**Help the Daughters of the Confederacy.**

Tickets are now on sale at Gibson's drug store for the Robert Downing entertainment Saturday night. It is hoped the citizens of our town will give it their liberal patronage—we feel sure they will be fully repaid. We hear the most favorable criticisms of this new play, "An Indiana Romance," and Mr. Robert Downing has already won laurels for himself as an actor.

A full house will greatly delight the Daughters of the Confederacy—it will help them on in their noble work of charity, and in their efforts to perpetuate the history of the glorious cause they love and represent.

The Dodson Ramseur Chapter U. D. C. as a part of the State organization is pledged to aid the veterans in the Soldiers' Home in Raleigh. We have been informed by letter that the management is in need of funds to relieve the necessities of these helpless survivors of our army—dependent alone upon charity.

North Carolina has pledged \$100 toward the purchase of the valuable historic Chapman pictures to be placed in the Solid South room at the Confederate museum in the capital of the Confederacy. More may be said of the Chapman pictures later.

Then, last, but far from least, is the Davis monument, which matter the United Daughters of the Confederacy have taken up, and expect to accomplish in a few short years.

Our need of funds, then, is great, and we earnestly request the interest of our people in our behalf. A LOYAL U. D. C. Concord, March 8, 1900.

Parks & Co. fit the feet.

One of our printers unintentionally made a rebus out of the proceeds of the Baptist supper in Wednesday's edition. It should have been \$24.71 in addition to the \$6.00 donated in cash.
