## VICTORY AGAIN.

The Cheraw Boys Failed to Sustain Themselves as Well in the Second Game—A Total of Fifteen Runs—LaGrande Sends It Over the Fence—Heavy Hitting.

Even if our boys did beat in the first game with Cheraw, numbers of our people went to the park Thursday afternoon expecting a much closer fight as the Cheraw boys held their best pitcher until that day. But this failed to be true as they failed to come up to their standard of the previous day.

In the first inning our boys scored five runs but allowed the Cheraw boys none. Another run was made by us in the second but still the opponents received nothing but ciphers. But in the fifth inning Capt. Malloy scored one run for them. In this inning it seemed that Cheraw would make several runs. Three men were on the bases and our boys had to play most carefully. But Duvall struck out and Rogers caught Powell's fly, leaving Finlayson and Tomlinson on the bases.

In the next inning LaGrande showed the audience how a ball can be parked, scoring himself and also Rogers and Weddington. Mangum also made a run this inning.

Nice playing was done by both teams in the eighth, neither side having scored and both teams worked a double play most successfully. In the last inning we scored one run and the Cheraw boys made two runs.

The following is the score:

	R.	H.	E.
Concord	12	18	4
Cheraw	3	4	9
Concord	5	10	0
Cheraw	0	0	0

One of the most noticeable parts of the score is the hits of our team. The batteries had somewhat of a struggle in the game—more so than the day before. Our battery was Weddington and LaGrande—Cheraws, Saunders and Malloy. Both pitchers struck out five men.

This game completed the arrangement of the management and the Cheraw boys returned home Thursday night.

## Its Importance Noted Elsewhere.

This morning's Charlotte Observer notes the importance of the Dairymen's Association next week in the following words:

"One of the most important meetings in North Carolina this year is that of the State Dairymen Association at Concord next Tuesday and Wednesday. Attention was drawn to it by a communication from Mr. C C Moore in yesterday's paper. As North Carolina becomes less an agricultural State, as the manufacturing interest increases and our cities and towns grow, the dairying interest will become more and more important. It is already very considerable and is constantly increasing. At this meeting will be discussed feed crops for beef and milk cattle, and it is inferred from Mr. Moore's communication that the discussions are likely to take a wide range, as he refers to the increasing interest in this section in cattle and hog-raising. This would be a good meeting for the general farmer to attend, and no dairyman or raiser of cattle can afford not to be there."

## Merely a Sensational Report.

The letter received Thursday by Coroner Lentz from Mayor Smith, of Gold Hill, calling him to come and investigate a case of very probable murder, proved to be nothing more than a rumored tale, judging from the inquest. It was impossible to get anything against any person causing the death of the negro woman, but it was shown at the inquest that the woman herself very probably shortened her life by her inexpedient way of taking medicine.

As stated, the inquest amounted to nothing, yet the county is put to the expense of a coroner's fee and the pay of the jurymen. Coroner Lentz and Dr. L N Burleyson returned home that night at a very late hour.

## Capt. S. E. Allen Dead.

News came here at 8 o'clock this (Friday) morning stating that Capt. S E Allen, of Winston, had died suddenly. This was a heavy shock, of course, to his family and near relatives at this place. He was in apparently good health and no cause for his death was stated.

Mr. Allen married Miss Laura Fink, of this place, daughter of Mrs. Ann Fink. He leaves a wife and six children, one of whom is married—Mrs. H L Saunders, of Sumter, S. C. Mr. Allen was a prominent wholesale and retail dealer in hardware and was well-known from a business standpoint by scores of people.

## Easily Excited.

It is strange how a crowd can be moved by some one starting a report. At the baseball game Thursday several little negroes commenced a scramble over some of Ritz's peanuts. Some one shouted, "a fight!" and the people on the grand stand, ladies and gentlemen, sprang up to take it in, but it amounted to nothing.

## Crack Players to a Man.

The Statesville Mascot says this about our team:

"It is hard to make comparisons, for the the visiting team are crack players to a man, and Statesville is more than satisfied with the work. Rogers, captain, did good work for the Concord team, and is an exceptional good player; Graves, of the same team, made pretty good work of a foul fly on each day.

## A Three Days Trip.

Our baseball team has a three days trip planned out. On the 4th and 5th they will play the Cheraw boys on the latter's diamond, and on the 6th they will play Wadesboro.

## Ten Years for Killing a Negress.

A wealthy white man by the name of Greenberry Reddite was convicted Tuesday in Memphis, Tenn., of murder in the second degree for killing a negro woman, Maggie Hobbs. He claimed that she attempted to kill him with a brick when he shot her. The jury were all white men. The sentence was ten years in the penitentiary.

## "Amen."

In an outburst of enthusiasm a negro divinity student in a North Carolina missionary college uttered this earnest prayer: "Give us all pure hearts; give us all clean hearts; give us all sweet hearts." To which the congregation responded, "Amen."—Ex.
