VISITORS DEFEATED.

Concord Again Victorious In a Score of 12 to 4—A Good Game, But Not Without Errors—Features.

The game between Kings Mountain and the home team Tuesday afternoon was a walk-over for our boys from the start, having scored five runs in the first inning—on errors. That was unfortunate, of course, for the visitors, but they bore up under it well, and held our boys a tight game until the ninth, when they tallied 1, 2, 3, 4.

Davis, Kings Mountain's pitcher, had good speed, but the cleverness of our boys soon found him, and during the game landed fifteen hits, while Weddington of the home team let them pelt him for five hits.

The game was won on fumbles and errors, together with the persuasion of the immense audience in the grandstand and the bleachers. The visitors were apparently timid at the beginning but soon gingered up to good playing pitch. Kings Mountain had 6 errors to her credit while Concord made 4.

Weddington struck out only 4 men, while Davis, his opponent, saw him and raised him one, having seated 5. The score by innings was:

Concord - 5 0 1 0 1 0 1 0 4—12
Kings Mt'n. 0 0 2 0 0 1 1 0—4

Johnnie Ferguson, the thinnest man on the visiting team, was the only one to make a home run, having landed the ball over the fence in the third inning. Two men scored.

Billy LeGrand played a beautiful game of ball on second and simply carried the grandstand with his every movement.

Miller, the countryman, appeared rather stiff, but will be placed in the box this afternoon.

Caldwell made the only double play and of course the spectators cheered.

All in all it was a fairly good game and a large crowd will greet them this afternoon.

Cider Selling Being Tested.

For some time past the question of whether or not apricot and other ciders are intoxicating has been agitated and discussed by some of our citizens, and on Tuesday night merchants John A. Cline and D. C. Furr, both of Forest Hill, were before Mayor Means, and were given a hearing in the matter. Mr. Cline was bound over till court for selling the stuff. Mr. Furr was put under a \$50 bond for his appearance on Friday next. In the meantime the technicalities of the law will be looked up.

Will Get Consolation Here.

Poor Statesville! It is really too bad that this distinguished and excellent ball team should meet defeat by that team at Mountain Island, and in the city of Charlotte, at that. Our boys are in sympathy with the Statesville boys and will endeavor to impart to them some consolation on Tuesday and Wednesday of next week when they will meet on the Concord diamond.

Statesville was defeated by Mountain Island in Tuesday's game by a score of 9 to 2.

A Card of Thanks.

I wish to say that I feel under lasting obligations for what Chamberlain's Cough remedy has done for our family. We have used it in so many cases of coughs, lung troubles and whooping cough, and it has always given the most perfect satisfaction, we feel greatly indebted to the manufacturers of this remedy and wish them to please accept our hearty thanks.—Respectfully, Mrs. S. Doty, Des Moines, Iowa. For sale by M. L. Marsh & Co., druggist.

MR. MARTIN CLINE DEAD.

Typhoid Fever Takes an Unexpected Turn—Leaves Wife and Three Children.

The very sad news comes that Mr. Martin L. Cline, of near St. John's church, died at an early hour on this (Wednesday) morning.

He had been sick for about two weeks of a mild case of typhoid fever and was not thought to be dangerous, but shortly before he died that dread of the malady, intestinal ulceration and rupture, occurred and death resulted quickly.

Mr. Cline was 40 years of age. From youth up he was more than ordinarily noble and exemplary in character. He was a deacon in his church and a pillar of strength to his pastor.

He married Miss Victoria J. Fisher, whom he leaves with three children deprived of a husband and father who was noted for his tenderness and affection for his family, for whom he was doing well in providing all that industry and frugality secures.

The funeral services will be conducted at 10:30 o'clock Thursday at St. John's church by his pastor, Rev. S. D. Steffey.

Our deepest sympathy and condolence are tendered the most excellent wife and the dear children, together with his aged parents, Mr. and Mrs. A. Cline and sisters and brothers, one of whom is our townsman, Mr. J. Ed. Cline.

None but the Omniscient can see wisdom and goodness in the death of one with so much power for good in life whose allotted years he has but half attained.

A Request By The Ladies.

A bevy of Concord's most charming ladies and who are regular attendants at all the baseball games, seized the reporter by one ear this morning and petitioned him to request the men and boys not to expectorate on the benches at the ball ground.

We are quite sure that those who do such will adhere to this appeal, if for no other reason, they fear the ladies will take the matter in hands and induce the city fathers to deny them the privilege of spitting even on the sidewalks, like they do in other prominent cities.

Soiled a Pretty Suit.

Mr. Hastings, a drummer, was so thoughtless as to lean against one of the freshly painted lamp posts at the station and soil a real pretty light suit of clothes. The posts had just received a coat of paint and the people walking along in front of the waiting room were warned not to come in contact with them. Mr. Hastings, however, did not heed.

CURE A COLD IN ONE DAY

Take Laxative Bromo Quinine Tablets. All druggists refund money if it fails to cure. 25c. The genuine has L. B. Q. on each tablet.

Felling Trees.

Herbert Smith has his street force at work on West Depot street, and has built a continuous sidewalk from the beginning of the Wagner property at the depot on up town. The trees that stood just on the outside the fence at Scotia seminary, have been felled and cleared away. The change presents quite an odd appearance.

THE BEST PRESCRIPTION FOR CHILLS

and fever is a bottle of Grove's Tasteless Chill Tonic. Never fails to cure; Then why experiment with worthless imitations? Price 50 cents. Your money back if it fails to cure.

MATRIMONIAL TRADE WIND.

Brief Is In It and Takes a Picnic Between Blasts

Written for The Standard.

Brief, July 17.—A picnic is booked for Long & Son's mill on July 29th. The public is cordially invited to bring their baskets and attend. A full-grown enjoyable occasion is anticipated.

One marriage recently; three more to occur soon, and exceedingly fair promises of another. Indeed we can not say how far the process may be prolonged, if the "available supply" of girls do not become exhausted. A veritable matrimonial "trade wind" is prevailing.

A FLEEING CONVICT SHOT.

Eleven Squirrel Shot in His Body—Put There By a Guard.

Aaron Belk, a negro convict who was recently sentenced to 30 days on the chain gang for violating the law prohibiting the beating of railway trains, was brought to jail Tuesday afternoon in the county ambulance with a load of squirrel shot in his back.

About 3.30 o'clock the man attempted to escape by making a dash into the bushes. He was headed off, however, by Superintendent Benfield. Guard Frank Smith was on the watch and when the negro reappeared, Smith called to him to halt. The negro faced about and told the guard to step to—"over the river;" and started on his way to liberty, whereupon Smith leveled his gun "and then pulled the trigger; shang-bang went the gun, and down came a nigger," the barrel emptied carrying a load of eleven shot into his body. The negro fell upon his face, but soon rallied. Dr. Young relieved the body of one shot only, but the fellow is now doing very well, and it is thought he will survive.

NO CURE, NO PAY.

That is the way all druggists sell Grove's Tasteless Chill Tonic for chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults refer to it as bitter, nauseating Tonic. Price, 50c.

Cheap Rate to Greensboro.

On account of Gala Week, the Southern Railway has offered special rates to those wishing to help celebrate that great event. A good crowd will probably go from this city. The fare for round trip during the special days is only \$1.70. For other rates see fourth page.

Beats the Klondike.

Mr. A. C. Thomas, of Marysville Tex., has found a more valuable discovery than has yet been made in the Klondike. He declares that gold is of little value in comparison with this marvelous cure; would have it, even if it cost a hundred dollars a bottle. Asthma, Bronchitis and all throat and lung affections are positively cured by Dr. King's New Discovery for Consumption. Trial bottles free at P. B. Fetzer's drug store. Regular size 50 cents and \$1.00. Guaranteed to cure or price refunded.

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first that it was a slight strain and would soon be well, but it grew worse and the doctor then said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a 50-cent bottle cured me entirely. I now recommend it to all my friends.—F. A. Babcock, Erie, Pa. It is for sale by M. L. Marsh & Co., druggist.
