## MR. GEO. W. PATTERSON DEAD.

Passes Away With the Strokes of Nine— Was 63 Years Old—Leaves a Second Wife and Two Children.

As the town clock numbered the hour of nine on Monday night, the 2nd, the reaper death numbered the days of Mr. Geo. W. Patterson. He had suffered acutely for some days with inflammation of the bowels but the approach of the end came with startling rapidity to the public.

Mr. Patterson was born March 12, 1836 in Alarance county and was therefore past his 63rd year of life.

He was married in 1836 to Miss Lizzie Foust who bore to him two children, Mr. Geo. L. Patterson and Mrs. C. F. Ritchie. Dying in 1866 she left the daughter an infant.

In 1868 he was wedded to Mrs. Capt. Albert Area, of Concord, whom he now leaves bereft of a good kind husband as she readily testifies.

Mr. Patterson has always been a man of business enterprise. After marriage the second time he made his home in Concord and has therefore been identified with the city for 31 years. For the past ten years he has done a wholesale as well as a retail grocery business. His manner of life has been that of quiet peaceableness, free from all turmoils and strifes.

The sympathy and condolence of the community go out to the estimable wife and the son and daughter in this day of bereavement.

The funeral rites were conducted today at the First Presbyterian church at 4 o'clock by the pastor, Rev. W. C. Alexander. The interment was made in the city cemetery.

The pall bearers were Messrs. P. B. Fetzner, R. E. Gibson, W. R. Harris, W. R. Kindley, G. W. Brown, G. M. Lore.

## The Work of the Commissioners.

Besides the paying of the paupers and the current expenses of the county for the month, only a few other things came before the commissioners for their attention.

Sheriff Peck was paid several bills incurred by the killing of Policeman Kerns—such as guards about the house of Hill Lucky that night, and for other guards at different places, and the expense of going to Charlotte to identify Will Edwards.

The question of repairing several bridges of the county came up and will be attended to this month.

Chairman Allison was given authority to advertise and sell the real estate belonging to the county, which is situated on Little Cold Water.

□ Mrs. Wm. McDaniels was ordered to be admitted to the county home.

## Shooting in Statesville.

Statesville had a shooting affair Saturday. Claude Tomlin shot James Kerr. The ball struck a rib and fortunately did not do much harm.

He Received a Fall More Than a Week Ago and Remained Unconscious Ever Since That Time.

More than a week ago Mr. Martin Dry, who lives below town, received a fall. On the following day he became unconscious and gradually sank until Monday night after midnight he died.

Mr. Dry had reached the ripe old age of nearly 79 years. He leaves two son, Levi Dry and Will Dry, and two daughters, Mrs. W. F. Hess and Mrs. Bettie Dry.

The funeral will be conducted Wednesday morning at the home by Rev. Chas. B. Miller. The remains will be interred in the old Lutheran cemetery.

## Land Deals Being Made.

Since the step was taken for a new cotton mill in the north western part of Concord to the right of the Buffalo mills, several land deals have taken place, some of large amounts and some of much smaller amounts. Over \$3,500 has been paid the Misener heirs by parties for their land in that part of town. A new enterprise brings new business.

In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor, of Wind Ridge, Greene county, Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by M. L. Marsh & Co., Druggist

## DEWEY IN WASHINGTON.

Meets the President and Cabinet Also and Mrs. McKinley—Reviews the Procession—Retires at 9:30 O'clock.

Washington has had her round at honoring Admiral Dewey on Monday. A special train left Jersey city at 1:50 o'clock and with only necessary stops it rolled into the capital. The reception was, of course, magnificent. The hero was driven to the White House amid roaring applause and was ushered into the presence of the President, Mrs. McKinley, the cabinet officers, and others, especially officers of the navy.

The admiral mounted the review stand, leaning on the arm of President McKinley. In the parade was a detachment of International Machinists preceded by a 6-inch cannon on which were inscribed, "We Made the Guns for Dewey."

The public fell in after the procession but broke the line of review by crowding around the stand till the admiral seeing that it could no longer be regarded as a review quitted the stand.

The city was made dazzling with variegated electric lights of pleasing designs.

It was 9.10 when the tired fighter got repose in the home of Mrs. McLean whose guest he is while in the city. He retired at 9.30 o'clock.
