### TOMORROW AFTERNOON.

**Statesville to Send a Good Delegation Here Tomorrow to Help Out Their Boys—A Two Days Tussle On the Diamond.**

Tomorrow afternoon our people will turn out to the Miller Park to witness the combat of our boys with the boys from Statesville. This promises to be some of the hottest base ball we have had and besides our boys are aching to face their opponents as the last time they met neither side gained the victory.

There is no doubt but that Statesville will bring a good team tomorrow, and they have been going against some good teams this season. Malone and Fox will pitch for them, while the box for our side will be occupied by Weddington and Lattimer.

### The Negro Taken from Albemarle.

The negro, Henry Hyatt, who was last Friday captured and on Saturday morning lodged in jail for the assault on a small girl at that place, is now in other quarters than in the Albemarle jail. Trouble was feared Saturday and he was taken away from there and is now behind other bars, where the public does not know. The negro was taken out of the jail in daylight but in such a way that the people knew nothing of it, even the sheriff and his deputies having been on the streets at the time of the riding of the jail. A crowd assembled on Saturday night there but in vain for Henry Hyatt was many miles from there in safe hands.

### Mr. T. H. Cook Resigns.

It will be a surprise to a number of our readers to know that Mr. Thos. H. Cook, who for quite a long time has had charge of the carding department in the Odell mills has resigned his position, the same having taken effect last Saturday evening. Mr. Cook is yet undecided as to what position he will take but will continue in the mill work after enjoying a vacation. We hope that in the consideration of a position Concord will not lose Mr. Cook and family from our town.

### A Fortunate Find.

On Saturday, the 15th, Mr. M. A. Boger, of No. 10 township, lost his large gold medal which he received at North Carolina college a number of years ago. He thought that he lost it in the rear of the Cannon & Fetzer Co. store but several days after that it was found out on the streets in front of the store. Mr. Boger had scarcely any hope of ever seeing his prize again but good fortune came his way.

### A Young Lady Dead at Forest Hill.

On last Saturday a young lady of about eighteen years of age died at Forest Hill. She was Miss Sallie Sloop, the daughter of Mr. J. G. Sloop. She died of consumption. The body was interred near China Grove Sunday after the preaching of the funeral at Luther's chapel.

### Mrs. Hoyle Dead.

Mrs. R. S. Young and Miss Lizzie Young spent Sunday in Charlotte having gone to attend the funeral of Mrs. Elizabeth Hoyle, an aged lady who died at the home of Mrs. S. V. Young. The body was taken to Beatty's Ford for burial, which place was her former home.

### THE BEST PRESCRIPTION FOR CHILLS

and fever is a bottle of Grove's Tasteless Chill Tonic. Never fails to cure; Then why experiment with worthless imitations? Price 50 cents. Your money back if it fails to cure.

### COURT POSTPONED.

**On Account of a Very Important Civil Case at Asheboro Judge Robinson Is Detained—Court Opened in the Usual Form and According to the Law in Such Cases.**

Something unusual occurred here today (Monday) when the crowds of people of our county had assembled at the court house with the expectation of attending court, and found that there would be no court until Wednesday morning.

Sheriff Peck, in the regular form, opened the court, having made his announcement from the court house steps. A telegram was received from Judge Robinson last Saturday evening stating that on account of a very important civil case at the Asheboro court, he would not be able to reach here before Wednesday morning.

Nevertheless, the sheriff opened and adjourned court until Tuesday morning, as this is the necessary legal form in such cases. The jurors and witnesses prove their tickets for their attendance the same as if court was in progress, and while there is no need of them being here on Tuesday still it is their duty to be here subject to a call on that day.

### From the Buffalo Mills.

B. L. Still, boss carder and spinner at Buffalo Mill, Concord, N. C., took a vacation this week, spending it mostly at his home at Greenwood, S. C., where his parents live. He was to be joined at Greenville by his Supt., Robbins, they together taking in many mills through that region. The Buffalo mill stopping for 10 days to put in the Hawley-Down draft furnace gives them this opportunity.—Textile Excelsior.

### Is It True?

The following news, which we suppose is true, comes from the Textile Excelsior in regard to a bright young man who is known by our people here:

"Supt. C. M. Cooke of the Southern Cotton Mills, Bessemer City, N. C., has nearly finished a pretty 8-room residence for himself. He will not occupy it in bachelor solitude, a young lady in Eastern Carolina having promised to become Mrs. Cooke in October."

### Clarence Ledbetter in Texas.

Mr. Clarence Ledbetter, the young man who some months ago had a difficulty at Mt. Pleasant with another one of the students of the college, is now in Texas. He failed to be here to attend the trial at court. His father informs us that he is very bad off with rheumatism.

### The Nice Rain Missed Us.

On Sunday afternoon several parts of the county were visited by a nice rain but our lot was only a layer of the dust. At China Grove they had a nice rain, the water having run in the ditches considerably.

### INCREASING FAITH.

**The Alliance to Meet There and have a Big Day—More Building Going On in the Village.**

Written for The Standard.

Faith, July 22.—There is more demand for the Rowan county granite than was ever known before. Everybody here who works in granite is filled up full of work.

Lumber is being hauled on the ground for a large new Lutheran church. Several teams are now at work hauling logs to the saw mill and lumber on the church lot.

The Reformed people have their large church up.

The Baptists have a revival meeting going on here under a large gospel tent. Rev. J. N. Stallings and Rev. G. T. Finch are conducting the meetings. Large crowds of people attend. They will build a church here later on for their congregation.

On the 28 and 29 of July we expect to see several thousands of people here, as the Rowan County Alliance will be in session, and on Saturday will be the big day. The Ladies Aid Society will have ice cream and other refreshments on the Lutheran church lot to help raise funds for helping to build the Lutheran church. On Saturday from 1 p. m. to 8 p. m. everybody is invited to come out.

J. T. Wyatt has been awarded the contract to get out the large engine beds that go to Chapel Hill, N. C.

Two houses, two stories high, are going up now. Faith is growing rapidly.

### Mr. Wash Brawley Killed.

On last Saturday Mr. Wash Brawley, who lives a few miles from Mooresville, met his death by his team running away with a load of wood on the wagon. The entire load went over his stomach and he only lived a short while. He leaves a wife and four children. His wife reached him before he died.

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first that it was a slight strain and would soon be well, but it grew worse and the doctor then said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a 50-cent bottle cured me entirely. I now recommend it to all my friends.—F A Babcock, Erie, Pa. It is for sale by M L Marsh & Co., druggist.
