HIS FARMING REPORT.

The Figures of the Dry & Wadsworth Farm at the Fair Grounds—The Costs and the Profit Made on the Investment.

Our townsman, Mr. C. A. Dry, who never spends money without knowing where it is going, and who always wants to see the farmers prosper, has handed us his report of the wheat made at the Fair Grounds by being sown in wheat. We are all very glad to have Mr. Dry's annual report, both for its reading and for its profit which it may prove.

Following are the figures:

Plowing 14 acres at \$1 00 per acre	\$14.00
Manure	24.55
Seed	4.40
105 bushels of cotton seed at 10c. per bushel	10.50
11 1/2 loads of manure at \$1 per load	11.50
10 laborers at 60c.	6.00
Drilling in wheat	7.25
Harrowing	.65
One horse and wagon 6 days at 50c.	3.00
20 bushels of wheat at 80c.	16.00
Harvesting wheat	14.46
Threshing wheat	11.15
Hauling wheat to mill	2.00
	<hr/>
	\$125.46
By 242 1/2 bushels of wheat at 75c	\$181.87 1/2
By sowing	15.00
	<hr/>
	\$196.87 1/2
Expense of crop	125.54
	<hr/>
Profit on investment	71.33 1/2

It will be seen that Mr. Dry, has made 5 09 per acre on his investment. This year he made sixty one and one-half bushels more than he did last year. He expects to make three hundred bushels on the land next year, which can be made if he increases at the rate he did this year.

Now here is the point Mr. Dry wishes to make by his report. Land of this grade can be easily bought throughout our county by our farmers at \$15 per acre. Then at the rates this field this year yielded a farmer would pay for his land in three years. Another consideration is the fact that Mr. Dry hired his work done at the prices of teams here in town.

EXCURSION TO ASHEVILLE

Select Party—\$2.50 for Round Trip—For the Benefit of Mont Amoena Seminary.

On Thursday, July 6th, I will personally conduct an excursion to Asheville, the profits of which will go to Mont Amoena Female Seminary. The train will start from Concord at 7 a. m., returning the next day, leaving Asheville at 1 30 p. m. The excursion will take passengers from Concord, China Grove, Salisbury, Barber Junction and Cleveland. Positively only 280 tickets will be sold. These will be on sale at Cook & Foul, Mt. Pleasant; Dry & Miller, Concord; Patterson Manufacturing Co., China Grove, and O. M. & H. M. Brown, Salisbury. When all of the seats of the five cars are engaged by the sale of the 280 tickets, positively, not another ticket will be sold, as a select crowd is desired. The excursion is planned to secure a first-class party, and to derive as much pleasure from it as traveling on a regular train.

I have been to Asheville and have secured special favors from the livery stables and hotels. The beautiful Oaks hotel has given our party a rate of \$1 25 per day. Board may be had cheaper at the boarding houses. A card will be issued on the train giving addresses of the boarding houses, hotels and livery stables which give our party favors. Every arrangement has been made to make the excursion the most pleasant one possible. If you miss it, you miss an opportunity that seldom comes.

You are invited at once to secure your ticket for this select excursion. You help a good cause by so doing. You can not take advantage of this excursion after all the tickets have been sold. Therefore, secure at once your ticket. Respectfully,
Henderson N. Miller,
President, Mont Amoena Female Seminary, Mt. Pleasant, N. C.

Beats the Klondike.
Mr. A. O. Thomas, of Marysville Tex., has found a more valuable discovery than has yet been made in the Klondike. For years he suffered untold agony from consumption, accompanied by hemorrhages; and was absolutely cured by Dr. King's New Discovery for Consumption, Coughs and Colds. He declares that gold is of little value in comparison with this marvelous cure; would have it, even if it cost a hundred dollars a bottle. Asthma, Bronchitis and all throat and lung affections are positively cured by Dr. King's New Discovery for Consumption. Trial bottles free at P. B. Fetzer's drug store. Regular size 50 cents and \$1.00. Guaranteed to cure or price refunded.

At Central M. E. Church Tomorrow.
Tomorrow morning at 11 o'clock Rev. G. H. Dstwiler, of Gastonia, will deliver the annual sermon before the Woman's Missionary conference. An excellent program of music has been arranged for the occasion.

Yellow Jaundice Cured.
Suffering humanity should be supplied with every means possible for its relief. It is with pleasure we publish the following: "This is to certify that I was a terrible sufferer from Yellow Jaundice for over six months, and was treated by some of the best physicians in our city and to no avail. Dr. Bell, our druggist, recommended Electric Bitters; and after taking two bottles I was entirely cured. I now take great pleasure in recommending them to any person suffering from this terrible malady. I am gratefully yours, M. A. Hogarty, Lexington, Ky." Sold by P. B. Fetzer's Drug store.
