#### DOWN WE WENT.

### Tarboro Proved Too Strong for Us In the First Game-A Game Filled With Heavy Hitting.

On Monday for the first time our boys met the boys from the East on the diamond in Charlotte and in this game Tarboro won from us a hard fought victory, but like the games against Union we took the defeat and continue to play ball.

The grand stand force was assisted very much by the Charlotte attendants, who looked upon Concord as a nearer and closer friend than the boys down on the Tar river. It was known beforehand that we were going against a heavy team when we met the Tarboro boys, as they break down everything that comes before them.

An unusual amount of heavy hitting was in the game, not only done by the strangers but our boys. While Tarboro proved too strong for us, they can not boast of a stronger outfield than we have, which fact having come into Mr. Jas. was evidenced in the game Monday. In the seventh inning Lattimer stepped out of the box and Mangum put in, which in this case proved well for us, only two runs and three hits having been made off of him.

## On Account of the Shooting of Constable Once Again the Surviving Members of Atkinson at Red Springs He Is Wanted-Probably Not the Guilty Person However.

CHAS. RIDENHOUR CAPTURED.

A number of our readers will very probably remember of reading of an account of Thomas Atkinson, a constable, being almost instantly killed at Red Springs in Robinson county on the 21st day of July. The negro who did the shooting seems to have been Jno. Monroe, but whose right name is Geo. Ridenhour, and the negro once lived in this county-at Mt. Pleasant. The circumstances are that constable Atkinson attempted to arrest Chas. Monroe (Chas. Ridenhour) and was shot twice by Geo. Ridenhour, a brother of the negro wanted for an affray. The constable only lived a short while.

A reward of five hundred dollars was offered for John Monroe hundred dollars by -one the people and four hundred dollars by the State. Geo. Riden-Ridenhour hour and Chas. have been out of the hands of the law. On Monday the latter was seen at Mt. Pleasant, Lefler's blacksmith shop. The same day a letter came to Mt. Pleasant, telling Mr. Lefler to look out for this negro as he was headed that way. The negro was then arrested and brought here Monday night and is now in Chas. Ridenhour states that he did run from the officer and when he got to the woods he heard a pistol fire and was afterwards told that his brother, George, shot the officer for pursuing him (Charles). It was at first thought that a reward was offered for Charles but after looking at the reward it seems not. Sheriff Peck telegraphed to the sheriff at Lumberton of the capture and received the following answer: "John Monroe wanted for murder of Thos. Atkinson at Red Springs. Scar in his hand. Will send full description. Hold. Five hundred reward."

The Observer contains the following of interest to our side:

"For Concord, the batting of Caldwell and Card was the best, while Rogers' base running was up to its usual high standard.

"Tarboro failed to score in the second inning, while for Concord Caldwell and Card reached home on Rogers' long drive to deep centre for three bases. The Concord rooters, who were a little quiet, became more cheerful, and Meade saw that "there are others" who can hit three baggers.

"Charlotte ball lovers seldom witness a game abounding in as much unmerciful slugging as was participated in Monday afternoon. The Concord boys are good hitters, but those from Tarboro are better, as will be seen by a glance at the columns of hits. That of Meade for Tarboro was the best that has ever been seen in Charlotte. Three times did he make a line drive to centre field, far beyond the reach of Rogers. Of equal ability in wielding the stick is Lusky, Tarboro's catcher. His intendency of the Trenton mill long drive into deep left would have been an easy home-run, but for the fast work of Concord's outfield.

Following is the score:

TARBORO. R 1B PO A E. Glavin, 1f.... 2 2 8 Meade, ss. ... 2 Lusky, c .... 2 3 10 Philips, 3b 1 2 Kenna, p.... 2 1 1 Fenner, 1b. . 1 2

Wilson, who for about as well as material aid in seven years has been employed in the Cannon mills, and now has charge of the carding and spinning of the Cannon mill No. 2, has tendered his resignation, which will take effect the first of the meeting voted its sincere September. Mr. Wilson resigns this position to accept the superat Gastonia.

Mr. Wilson's departure will mean a loss to his employers, as he is one of ability in his work, a loss to the Baptist church here of which he was one of the foremost workers, and a departure from numerous friends made during his stay, both in and out of the mill.

person to act as historian. Much exchange of remarks was made showing the jealousy of the veterans for their fair name at the reunions and it was the unvoted but very expressed sentiment that no one should be encouraged to attend the reunions that will reflect discredit on the camp.

The part taken by the Dodson Ramseur Chapter Daughters of the Confederacy in securing our beautiful banner We learn with regret that Mr. and otherwise conferring honor helping veterans to attend reunions, etc., and also other citizens by whose generous deeds the veterans were honored and benefitted was dwelt upon and thanks to each and all included in the above.

The meeting then adjourned.
