Cheerful Workers.

The Cheerful Workers of the Baptist church delighted a large congregation Sunday evening with their Missionary exercises.

The church could not seat them all, many being turned away. The platform was tastefully decorated with potted plants and the motto of the society, "Workers Together With God," in large gilt letters over the arch of the baptistry.

In addition to the recitations and songs by the children, a song was sweetly rendered by Miss Rainy, the blind singer, and a duet by Miss Ada Craven and Mr. Henry Craven. Mr. T. C. Wilson made a short practical address on the need of the church for Cheerful Workers, not only amongst the children, but the older people.

A good collection was taken and all went home appreciating the efforts of the children to advance the Kingdom of Christ. "Of such is the Kingdom of Heaven." N.

Quite a large crowd of young folks will leave here this evening at early twilight bound for White Hall where the ladies will spread lunch and enjoy several hours of social pleasure. The occasion is given complimentary to the visiting young ladies.

FOUND UNCONSCIOUS.

The White Man Found By the Roadside Dead--A Negro Gets a Mule But the Law Gets the Negro--A Cabarrus Lady Dead.

Written for The Standard.

Glass, August 22.—T. A. Rogers received a notice Saturday of the death of his sister, Isabella Pervines, of Oxford, Miss. She was 83 years old and was the grand-daughter of Sheriff McClelland, who was the second sheriff of this county. She had many friends and relatives in this county. She left the Clear Creek settlement about 26 years ago.

S. W. Winecoff's son is quite sick with fever.

Dr. J. Will Flowe was called to see Mr. Flack, the man who was found by the roadside in an unconscious condition. He died Monday evening at Mr. Harve Rogers about two miles above this place.

The young people of this section had a very pleasant party at Mr. Henry Castor's last night.

Miss Ruth Caldwell, of Concord, is visiting her sister, Mrs. Fred Glass.

Miss Beulah Query, of Concord, spent Saturday and Sunday with her friend, Miss Carrie Gillon.

Miss Julia Rogers, of Cannonville, is visiting relatives at this place.

Henry Patterson, a negro, stole a mule from Charlie Cline last night. He was arrested in China Grove this morning. Mr. Cline has recovered his mule.

Our city is on a boom. We can consume more green corn and ice cream than any other city in the State.

An Artesian Well for Cannonville.

Mr. Louis C. Schoellkopf, just from Gastonia and formerly from Russia, Persia and where all we do not know, has drawn up his artesian well boring machinery by the Cannon factory where he will bring water from the lower regions. He has been hindered in his start but will soon be on the way. It is worth a trip to see the heavy machinery and the operation. It is probable that several wells will be bored here before he leaves.

Mr. Flack Dead.

News was received here Monday morning of the death of Mr. A. J. Flack which occurred near Glass, in Cabarrus county.

Mr. McCubbins, chairman of the county commissioners sent down after the body which will be interred at the county home.

Mr. Flack was an old miner and had lived in Salisbury and Rowan a considerable part of his life.—Salisbury Sun.

The First Bale of New Cotton.

Mr. F. M. Hartsell, of No. 10 township, furnished us the first cotton bloom this year and today (Tuesday) he drove in with a new bale, the first for Cabarrus this year. It weighed 446 pounds and classed as strict middling. It was purchased by Mr. J. P. Allison at 7 cents per pound.

Albert Coble, a negro, who was arrested in Salisbury some days ago, has been confined in jail here. He is charged with abandonment of his wife.

A BOLD THIEF.

Henry Patterson Takes a Mule and is Nabbed at China Grove.

We learn by 'phone message that a young negro man named Henry Patterson stole a mule Monday night from Mr. Charlie Cline and went to China Grove, where he attempted to sell the mule about 3 o'clock Tuesday night. The circumstances warranted the gravest suspicions and Patterson was detained. Mr. Cline arrived early and found both negro and mule. He proceeded at once to take lawful action against the stupid young fellow who has much to learn yet before he can live without work.

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor, of Wind Ridge, Greene county, Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by M. L. Marsh & Co., Druggist

ONE AND ONE.

We Were the Conquerors Monday at Mountain Island In a Score of Five to One—A Fine Game of Ball.

When our people found that Kenna and Meade, of the Tarboro team, had been added to the Mountain Island crowd for the game Monday against our boys it was feared that we would go down but the tide was turned and our boys are at home with a scalp hanging to their belt.

This puts us even with the Islanders this season on games and the tie will be played off in Charlotte Friday. The game Monday was a fine one and our boys without grandstand support did fine work. It was Reed's day and he did his finest of playing. The accompaniment furnished by Iceman, the footer, lent enchantment to the Concordians and, like coca cola, was exhilarating.
