A CHANGE OF SUPERINTENDENTS.

Mr. J. C. Mathes, of Durham, to Fill the Vacancy Caused By Mr. L. D. Duval's Resignation—Mr. Chas. W. Suther to Fill the Position at the Cabarrus Mill.

As previously noted Mr. L. D. Duval has resigned as superintendent of the Cannon mill, which resignation will take effect about the first of September.

Mr. J. C. Mathes, of Durham, who is at present superintendent of a mill there, has sent in his resignation at that place and will fill the position here made vacant by Mr. Duval. It will be remembered that Mr. Mathes was so badly scalded during the accident some months ago in Durham, at which time Mr. W. H. Branson was killed. Mr. Mathes has for many years been in the mill work and is a man of competency.

Mr. W. B. Cole, now superintendent of the Cabarrus mill, has resigned his position to accept the superintendency of a mill at Rockingham. It is much more preferable to Mr. Cole to fill a similar position at Rockingham on account of it being the home of his mother.

Mr. Chas. W. Suther, who has charge of the spinning room in No. 4 mill of the Odell Company, will take the superintendency of the Cabarrus mill. Mr. Cole's resignation takes effect about the 15th of this month.

We, together with numbers, regret to lose these two superintendents from our midst as both are men to be desired. We gladly welcome Mr. Mathes to our town, and heartily congratulate Mr. Suther on his promotion.

They're Contesting This Afternoon.

Charlotte's team arrived this morning and are on our diamond this afternoon facing our red, white and blue. There is reason to believe that Charlotte will give us a good fight but our players see no reason for our defeat. Not a very large delegation came along with the boys to do the cheering from the grand stand, but thought, as is right, that good players pay no attention to grand stand playing.

The following players compose the nine: Robinson 2b, Allison 1f, Lambeth 3b, Thompson 1b, Donnelly cf, Jones p, McAden ss, Brake c, Ross rf.

More Baseball Dates for Us

It can not be said that our manager of baseball is not making every effort to give us good games as dates are being arranged with teams that have excellent reputations on the diamond—such as Charlotte, Mountain Island and Tarboro. Only a few days ago a complete program of games for the near future was given you and here are some more for you to stick in your hat, for it behooves baseball lovers to see the coming games:

Arrangements have been as follows:
Aug. 7th and 8th—Tarboro against Concord in Charlotte.
Aug. 9th—Tarboro against Charlotte in Charlotte.
Aug. 10th and 11th—Tarboro against Concord in Concord.
Aug. 12th—Tarboro against Mountain Island in Charlotte.

A Large Force Out There Now.

Superintendent Benfield has always been feeling proud when he had thirty or more on his force of roadworkers, but he is all smiles now and feels that he can do some work sure, as he has forty men under his code of rules since Judge Robinson replenished him.

PHILIPPINE FIGHTERS RETURN.

First Nebraska and Utah Battery Come Home in Good Shape—What They Say of Otis.

Last Saturday night was a gala, glad time in San Francisco for the transport Hancock glided into port at 11:30 with 814 privates and 40 officers of the First Nebraska Volunteers and 262 privates and nine officers of the Utah Battery. As Col. Mulford said, the First Nebraska came back a regiment. With all the hardships, the regiment only lost one tenth of her men. Of these 66 were killed or died of their wounds. Thirty died of disease. No sickness or death occurred on the voyage home.

There is considerable unanimity in denouncing General Otis, though there are those who have the best of words for him. Maj. Grant, of the Utah Battery, said to a New York World reporter: "The Filipino army is whipped right now. It never will make another open fight. The thing from this time on is to get sufficient forces into the islands to hold the towns as they are taken. Gen. Lawton says that it will take 100,000 men to hold the islands, and I agree with him.

"Gen. Otis is a great soldier and a great Governor. He has worked wonders in the time he has been in command, and if he is let alone things will come out all right in the end, and the time won't be far away. I want to deny another slander—that there is friction between Gen. MacArthur, Gen. Lawton and Gen. Otis. They are working in absolute harmony."

Major Grant was in close touch with General Otis, also with Generals Lawton and MacArthur.

Had Troubles of His Own.

On Tuesday Mr. Rich Holdbrooks, a resident of the western part of our county walked all the way from Charlotte, and in a hurry too.

The cause of his hurried exercise was the fact that his wife, together with her sister had left him. He spied them in the woods near here and after Deputy Townsend was seen coming the whole affair was mutually adjusted and the troubles of the wifeless man were no more.

Gone to Attend the Tournament.

Concord has a good delegation at the Annual Tournament of the Firemen's Association at Greensboro this week. On Tuesday morning two delegates went on ahead and the following composed the body that followed: Messrs. Marshall Mabery, Eli Goldston, R. Will Johnson, Jas. Cook, Jno. S. Hill, Victor Sloop, Henry Ritz, Robt. Walthall, Jno. W. Propst, Robert White, Cecil Foil, Oliver Russell, and Luther Biles. They will return very probably Friday night.

Mr. Riley Hartsell Dead.

On Tuesday evening Mr. Riley Hartsell, of Locust, Stanly county, died after living to be over sixty years of age. Mr. Hartsell leaves six children—five sons and one daughter. His wife, it will be remembered, died about a year ago. Two of his children, Mr. Alex Hartsell and Mrs. George Tucker, are residents of this place.

All of Them Are Better.

The condition of Miss Edna Pitts is thought to be better. Her temperature is lower. Miss Mary Foil has recovered from her attack of fever enough to sit up. Miss Hattie Mehaffey is improving and is able to be up some.

Rev. Plato Durham to Lecture Here.

On Sunday morning at 11 o'clock Rev. Plato Durham, professor of Biblical Literature at Trinity college, will deliver his lecture on "Christian Education" in Central Methodist church. He will conduct services at Forest Hill on Sunday night, the congregations of these two churches worshipping together on that day.

Rev. Durham is a young man of unusual ability and worth, and our people had the pleasure of hearing him some time ago at a convention at Central M. E. church. His address on "Christian Education" is highly spoken of by all who hear it and we are fortunate in securing this opportunity.

Gone to Attend a House Party.

Misses Chassie and Pearl Brown have gone to Davidson county near Linwood where they will for a week or more attend a house party at the home of Mrs. Barber, mother of Mr. Gray Barber, of Charlotte. Miss Grace Fisher, of this place, and Misses Myrtice and Pearl Thompson, of Salisbury, will be in attendance. Misses Thompson are expected to return home with Misses Chassie and Pearl Brown.

Their Little Infant Dead.

For several days the sad news of the death of the four-months-old child of Mr. and Mrs. Luther Moose, of No. 7 township, was expected and Tuesday afternoon death came, robbing them of their last born. The child had been in bad health for some time. The remains were interred at Bear Creek.

A Cake Walk at Pioneer Mills.

Last Monday night in honor of her friend, Miss Lieze Vose, of Florida, Miss Ella Barnhardt, of Pioneer Mills, threw open wide the doors of her home to welcome the function of the times—a good old cake walk. Costumes of the days of yore were used and it was a joy to look upon the scene. Misses Margaret Grier and Ella Barnhardt received the prizes.

Little John Young Bitten.

While attempting to part two dogs Tuesday John Young, son of Mr. Jno. M. Young, was bitten by a dog three times on his body and his clothes were torn somewhat. There is no fear that the dog had hydrophobia.

NO CURE, NO PAY.

That is the way all druggists sell Grove's Tasteless Chill Tonic for chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults refer to it as bitter, nauseating Tonic. Price, 50c.

Wilmington P. O. Will Change.

The Star says there is sure to be a change in the Wilmington postoffice. It further leads to the conclusion that the charges against Mr. Chadbourn that affected his resignation are a mere pretext to vent political spite for the part he took in the campaign of '98. This, however, is not new but it comes from the centre of knowledge. The Star thinks G. Z. French would hardly venture to come to Wilmington though armed with a United States commission.

HIS LIFE WAS SAVED.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected soon to die of consumption, when I heard of Dr. King's New Discovery. One bottle gave me relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvellous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular size 50c and \$1. Trial bottles free at Fetzer's Drug Store. Every bottle guaranteed.

Dr. King's New Discovery is guaranteed to stop headach in 20 minutes. 25c per bottle.

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor, of Wind Ridge, Greene county, Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by M. L. Marsh & Co., Druggist.
