THE SUSPENSE BROKEN.

The Superior Court in Session---Work Being Turned off as Rapidly as Possible---Cases Disposed of so Far.

The suspense is broken and the wheels of justice are now moving along as rapidly as possible. Judge W. S. O'B. Robinson, of Goldsboro, arrived from Asheboro Thursday night. On account of the delay court opened at 9:30 o'clock and every bit of time possible will be utilized.

The first impressions of his Honor were when he delivered his charge to the grand jury, before they start upon their work for the better keeping of the laws of our State. His charge was, plain forceful and pointed, and was directed to the following good citizens of our county: Wm. Propst, J. D. Green, Jno. D. Bost, Jno. S. Hill, Jno. W. Cook, Jacob R. Barnhardt, F. P. Smith, J. M. Sifford, Paul Eudy, Jno. R. Patterson, G. R. Winecoff, C. A. Isenhour, J. C. Johnston, W. F. Goodman, J. Ed. Cline, A. J. Winecoff, G. T. Beaver and Jno. M. Klutz. Mr. Wm. Propst was selected as the foreman.

State vs. Jno. L. Bost, carrying concealed weapon, plead guilty and judgement suspended on payment of the costs.

State vs. Buck Harris, affray. Verdict of not guilty.

State vs. Croff Propst, assault with deadly weapon, plead guilty and judgement suspended on payment of the costs.

State vs. Chas. Moore, assault with deadly weapon. Judgement ment suspended on payment of the costs.

State vs. Will Hearne and Marshall Hearne, affray. Judgement suspended on payment of the costs.

A large part of the time is being taken up on the case wherein Nathaniel Fulham is being tried for shooting Jno. Holdbrooks, which affair happened last Christmas in No. 3 township.

Challenges the Whole State.

That is certainly an open challenge issued by the manager of the Union, S. C., baseball team, which appears in the Observer and reads as follows:

"This defy is aimed at the State of North Carolina: By defeating Piedmont 5 out of 9 games, the Union baseball club has earned the undoubted right to claim the championship of South Carolina. We are in the position of our friend, Alexander—we sigh for more States to conquer. We challenge the State of North Carolina to a series of three or five games, to be played in Charlotte during the week ending August 12th. If neither Charlotte, nor Mountain Island, nor Concord, nor Statesville, feel equal to the task of taking up the gauntlet single handed, we propose that they all combine, take the pick of all, make a team of them and let such team represent the State of North Carolina. We will play for money or marbles.

Very respectfully,
A. C. MILLER,
Manager Union B. B. C.

THE TABLES TURNED.

A Young White Man Attempts a Foul Crime on a Negro Girl Near China Grove---Goes to Jail at Salisbury.

We learn by phone message from China Grove that Floyd Utly, a white boy of 18 years, son of William Utley, attempted foul assault on a negro girl on Thursday evening about a mile north of China Grove. Young Utley was arraigned before Esquire Sifford this (Friday) morning and was bound in bond of \$400 for his appearance at court.

The young man being unable to give bond was taken to Salisbury jail.

Charlotte Is Now Ticked.

That was a great day for Charlotte Thursday when they met the Mountain Island team and defeated them in a score of 7 to 3. It was a day long to be remembered by them, too. Rogers and LeGrande, of our team, assisted by seven from Charlotte, composed the Charlotte team. Of the former's playing, the Observer says: "Rogers (F. O.) one of Concord's noted run-getters, covered centre field for Charlotte, and did it in great shape."

If Charlotte beats Mountain Island in a score of 7 to 3, and Concord beats Charlotte in a score of 7 to 0, what do you infer? Remember we did not have all of our team on duty when Charlotte beat us in that score of 8 to 6—we were short Rogers, Graves, Lattimer and Fisher.

Stanly News of Interest.

The following concerning us appears in the Stanly Enterprise:

Capt. Howard will have charge of placing all the frames and wood work on the new addition to the Cannon factory in Concord.

Mr. J. W. Hawks, formerly spinner at the Efrid cotton mill, is not dead as was reported in these columns some time since, but is very much alive, and has accepted a position as night overseer of spinning at the Cabarrus Mills, Concord.

Mrs. Joel Honeycutt Dead.

News comes to us of the death of Mrs. Honeycutt, the wife of Mr. Joel Honeycutt, of Mt. Pleasant. For some time she has been sick with fever. A devoted husband and several children are robbed of this member of the home. The remains were interred at Bear Creek church after the conducting of the funeral by Rev. Paul Baringer.

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first that it was a slight strain and would soon be well, but it grew worse and the doctor then said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a 50-cent bottle cured me entirely. I now recommend it to all my friends.—F. A. Babcock, Erie, Pa. It is for sale by M. L. Marsh & Co., druggist.

If troubled with rheumatism, give Chamberlain's Pain-Balm a trial. It will not cost you a cent if it does no good. One application will relieve the pain. It also cures sprains and bruises in one-third the time required by any other treatment. Cuts, burns, frostbites, quinsy, pains in the side and chest, glandular and other swellings are quickly cured by applying it. Every bottle warranted. Price, 25 and 50 cts.—M. L. Marsh & Co.

ANOTHER BATTLE REPORTED.

Victory Said to Have Been Gained at Calamba.

Another victory for our troops is reported from the Philippines. It was Gen. Hall who defeated the Filipinos at Calamba on Wednesday. It seems a desirable point and was taken by a strategic movement. About 70 Spanish prisoners were held here and 40 were gotten off but our troops released 30 and brought them to Manila.

The American loss was four killed and eleven wounded. The enemy is said to have removed twenty-five of their killed and wounded.

This report is not official from Gen. Otis but if it were it would seem to amount to little if he perverts and falsifies the news as is said by the newspaper correspondents. We can only give it as stated in dispatches.

The Counterfeiters Caught.

Several weeks ago United States Commissioner Maxwell learned that there was a gang of counterfeiters in the city. He reported the fact to the Secret Service agent of the Treasury Department at Washington, who has had agents here working up the case. The result of their work was that they last night bagged the game. The parties, all white, are:

Mrs. C. R. Bradwell and daughter, Mrs. L. Eva Ozment, and J. E. Talley, A. W. Edwards and J. R. Maynard. Four of the number were arrested at Mrs. Bradwell's, near theingham Mill. Maynard was arrested on South Graham street. The whole gang was taken to the Federal Court room, where impromptu court was in session until 1:30 this morning. The men were sent to jail in default of \$500 bond each. The women were allowed to stay in the Federal Court room under guard. District Attorney Holton was wired last night of the arrest of the counterfeiters and asked to be here at the trial, which takes place at 2 o'clock in the Federal Court room. A ladle and 32 counterfeit coins were found in Mrs. Bradwell's house.—Charlotte Observer.

Editor Varner Has Returned.

H. B. Varner, editor of the Lexington Dispatch, has returned to his home after attending the National Association of Editors, which met in Portland, Oregon. He was given a delightful trip by the different railroad companies by way of Washington, Pittsburg and Chicago. Mr. Varner was elected one of the members of the National executive committee. The association meets next year at New Orleans and an excursion has already been planned for the attendants to Cuba and Porto Rico.

Has Purchased One of Them.

Register of Deeds Turner has purchased a comptometer at a cost of \$125, and is making his tax additions with it. The machine is accurate and additions can be made very rapidly with it. It will also multiply, divide, subtract and count interest.—Statesville Mascot.
