

# INSURE AGAINST SICKNESS!

Every man and woman in his or her daily routine work may be attacked by Typhoid, Typhus or Scarlet Fever, Small Pox, Chicken Pox, Measles, Diphtheria, Erysipelas, Appendicitis, Meningitis, Diabetes, Pneumonia, Sunstroke, etc., etc., etc.

All persons between the ages of 18 and 60, male or female, can secure this Insurance.

Can you afford to be without it when it costs so little each year?

\$ 2.00 a year pays for \$ 5.00 per week.

But, perhaps you want ACCIDENT INSURANCE. If so, get the BEST. I represent the AETNA, of Hartford, Conn., the largest

in the world writing ACCIDENT INSURANCE.

Perhaps while you are seeing about it you have decided that you will take Life Insurance. If so, do you want a very cheap, yet safe form of insurance, written in a North Carolina Company? Then you want to insure in the Carolina Benevolent Association, Hon. S. B. Alexander, of Charlotte, N. C., President. This is something worthy your consideration.

Do you want your life insured in a good Southern Company, offered by Southerners of well known business ability, and integrity. A regular stipulated Premium Plan? Then you want to insure in the BANKERS LIFE ASSOCIATION of Atlanta, Ga., Hon. W. A. Hemphill, of the Atlanta Constitution, President. This company is now endorsed by numbers of the leading business men of North Carolina.

But you say that you will only insure in an.....

## OLD LINE COMPANY

Then if so, I represent one among the very best. The PHOENIX MUTUAL, of Hartford, Conn. Established in 1851, distributes its dividends annually. And while the PREMIUMS are the LOWEST, the DIVIDENDS are only equalled by three other companies doing business in North Carolina. (Two of these have now withdrawn from the State.)

Perhaps you want FIRE INSURANCE. I represent a first-class North Carolina Company, a good Virginia Company, a good company of New Orleans, one of the strongest Northern Companies and an English Company.

Certainly you are interested in some of the different forms of INSURANCE referred to above.

Then write me or call to see me at office, and oblige.

Yours to serve,

### WINE OF CARDUI

#### WOMEN WHO WORK.

St. Louis, Mo., Aug. 12.

Though only 19 years old, I suffered from pains and febrile troubles two years. Last spring I got so bad I had to quit work. I had to support myself, and could not afford a high-priced doctor. I got one bottle of Wine of Cardui and that made me feel better. Have now used several bottles and am well. My mother used the Wine for Change of Life and was greatly relieved.

Many girls and women find it necessary to earn their own living in various kinds of employment. Their work is often so hard and confining that the health breaks down. Their delicate constitutions are unfitted for tiresome tasks. Weakness nearly always makes its appearance in the peculiarly delicate womanly organs. Constant standing on the feet, and coming and going at the beck of a superintendent or foreman, induces falling of the womb, leucorrhoea, headache and backache. The pay of women workers is often notoriously small that when sickness comes they have no money to engage skillful physicians. To them Wine of Cardui is truly a blessing. It cures them of their ills at a small cost, and they can act as their own physicians. No doctor can do as much for "female troubles" as Wine of Cardui.

### The New Party.

In Massachusetts a new political party has made its appearance called the "Social Democracy." It is more populist than democratic, it seems, and strikes out on new lines. Last year it cast nearly a hundred thousand votes for a State candidate ticket, and got some control in certain towns and cities. Haverhill is said to be the stronghold of this Social Democracy. It advocates "collective ownerships" like the Social Labor party, and declares against Bryan in national politics unless he will declare for "collective ownership."

It seems a small thing now, but its power lies in the constant and persistent work in organizing associations of various kinds, without stopping to meet questions that come up against it. But, like most other such new things, it will be short-lived, no doubt, and its place will be taken by something else new.—Commonwealth.

Columbia is going to build the largest cotton mill in the South. W. B. S. Whaley is president and they start out with a million and a half dollars stock. That ought to give them 100,000 spindles.—Anderson Intelligencer.

### BRAVE MEN FALL

Victims to stomach, liver and kidney troubles as well as women, and all feel the results in loss of appetite, poisons in the blood, backache, nervousness, headache and tired, listless, run-down feeling. But there's no need to feel like that. Listen to J. W. Gardner, Idaville, Ind. He says: "Electric Bitters are just the thing for a man when he is all run down, and don't care whether he lives or dies. It did more to give me new strength and good appetite than anything I could take. I can now eat anything and have a new lease on life." Only 50 cents, at P. B. Fetzer's Drug Store. Every bottle guaranteed.

### Back to the Shore.

The Morning Star says the people along the sea shore at Writsville and Carolina Beach abandoned their homes Tuesday night. They have returned agreeably surprised that no damage was done by the storm save a little piling up of sand.

### A MOTHER TELLS HOW SHE SAVED DAUGHTERS LIFE.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering.—Yours truly, Mrs. Geo. F. Burdick, Liberty, R. I. For Sale by M. L.
