THE SECOND GAME.

Kings Mountain Paled Before Our Boys As the Stars Before the Sun—Score 15 to 2.

The ball game between Kings Mountain and Concord Wednesday afternoon was decidedly the weakest effort of any game that has been played on our diamond this season. However, the visiting boys struggled through to the last, hoping that some turn of luck would land one or more men over the home plate—but alas! they paled before our boys as the stars before the sun.

Kings Mountain scored one run in the first inning on errors, but their hopes faded into insignificance when our boys piled up eight runs against them. Shuford was an easy victim for our boys and they knocked him all to pieces from the beginning.

Miller and Graves did the battery work for the home team, and the easy delivery and graceful movements of Miller elicited great applause. His work was amazing to the men against him.

LeGrand was conspicuous for his excellent work on second. He's a winner at all times.

Reed has no peer as a first baseman, and his playing is always appreciated.

Caldwell at short stop and Fisher on third were on their metal and held their good reputation at par, or above.

Mangum, Card and Dr. Paul Caldwell did what little outfielding there was to do exceptionally well and won fresh admiration from the spectators.

Kings Mountain made one double play on second in the fifth inning, which was the only feature worthy of special mention from that side. The boys were genteel in their manners and everything passed off pleasantly.

Wyatt, the catcher, was overcome towards the last of the game and was relieved by the star, Johnnie Ferguson.

Mr. McInnis, of Kings Mountain, umpired the game and was fair and positive in his decisions.

Following is the score by innings:

Concord - - 8 0 3 0 0 2 2 0 x—15
Kings Mt'n. 1 1 0 0 0 0 0 0—2

Batteries: Concord, Miller and Graves; Kings Mountain, Shuford, Wyatt and Ferguson.

Struck out, Miller 9, Shuford 0; bases on balls, Miller 1, Shuford 3; earned runs, Concord 10; Kings Mountain, 0; three base hits, Dr. Caldwell and W. P. LeGrande; two base hits, Card, LeGrande, Graves, Caldwell, G., Fisher, of Concord, and Ragan, of Kings Mountain. Time of game 1:59. Mr. Will Johnston scored.

Sensational Durham.

A correspondent to the Charlotte Observer writes the following from Durham:

A deaf mute, C. C. Martin, has been arrested upon the charge of seduction under promise of marriage. The young lady in question sues for \$10,000 for breach of marriage contract. She is Miss Ella Fuqua, also a deaf mute. Martin's home is at Rutherford. He was employed here in the Durham Hosiery Mill. He is out on \$1,500 bond. He is in the custody of Sheriff Markham, but has not been placed in jail. Martin denies his guilt so far as seduction is concerned, but says he did promise to marry the girl on condition that she should go to school two more years. This she promised to do, but failed to carry out the promise.

A few days ago a well-known railroad man parted from his wife under sensational circumstances and now it is said that divorce proceedings will be the next move. A well-known young business man is named as co-respondent in the case.

Will Assist Charlotte.

Billy LeGrand and Dolph Mangum have gone over to assist Charlotte in a game with King's Mountain today and will go with them to Statesville tomorrow. Reed will join them at Statesville tomorrow, and what they will do for their antagonists will be a p. These men are with glory when in their own country, but from past experience they get little or no credit for what they do when assisting outsiders.

Messrs. Card, Caldwell, Reed and Graves accompanied the King's Mountain ball team to Charlotte this morning and will assist them in the game this afternoon.

REV. HOGE CALLED TO WILMINGTON

He Has Made a Good Impression There In a Protracted Meeting.

The Wilmington Star has the following:

"At a conference of the members of the Southside Baptist church held Sunday, the clerk of the church was instructed to extend to Rev. B. Lacy Hoge, of Concord, N. C., a unanimous call to the pastorate of that congregation, his acceptance to take effect October 1st.

"Rev. Mr. Hoge at present has a very flourishing church at Concord, but it is very probable that he will accept the call from the Southside congregation. He has just closed a very successful meeting at this church, and the congregation feel especially endeared to himself and wife for the faithful work done in this direction.

"At the meeting Sunday the hand of fellowship was extended to twenty-eight new members of the church as the result of this meeting, referred to."

Are You Among Them?

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first that it was a slight strain and would soon be well, but it grew worse and the doctor then said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a 50-cent bottle cured me entirely. I now recommend it to all my friends.—F. A. Babcock, Erie, Pa. It is for sale by M. L. Marsh & Co., druggist.
