## BITTEN BY A DOG.

Mr. Noah Rowland and Mr. George Green's Daughter Bitten - Hydrophobia Feared - To take the Pasteur Treatment.

Mr. Geo. Green and daughter and Mr. Noah Rowland, of Stanly county, were here Sunday afternoon on their way to Baltimore where Mr. Rowland and the girl will take the Pasteur treatment for hydrophobia, having been bitten by a dog supposed to have rabies. The girl was bitten on Friday and the man was bitten on Saturday.

The dog was killed and its carcass was taken along with them to Baltimore for inspection.

It will be remembered that Dr. Whitley's child and another child were bitten in the same neighborhood some months ago, necessitating a heavy cost, and we are informed that the dog that bit Mr. Rowland and this daughter of Mr. Green was bitten by the dog that caused the trouble before.

## He Was One Dear to Winston.

The Winston Journal of Friday contains the following tribute to Capt. S E Allen:

"Captain Allen was a good and loyal citizen, enterprising and progressive man. No one gave to our city in every move for its good his time and talent, more ungrudgingly. It was always understood that when Captain Allen was placed upon a committee to look after some matter of public interest, that matter would be well and carefully attended to. He loved Winston and labored for her prosperity. Nothing made him happier than to see Winston with her holiday adornments on.

"In the death of Captain Allen this community loses one of its most loyal and active citizens; a gentleman whose place will remain unfilled.

"Captain Allen has long been a member of the home Moravian church and was a constant attendant at its worship and upon its ordinances. He leaves a wife and six children to mourn his sudden demise.

"No one who knew Captain Allen here but that regarded him as a good citizen, and there is none here but that will regret his sad leave-taking and eternal farewell. May there be peace and rest to you now, Captain, as you have passed from time into a happy eternity."

On Sunday night a white fellow attempted to catch No. 35, the fast mail at Bethel siding a few miles on this side of China Grove. The train met the northbound vestibule there. In his attempt to catch it he fell under the wheels and the train ran over the lower part of his body. His legs were cut off not far from his thighs. He was taken in the baggage car to Charlotte and lived but a short while after the train arrived.

## Beats the Klondike.

Mr. A C Thomas, of Marysville Tex., has found a more valuable discovery than has yet been made in the Klondike. For years he suffered untold agony from consumption, accompanied by hemorrhages; and was absolutely cured by Dr. King's New Discovery for Consumption, Coughs and Colds. He declares that gold is of little value in comparison with this marvelous cure; would have it, even if it cost a hundred dollars a bottle. Asthma, Bronchitis and all throat and lung affections are positively cured by Dr. King's New Discovery for Consumption. Trial bottles free at P B Fetzter's drug store. Regular size 50 cents and \$1.00. Guaranteed to cure or price refunded.

One of the wisest things said about race differences was the utterances of Parson Leak some time ago. He said: "Last year the white folks invested \$100,000 in cotton factories and the negroes invested \$10,000 in excursions." The excursion season is on again and that makes Parson Leak's remarks timely.—Raleigh News & Observer.

## To Make a Hitching Lot.

The Bostonian house at the rear of Gibson's drug store has been torn down and the owners of the property, the Cannon & Fetzter Co., will make a nice hitching lot of the property. This little house has been standing there for a number of years. There was a basement to the house where was also a flue and a fireplace to the chimney. Though the dwelling was only a story and a half high there were three fireplaces and a flue in the one chimney.

It is the intention that the sidewalk will be widened along there now to correspond with the pavement along the side of Gibson's drug store.

## A Change In Business.

Mr. Jay Harris, who has for some time filled a position as book-keeper at the store of the Cannon & Fetzter Co. has accepted a position in the Cabarrus Savings bank. C Leslie will be the cashier of the bank.

## NO CURE, NO PAY.

That is the way all druggists sell Grove's Tasteless Chill Tonic for chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults refer it to bitter, nauseating Tonics. Price, 50c.

## Would Not Suffer So Again for Fifty Times the Price.

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G H Wilson, Liveryman, Burgettstown, Washington Co., Pa. This remedy is for sale by M L Marsh & Co., druggist.

## Recruiting Easy.

Enough of the war spirit prevails in the American people that the terrible heat and hardships of the Philippines campaign do not deter. Recruits are gathered at the rate of one thousand per week dispatches say. There are five thousand at San Francisco awaiting transportation. The government seems to have no trouble in getting the recruits necessary.
