WHO WON THE VICTORY?

The Finest Game of Baseball in a While--Charlotte Stays With Us--A Man Disabled and the Game Called Off With An Even Score.

It can not be said that we did not get a chance to see some good baseball playing on the diamond Wednesday afternoon when the Charlotte team tried us. It was a beautiful game with but one objection--we did not score quite enough. Only one time in the game there were three men on the bases and one time the visitors were struck out in succession, not one of them seeing the first base.

It was good playing and Charlotte stuck up to us splendidly. Lattimer did fine work in the box, and Jones could not compete against him when it came to strikes. Graves caught the former and Brake the latter.

In the first inning Mangum put a ball against but not over the fence, and scored it on Reed's ball. We failed to score in second inning and three of our men were put out on second base. Two of Charlotte's men were struck out. In the third inning Mangum reached third but died on the base. This time two of our men were struck out. In the fourth the opponents put a double play on us, putting out Reed and Graves. This time Charlotte scored for her first time--two runs. This irritated our pitcher and three Charlotte men dropped their bats as fast as they struck three times. Ciphers only were scored in the fifth. In the sixth Mangum and LeGrande were put out on a double play at first and second. For the first time in the game three men were on bases in the seventh inning and then we had to let them die on their bases. Two visitors again struck out. Charlotte made another successful double play in the eighth.

Now came the warm time when "down in front" was not heeded. Charlotte stood 2 to our 1 at the beginning of the ninth inning. Graves made first and by Caldwell's centre field fly was sent to third and then scored us one which tied the score. This was fortunate but the unfortunate part came next, when Brake and Thompson of the Charlotte team, attempting to catch a foul collided in front of the grand stand. It was a hard blow the former received, knocking the breath from him and giving the latter a bruised eye. Brake recovered in a while but not sufficiently to play his part and as no substitute was on hand the game was called off. When this happened we had one man on bases and only one was out.

Mr. Williamson Morris umpired the game.

THREE IMPORTANT CASES.

Capital Punishment Might Probably Be the Result of Three Cases for the Albemarle Court--The Mob Was Determined--Delegates Galore.

Written for The Standard.

Shankle, Aug. 1.--Watermelons are in full blast now.

At the Park Academy Sunday School last Sunday there were 57 delegates appointed to attend the township convention, which meets at Cedar Grove on Saturday before the second Sunday in August. If any school in the State can beat this let us hear from it.

Mr. Harris Maulden takes the lead in fine watermelons this year. He pulled one the other day that weighed 44 pounds.

Over five hundred citizens volunteered in the search for the negro Hyatt, that committed the foul deed at Albemarle on Thursday, July 20th. One that was at Albemarle at the time says that when the six o'clock train passed there going to Salisbury about two hundred men were at the depot waiting for the sheriff to bring him from the jail to start with him to Salisbury. Had it not been for the genius and quick wit of Sheriff McCain it would have been a repetition of the Sam Hose affair with all its horrors, for the angry mob said they were going to burn him alive. So eager was the mob that the sheriff had to dress the negro in female attire and carry him to New London, where he boarded the train for another county until September court. This makes three cases to be tried, wherein hanging may be the sentence. One is Isaac Kendall for shooting Lum Calson. The other is Harris Dennis for burning a house at Albemarle.

On account of bad weather Rev. J. A. Clark discontinued his meeting here on Wednesday night. He will hold a meeting here about the first of October.

Mr. Dan Shankle's family, who moved to Albemarle in the winter, are nearly all confined with typhoid fever.

Mrs. Cole Resigns as Teacher.

We are sorry to learn that Mrs. L. P. Cole, who has for several years been teaching in our graded schools and who had intended to teach the coming year, has resigned her position. This resignation was handed in on account of the illness of her mother, Mrs. Phillips, of Hillsboro, who received a fall some time ago and is very ill from the injury. It is not thought that she will ever be able to walk again. Her hip was injured. Mrs. Cole will leave soon to stay at the bedside of her mother.

Jay Sims Home.

Jay Sims, Concord's member of the First regiment band, and who will soon again be in the army service, is at home to spend several days. He will join the band boys Sunday at Salisbury on their return from Greensboro and Hillsboro. The members who have enlisted in the Twenty-ninth Infantry, will leave the first of the week for Fort McPherson.

We Play Them Again Friday.

On Friday our baseball team goes to Charlotte to do battle with them again and to make a score different from the one of yesterday--more still in our favor. Very probably a crowd will go along with our boys and lend them all kinds of aid.

NO CURE, NO PAY.

That is the way all druggists sell Grove's Tasteless Chill Tonic for chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults refer to it as bitter, nauseating Tonic. Price, 50c.

FLORIDA HAS A STORM.

Heavy Rains and Fearful Winds Destroy Life and Property.

A fearful storm occurred along the Gulf coast in Florida on Tuesday, the 1st inst. Communications are hindered by the general wreckage, but the rains are said to have been immense and the storm fearful.

Apalachicola is believed to be about the storm centre and is entirely cut off.

Much damage was done to shipping as well as to houses.

A few lives are known to be lost.

A Fresh Line

—OF—

S. J. Ervin's.

"Vengeance Is Mine, I Will Repay," Saith the Lord.

Marie Voksra, a Hungarian who followed the murderer of her husband 4,000 to miles avenge his death by her own hand, herself met a tragic death today on the Pennsylvania Railroad near Altoona.

After leaving this city three weeks ago nothing was heard of the woman or her strange mission until this morning, when the engineer of a Pennsylvania Railroad train saw her on the tracks in front of his locomotive. The engineer opened the whistle wide, but the woman failed to hear. She was struck and hurled to one side of the track with both legs and an arm crushed.

The woman maintained consciousness until her arrival in this city. At the Municipal Hospital she realized that her death was near and gasped out:

"God was not with me, as I thought. He will avenge."

These were her last words. A few minutes later she died.

In the folds of her dress the murderous dagger, which she declared she would sink into the heart of her husband's murderer, was found. It and a few silver coins, her sole worldly possessions, were turned over to the coroner, says an Altoona, (Pa.) Dispatch of July 26th.

HIS LIFE WAS SAVED.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected soon to die of consumption, when I heard of Dr. King's New Discovery. One bottle gave me relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvellous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular size 50c and \$1. Trial bottles free at Fetzner's Drug Store. Every bottle guaranteed.

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor, of Wind Ridge, Greene county, Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by M. L. Marsh & Co., Druggist.
