FIVE ARE DEAD.

Georgia Ridding the Earth of a Band of Negro Robbers and Rapists.

The Georgia people are making a clean sweep of the wretches that committed the barbarous deed at Saffold. Charles Mack and Louis Sammon are the brutes that did the foul deed. Sammon confessed to the crime and besides saying that he and Mack had both outraged Mrs. Ogetree said that six others of their gang of robbers were keeping watch while they were committing the crimes. The names were given and Sammon was hung up and riddled with bullets. Four more were run down and shot or hanged. Mock was caught and held to make a double lynching this (Tuesday) morning as soon as another of the gang can be gotten to him so as to have a double lynching.

Thus five are dead with the entire probability that the number is seven, leaving one of the gang that will stand a narrow chance of escape.

It does not appear to be a repetition of the Sam Hose affair in extremity but a short and determined administration of lynch law. Two were shot while running and their scalps taken which, of course, approaches the savage Indian method.

There seems little room to doubt that the guilty only are the victims.

The Gypsies Are Here.

As is always the case the horse-swappers struck town Monday to get in their work during the holding of our county court. This week the Gypsies paid us a visit. The town is always on the lookout for its part of the money when horse-swappers strike town and so our tax collector laid in his complaints. Rather than pay the tax necessary for this line of business they left town and took their abode just a short distance out of town in the direction of the ice factory. Some others, not Gypsies, did the same way to avoid the tax.

The tax for a gang of horse-swappers as these are taxed ten dollars, which gives them the privilege for one year. By this tax our back lots are very often ridden of a crowd not to be desired, though very often crowds do not pay their taxes as they can not avail themselves of this trade any more during this year as they never turn back.

A Young Lady at Cannonville Dead.

At the home of Mr. and Mrs. Daniel A. Lipe, of Cannonville, all is sadness and grief from the loss of Lizzie, their eighteen year old daughter, who died at an early hour today (Tuesday) of consumption, after lingering ever since about the first of May. She was a member of Salem church in Stanly county, in which community she has numbers of relatives and friends. The remains will be taken there Wednesday morning for burial.

To Entertain Them Tonight.

The Statesville boys will be taken in hand by our people and given an enjoyable occasion tonight in the club rooms, the New South Club and the Baseball Association being the entertainers. The lady friends of the club are especially invited to take part. The german will be the main feature of the evening.

THE BAND RE-ENLISTS.

Jay Sims to Be in the Twenty-Ninth Infantry With the Rank of a Sergeant—Will Go to Fort McPherson—Nearly All the Band Will Go Back in Service.

A telegram was received here Monday from Jay Sims at Asheville by his parents asking them to send him his discharge papers. The papers have been sent and this means that Jay Sims will again be in the army service in one of the bands.

He writes that the First North Carolina regiment band which is now stationed in Asheville will re-enlist in service and will be in the Twenty-Ninth Infantry, which is the same regiment in which our townsman, Mr. Edward Hill, is. Almost every member of the band will re-enlist, with the exception of about three. They will go to Fort McPherson to re-organize. Jay Sims will be given the rank of Sergeant, which means about double the pay of a private. He has already stood his physical examination in Asheville and stood the best of examination.

The band plays in Greensboro on the 1st, 2nd, 3rd and 4th of August for the gala week and plays on the 5th at Hillsboro. Jay expects to come home after playing at these places.

The Asheville Citizen of Monday has the following:

"It is regarded probable that Director Coe and several members of the First regiment band will re-enlist for army service with Lieutenant Patterson of the Twenty-Ninth Infantry. If they should do so they will remain here until about August 15, going hence to Fort McPherson, Ga., and remaining there until the regiment has been recruited to the required strength.

Mr. Robinson Robbed.

Mr. W. W. Robinson, formerly of Poplar Tent, who is traveling for a silver-plating house of Salisbury, returned from Mt. Holly Sunday, with collections amounting to \$21.80 in his pockets. He occupied a ground floor room at Col. Chas. W. Bradshaw's boarding house, Sunday night, and when he waked Monday he found the window blinds open and his trousers on the window sill. His cash was gone. A couple of express receipts were found where they had been thrown away by the robbers. Mr. Robinson thinks he was robbed by a party who followed him from Mt. Holly. The police are working on the case.—Charlotte Observer.

STATESVILLE HERE.

A Good Delegation Accompanies the Statesville Team to Lend Them Aid From the Grandstand.

The baseball mania has this year found a solace amongst the Statesville people as well as with Concord, and when the Iredell boys leave town the baseball enthusiasts are not left behind. The weather has been so uncertain all day and even before press time this afternoon that a game could not be assured but if there is a shadow of a chance they'll get together.

They fell in line like this: Eugene Morrison 1b, Zeb Yount 2b, Jno. Fox cf, J. W. Day p, Bob Waites c, W. E. Nattress ss, A. Turner lf, J. Stephany rf, Clyde Turner 3b, J. Turner, sub. Mr. Eugene Morrison holds the captainship while the management of the team is in the hands of Mr. E. Clarke. Mr. A. W. Malone is along with the team but did not take a position on the line-up this afternoon.

In addition to the team the following persons brought up the rear: R. O. Hearnin, R. B. Cochrane, J. F. Gamble, C. B. Webb, T. J. Rowland, Joe Harbin and last but not least C. W. Boshamer.

One Drunk Man.

This morning a white man was seen about the depot in a state of intoxication. He was watched closely to see that he in no way violated the law, but Policeman Goldston caught him getting on the train where one generally beats his fare. He pulled him off of the train and by the aid of two others he was lodged in jail. He is a stranger here and judging from his language he must be well acquainted with Charlotte. He was too drunk to stand trial but will be attended to as soon as sober.

Miss Hattie Mehaffey, who has typhoid fever, is thought to be better today, as is also the condition of Miss Edna Pitts, who has the same disease. Mr. Frank McGraw is gradually recovering from his attack of sickness.

Science And Industry.

Our earth grows heavier every day by possibly one hundred tons, making a liberal estimate of the amount of matter received from meteors and shooting stars. At all times the earth's atmosphere acts as a net catching shooting stars that are crossing the path. These stars vary in size from a grain of matter to a large sized rock.—Ex.

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first that it was a slight strain and would soon be well, but it grew worse and the doctor then said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a 50-cent bottle cured me entirely. I now recommend it to all my friends.—F. A. Babcock, Erie, Pa. It is for sale by M. L. Marsh & Co., druggist.
