The Boy With the Shining Pail.

An humble boy with a shining pail,
 Went singing down the leafy vale,
 To where a cow with a brindle tail,
 On the alfalfa did regale.

A bumble bee did gaily sail,
 Over the soft and shadowy vale,
 To where the boy with the shining pail,
 Was milking the cow with the brindle tail.

The bumble bee lit on her ear,
 Her heels flew through the atmosphere,
 And through the leaves of the oak tree,
 The boy, the boy—oh where was he?

Ask of the winds that filled the ground
 With autumnal leaves that tumbled down.

They alone can tell the sad tale,
 Of the hapless boy with the shining pail,
 That milked the cow with the brindle tail,
 That ate alfalfa in the vale.
