The Alba Heywood Company.
The Alba Heywood company played to a very good house Wednesday night. The performances were highly enjoyable and were duly appreciated. Mr. Heywood's versatility is as astounding as it is pleasing. Mr. Ulrich's violincello performances were excellent. Miss Carpenter has a very cultured voice and her songs were well received. Miss Monroe as a violinist afforded much enjoyment. As a whole the entertainment was all that one could demand or even appropriate in one evening.

Big Lawsuit On.
St. Louis, or rather the State of Missouri, has begun proceedings in the Supreme Court of the United States to stop the Chicagoese from turning their sewerage from the Lakes through the new canal into the Mississippi and under the noses of the Missourians.

It does no doubt smell bad, but then these people should have urged their objections before Chicago spent \$83,000,000 in building the canal avowedly for the purpose of making a sewer of it.—Raleigh Post.

Wanted—A few boarders in private family. Apply to J. B. V. D. SIKES.
