## THE GOLD HILL AFFAIR.

W Murdoch Wiley States That the Company Will Meet Every Obligation Promptly—An Error as to Mr. Chas. Smith Running a Company Store.

It will be remembered that one day last we gave notice that several parties had taken out attachment papers on the property of the Union Copper Mine Co. of this county, which is near Gold Hill. We gave the names of the persons but erred in the statement that one of the gentlemen had been running a company store. This is due to our informant, but nevertheless, the statement is true that these papers were taken out by the gentlemen and served by our sheriff. On Sunday the following telegram came from one, W. Murdoch Wiley, who is one of the managers of the mine, to The Standard:

"Kindly correct your statement that Chas. Smith, of Gold Hill, is running Union Copper Mine store. We have no company store and Mr. Smith is not, never has been and never will be connected in the slightest degree with our company. The mine is in better condition than ever and we will meet every obligation promptly."

We of course give Mr. Wiley the space to correct the unintentional error, which is only an error to the proper proprietor of the store and does not alter the statements we made as to the unpaid accounts.

## A Small Boy Caused the Death.

There is a rather strange case at Gastonia, where it is found that an eight-year-old boy caused the death of a negro, Will Perkins, a short time ago. The negro was descending into a mine and fell from the bucket dead. The cause of his falling from the bucket had been a mystery, but the little boy tells how he passed by the mine and pushed a plank into it just to hear it hit the bottom. The magistrate has released him on account of his age, but has written the full particulars to the solicitor.

## A Young Man of Our County Dead.

On last Saturday the remains of George Moose, son of Mr. Henry Moose, were interred after the funeral preached at Mt. Olive church in the eastern part of our county. He died last Thursday night of pneumonia. He was 21 years old.

## Wanted in Our County.

Sheriff Peck has received notice from Sheriff Horn, of Union county, that he has a man named Joe Schorn there in jail, waiting for some one to come after him. Joe Schorn is a white man and is wanted by our court for abandonment.

## Rev. J. C. Troy Weds.

Cards are out announcing the marriage of Rev. J. C. Troy, of Jonesboro, editor of "Trojan's Notion," to Miss Lula Virginia Earnhardt, of that place. The marriage occurred at the parsonage there on Sunday evening, the 18th.

## The Meeting of the Farmers' Mutual Fire Insurance Association.

According to the call of their president, Mr. Zeb Morris, the Farmers' Mutual Fire Insurance Association met last Saturday in the court house. Nothing of special interest was done more than the appointing of delegates. Mr. J. L. Stafford was elected as the delegate to the meeting of the State Association in Raleigh on the 22nd, inst. A committee, consisting of Messrs. J. L. Stafford, S. S. McWhirter, and Zeb A. Morris, was appointed to confer with a like committee of Mecklenburg's association as to what course to pursue in the future as to the State organization. The association will meet here again on the first Saturday in April.

## Concord Meets Defeat at Mt. Pleasant.

As was stated last Saturday some of our smaller boys went to Mt. Pleasant to play the college boys. Our team was from the Concord High School. But our boys met defeat in a score of 10 to 5. This is the first game of the season and our boys should not become disheartened, but remember the saying "a bad beginning makes a good ending." The two nines will cross bats here next Saturday. George Montgomery and Will Fetzer composed our battery.

Our Mt. Pleasant correspondent gives us the following of the game:

A goodly number of spectators were present although the ladies were few. A good delegation of "rooters" from Concord were present and did their work well and in one or two instances, it was exceptionally good. We have not witnessed so close a game on our grounds in a number of years. It was what we would call an exceptionally good game considering the fact that it was played by second teams.

The batteries, Montgomery and Fetzer of the Concord High School and H. W. Barrier and W. F. Moser of North Carolina College, did nice work.

Not a single player was given first base on balls, or by being hit by balls. Every first base was made either by strikes or batted balls. Basemen and fielders on both sides did their work with credit with the exception of a few muffs and wild throws.

We are proud of the fact that North Carolina college team made less bad plays, thereby winning the game in a score of 10 to 5. The home "rooters" deserve credit for their wit and upon the whole it was one of the most peaceable games we have ever witnessed.

## He Continues to Build.

Mr. "Billy" Wilkinson continues to build houses on his property about in town. Some months ago he purchased a part of Capt. Chas. McDonald's property on the left hand side of the street leading to the ball ground and has built several houses. He is now building a store and will probably open up a business there himself.

## DEWEY STOPS HERE.

His Special Train Stops With Us About Ten Minutes—No Demonstrations Made By Our People.

Probably Concord can say more than a number of towns can say, and that is that Admiral Dewey has stopped in Concord and spent a short while. His special train, consisting of two cars only, was here at the station today (Monday). On account of a delayed train from the South he was kept here about ten minutes. He did not show himself as no demonstration was made by our people. Mrs. Dewey was to be seen in the observation car busied with a newspaper (probably Sheldon's Capital.) The admiral is on a southern tour.

## The Funeral Conducted Sunday Afternoon.

The funeral of Mr. Joel Reed was held Sunday afternoon at the home by Rev. Cochran Preston. A large number of friends accompanied the remains to their last resting place after the funeral. Dr. John Reed arrived here from New York Sunday morning. The other members of the family, Mrs. E. J. Buchanan, of Lexington, and Richmond, and Joel arrived from Mebane and the University Saturday night. The remains were interred in the city cemetery.

## The Horses Attached at Last.

It was rather amusing the way Sheriff Peck, of our county, and Sheriff Monroe, of Rowan county, have been visiting Gold Hill. Sheriff Monroe was the first to serve attachment papers. This time he did not get, but two of the teams. Sheriff Peck went over to the mine the next day but when he was there all of the horses were on the Rowan side so he could not include them in his papers. But in the evening Sheriff Monroe came back and put them on his list. Rightly the horses are kept in the stables in this county but they were on the Rowan side when found.

## Mr. J. R. Holland Free Again.

Mr. J. R. Holland, of Charlotte, who several years ago was sentenced to imprisonment on the charge of embezzlement, has been released, his term having expired. He left Albany Friday a free man. President McKinley refused to restore him to citizenship. Mr. Holland will return to his home in Charlotte soon.

## Stood Death Off.

E. B. Munday, a lawyer of Henrietta, Tex., once fooled a gravedigger. He says: My brother was very low with malarial and jaundice. I persuaded him to try Electric Bitters, and he was soon much better, but continued their use until he was wholly cured. I am sure Electric Bitters saved his life. This remedy expels malaria, kills the disease germs and purifies the blood, aids digestion, regulates liver, kidney and bowels, cures constipation, dyspepsia, nervous diseases, kidney troubles, female complaints; gives perfect health. Only 50c at Fetzer's drug store.

## Questions Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form to make you satisfied there is nothing serious the matter with you. For sale by all dealers in civilized countries.

## New Attractions.

We have recently received quite a handsome, upright Regina Corona music box. The most interesting feature is that it takes up and plays its own music, and after the peice is played, the machine lets its back into the case for it, takes up another and goes through with the same performance. Grand music, which everyone enjoys.
