**Two Made One--Sunday School Convention a Success.**

Our 'phone correspondent from Kindley tells us that Mr. G. W. Mason and Miss Daisy Blackwelder, whose license issue we noted, were married by Esq. McLaughlin at his home on Sunday morning.

The Sunday School Convention at Poplar Tent church last Saturday, he says, was quite a success in numbers as well as work done in spite of the fact that much disappointment was felt that three speakers on the program were not present, viz; Rev. Mr. Pharr, of Gilwood church; Rev. Mr. Eaves, of Shiloh and Rev. Mr. Lippard, of Concord. While no censure is offered, believing there were goods reasons for absence, yet the disappointment was too keen to be passed over without noting.

The parts of the programme as rendered were very well received and the reports showed the Sunday school work in the two townships (Nos. 2 and 3) to be in good condition and to include 450 children.

The reorganization for next year resulted in the re-election of Mr. W. J. McLaughlin vice-president and Mr. Star Johnston secretary of No. 2 and the re-election of Mr. Charles Hamilton vice-president of No. 3. Mr. J. M. Erwin was made secretary of No. 3. The convention will be held at Shiloh church next year.

**NO WEAR AND TEAR!**

Is the laundry hard on your goods? Some are. Examine your goods as carefully when you send them to us as when you receive them back again and you will find that we sew up many a rip, mend many a button hole, put new neck bands on shirts not too badly worn (when requested), and in many ways try to prolong the use of your linen. One trial is not a test. Often damage has been done in previous laundering and we get the blame. Give us your steady patronage and we will guarantee your linen to last longer than when done at many other laundries.
