

INSURE AGAINST SICKNESS!

Every man and woman in his or her daily routine work may be attacked by Typhoid, Typhus or Scarlet Fever, Small Pox, Chicken Pox, Measles, Diphtheria, Erysipelas, Appendicitis, Meningitis, Diabetes, Pneumonia, Sunstroke, etc., etc., etc.

All persons between the ages of 18 and 60, male or female, can secure this Insurance.

Can you afford to be without it when it costs so little each year?

But, perhaps you want ACCIDENT INSURANCE. If so, get the BEST. I represent the AETNA, of Hartford, Conn., the largest

LIFE INSURANCE COMPANY

in the world writing ACCIDENT INSURANCE.

Perhaps while you are seeing about it you have decided that you will take Life Insurance. If so, do you want a very cheap, yet safe form of insurance, written in a North Carolina Company? Then you want to insure in the Carolina Benevolent Association, Hon. S. B. Alexander, of Charlotte, N. C., President. This is something worthy your consideration.

Do you want your life insured in a good Southern Company, offered by Southerners of well known business ability, and integrity. A regular stipulated Premium Plan? Then you want to insure in the BANKERS LIFE ASSOCIATION of Atlanta, Ga., Hon. W. A. Hemphill, of the Atlanta Constitution, President. This company is now endorsed by numbers of the leading business men of North Carolina.

But you say that you will only insure in an.....

OLD LINE COMPANY

Then if so, I represent one among the very best. The PHOENIX MUTUAL, of Hartford, Conn. Established in 1851, distributes its dividends annually. And while the PREMIUMS are the LOWEST, the DIVIDENDS are only equalled by three other companies doing business in North Carolina. (Two of these have now withdrawn from the State.)

Perhaps you want FIRE INSURANCE. I represent a first-class North Carolina Company, a good Virginia Company, a good company of New Orleans, one of the strongest Northern Companies and an English Company.

Certainly you are interested in some of the different forms of INSURANCE referred to above.

Then write me or call to see me at office, and oblige.

Yours to serve,

John A. Sims,
Agent.

Orphans Sing In Southport.

The Southport Standard speaks highly of the concert by the Oxford Orphan Asylum choir last Monday night in their little city by the sea. The choir is composed of fourteen members, including eleven little girls, and some girls not so little, and three small boys under the tutorage of Miss Kate H. Fleming all under the management of Mr. Will P. Coley who was himself an orphan.

The Standard says the groupe will be coming west this week and it hopes it will be well received. The proceeds of the concert go toward maintaining the orphanage.

A Wireless Telephone System.

The latest invention that is now creating a sensation is telephoning without wire. Dr. Peter Steins, a Russian, is working on the system, which he hopes to bring up to the power of talking across the Atlantic Ocean.

Mayor Woodward Must Go.

Atlanta's dissipated mayor has quickly broken his promises of reform and his prompt resignation, it is said, is all that will save him from impeachment.

A MOTHER TELLS HOW SHE SAVED DAUGHTERS LIFE.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering.—Yours truly, Mrs. Geo. F. Burdick, Liberty, R. I. For Sale by M. L. Marsh & Co., Druggist.

Col. Argo for the Amendment.

The adoption of the amendments to the constitution seems not much of a party question. At the Confederate Veteran's reunion at Selma recently Col. T. M. Argo, one of the ablest Raleigh lawyers and a Republican, come out in a speech squarely and strongly for the amendments, says the Raleigh correspondent to the Morning Star.
