## OUR FIRST VICTORY.

The Baseball Season Opens With a Game Between Concord and Cheraw—Brothers from the Sister State Are Found Wanting.

A good crowd turned out Wednesday afternoon at the Miller Park to witness the game between Concord and Cheraw. The cornet band, as a compliment to the baseball club and the visiting team, turned out in their white ducks to do well to the occasion. The attendants were doubly filled—good ball and good music.

Mr. Richmond Montgomery umpired the game and we are glad to say gave satisfaction.

Rogers scored the first run for our boys by a pass ball in the first inning. Malloy made a beautiful catch in centre field of Caldwell's fly, but Rogers returned the compliment in an inning shortly afterwards. Rogers and LaGrande scored in the third inning. It's a treat to see LaGrande shove a ball from home to second similar to the one which put down Finlayson. In the fourth inning three of our boys were on the bases and things were most promising but no one but Misenheimer scored before "side-up."

Cheraw failed to score until the fifth inning, which run was made by Malloy, the captain of the team. In this same inning Caldwell made a fine two-base hit and scored on an error. Mangum also scored. We failed to score in the sixth. Rogers was nearing home but was put out between second and third. It was LaGrande's luck to be left on third several times.

Malloy made a fine two-base hit in the seventh, bringing home Evans, and also scoring himself. This made them three to our six. Caldwell made another two-base hit in the eighth. Rogers and LaGrande were left on bases.

Following is the score by innings and the runs, hits and errors:

Cheraw	0	0	0	1	0	2	0	0	—3
Concord	1	0	2	1	2	0	0	3	—9
									H. E.
Concord									12 5
Cheraw									5 5

Mangum and LaGrande composed our battery—Hall and Hudgens for Cheraw. Mangum struck out 1—Hall 4.

It was a good game of baseball—not the best that has been played here but it was not an uninteresting game by any means. Hall and Mangum both did good work.

A good game is expected this afternoon. We will have Wedington in the box and Cheraw's best pitcher, Saunders, goes in this afternoon. They are tugging for their victory again this afternoon.

FOR SALE—A house and lot on Spring street. Apply to C A Pitte.

## A SHAMEFUL AFFAIR.

The Mayor of Gold Hill Writes to Coroner Lenz Asking Him to Come to Near Gold Hill at Once and Investigate a Case of a Shameful Nature.

Today (Thursday) Coroner Lenz received the following letter from Mr. Ohas. E Smith, mayor of Gold Hill:

"There has been a mysterious death near this place just over the line in your county. I believe there is sufficient evidence to convict a man of murder. I deem it your duty to come here at once, hold an inquest and determine whether or not this woman came to her death by foul or unfair means. I believe this will be a disgrace to your county as well as to our State to be perpetrated and nothing to be done or said. I again urge you to come here at once."

This was a negro woman who is dead, and lived at the Isenhour mine. Coroner Lenz left this afternoon and will hold his inquest tonight if possible. The evidence to be gained shows this to be a disgraceful affair.

### The Boy Released.

On Sunday night, the 18th, two young boys were arrested at the depot for beating their way on the train. They were confined to jail and Mayor Means wrote to their parents informing them of their presence in jail. Arrangements were made satisfactorily Wednesday and the boy from Salisbury was taken out. The other one is from Asheville. He was released this (Thursday) morning by Mayor Means. The boy assured the mayor that he would go home and be content. The experience was quite enough for him.

### Gen. Gordon's Home burned.

The home of Gen. John B Gordon was destroyed by fire Wednesday evening. He lived in Kirkwood, a suburban town of Atlanta. The fire seems to have been accidental. Mrs. Gordon and daughter and two sons were at home but the General was on his farm near Reynolds, Ga. His library, pictures and war relics were saved but everything above the first floor was lost with the splendid 20-room mansion.

### His Resignation Accepted.

The North Carolina College Board met Wednesday to consider the resignation of Rev. M G G Scherer, as president of the college, who has accepted a call to the Lutheran church at Newberry, S. C. The resignation was accepted and Prof. Edgar Bowers, who is at present filling the chair of languages, was appointed to fill the presidents chair also. Prof. Bowers and Prof. G F McAllister will canvass for the institution this vacation. Rev. Scherer will leave the latter part of July to take charge of his new field.

### Complimentary to the Boys.

One of the largest Germans we have had in a while was given in the Phifer dancing hall Wednesday night complimentary to the Cheraw baseball team. About thirty couples attended and the visiting boys were given a delightful evening, giving them a better chance to become acquainted with Concord's society. The colored orchestra furnished the music for them.

The visitors speak in high terms of praise for their treatment at our hands and find that defeat does not deprive them of a jolly good time.

### Preparing for the Changes.

When The Standard vacates its present quarters in the brick row a number of changes will very probably follow. The following order will probably follow but arrangements are not certain in every case. Mr. J L Boger will move his restaurant and lunch counter to our present rooms and L E Lipe will move from the small building beyond the Morris House to the room now occupied by Mr. Boger in the brick row. Mr. Solomon Einstein will the move his upholstery establishment to the place vacated by Mr. Lipe.
