### THE VANCE MONUMENT.

A Model Selected—To Be Unveiled Next May—To Cost \$7,000.

The Legislature appropriated \$5,000 for a monument to be erected on the Capitol square in Raleigh to the memory of Zebulon B. Vance. The Vance Memorial Association has added \$2,000 to the fund. Ten models by nine sculptors were presented to the committee last Thursday and it made a selection of the one presented by H. J. Ellicott, of Washington. The Raleigh News and Observer says:

"The statue is to be of United States standard bronze, eight feet six inches high. The pedestal will be of North Carolina granite, seven feet six inches high. This Great Commoner is represented as standing with his left hand on a pedestal, on which is draped a North Carolina flag. His right hand, half extended, is in its characteristic attitude when speaking. Between the thumb and his first finger is held a pair of glasses, as was his habit:

"The pose of the body is erect, but restless, standing with his feet well under him. He is dressed in a Prince Albert coat, close buttoned. This is the garment he always wore in his later years. He wears a high collar with fallen ends and a broad flat tie.

"The whole effect of the statue is remarkably life-like and characteristic of this great man in the last years of his life. Mrs. Vance saw the model before it was sent here and pronounced the pose and the likeness perfect.

"Though the details as to the pedestal have not yet been determined upon, it will be of North Carolina pink granite, probably from the Iredell mines. On four sides of it, in bold relief, will be a torch and a wreath bound together by a broad Roman band. One these bands it is proposed to put the words: "Vance," "Citizen," "Soldier," "Statesman." One word on each band.

"The monument is to be completed, erected in the square and ready for unveiling by May 1st, 1900. It will cost \$7,000, and is to be situated between the capitol and the east entrance to the square, about two-thirds of the distance from the building.

"Though the monument will not be unveiled until next May it will be completed and ready to be put up by New Year's. The artist, Mr. Ellicott, says he can deliver it within six months."

The Durham Sun says one Nippers or Tippers, a white man has been hanging around imposing on the generous with a tale of woe. Superintendent Benfield can entertain him. We still have plenty of road work for him.

### A SECOND VICTORY GAINED.

The Kings Mountain Team Found Lacking in the Second Game As Well As the First—They Lost in a Score of 5 to 1.

It was feared by some that our team would fall when it faced the Mountain Island boys but there was no foundation for the belief, judging from the games of Thursday and Friday.

By the aid of Charlotte players the Mountain boys tried hard to win in the game Friday but went down without scoring but one run, which was barely made by an error and a two-bagger.

Oldham, Wade, pitched on our team and LeGrande caught. The opponents' battery was Stewart and Scott. Our boys scored one run in the first inning, two in the fourth and two in the eighth.

Our boys returned home Friday evening with the exception of "Bill Dee," (LeGrande) who signed to catch for the Charlotte boys in their game against the Mountain Island team.

Not many errors were made by either team and upon the whole it was a very good game to witness.

### THE TIDE TURNS.

Peter Fink Obtains License to Marry Minnie Lee—The Suit Is Pending Action in Court and the Couple Marries.

It will be remembered that about two or three months ago a man named Simon Peter Fink was arrested in Charlotte and brought here for trial on the charge of abduction of Minnie Lee, the daughter of Mr. W. T. Lee, of Harrisburg. The case was tried and Peter secured a bondsman until this coming term of court when he will be tried. It was then claimed that the girl was not fourteen years of age.

But, regardless of all this trouble that is pending, Peter Fink secured license today (Saturday) from Register Johnson to marry this girl, Minnie Lee. The applicant for license stated that it was satisfactory with the girl's father but Mr. Johnson didn't issue them until he received a written statement. The girl's age was given in as 15 years.

This marriage will very probably put a quietus on the case.

### Four Sets of Twins Dine Together.

Strange to say, a dinner was given Friday in which four sets of twins took part. It was a dinner only for these personages. The dinner was given by Mrs. Willeford on West Depot street and those who took part were the two sets of twins of Mr. and Mrs. Geo. E. Fisher, George and Annie, and Ophelia and Jesse, the two sons of Mrs. Wm. Elliott, James and Willie, together with Hinton and Miss Lizzie Willeford. It was a nice gathering and one out of the ordinary manner.

Mr. T. E. Wright, of Chester, S. C., says the Observer, shot himself through the brain at the Charlotte Hotel Friday afternoon about 5 o'clock and died at nearly 9 o'clock that night.

The unfortunate man had financial troubles and had been indulging in drink. He left no message but was heard to say some days ago that life was not worth living.

Would Not Suffer So Again for Fifty Times the Price.

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G. H. Wilson, Liveryman, Burgettstown, Washington Co., Pa. This remedy is for sale by J. L. F. & Co., druggist.
