

## THE WRONG BOTTLE.

Awful Results of Leaving Poison By Medicine.

A special from Asheville to the Charlotte Observer says:

A mistake in taking a dose of medicine this morning cost the life of J P Marshall, of this city. Mr. Marshall thought to take a dose of paregoric, but instead poured out a dose of carbolic acid from a bottle that stood by the paregoric bottle. He discovered the awful error in a moment after swallowing the draught, and hurried up town to see a physician. On the way he fell and was taken to J R Oates' livery stable. Medical aid was summoned, but Mr. Marshall was beyond help and died in a few minutes. He was about 40 years of age, a tobacco buyer, and a well known man of this city. He was a native of Virginia.

## The Lost Man Shows Up.

Mr. John Leiser, of China Grove, has turned up at McCell, S. C., with relatives of his wife. Mr. Leiser, it will be remembered, left home some time since, and it was thought that he had become mentally unbalanced. A card asking for information as to his whereabouts was published but had no answers.

Mr. Thom, of China Grove tells us that Mr. Leiser went to McCell, S. C., where some of his wife's kin people live and that Mrs. Leiser has gone to join him. We understand that Mr. Leiser's seemingly peculiar actions was caused by a fear of being unable to meet his expenses.—Salisbury Sun.

## FILIPINO TREACHERY.

Kill 5 and Wound 25 from the Rear—Gen. Fred Grant and 1,800 Men Arrive.

Five American soldiers were killed and about 25 were wounded by treacherous Filipinos on Monday morning. They pretended to be friendlies and fired on the rear of our troops. They got badly punished but it does not compensate for the vicious act. Gen. Wheaton himself was under fire and in great danger.

Troops will most probably be forwarded to the Philippines and the situation will be met. Gen. Fred Grant with 1800 men arrived on the Sherman Monday. Gens. Hale and Funston and most of the volunteers will leave the islands soon.

## Would Not Suffer So Again for Fifty Times the Price.

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G H Wilson, Liveryman, Burgettstown, Washington Co., Pa.
