A Slander Case Among the Colored People.

There was a case before Esq. Pitts last Saturday afternoon which brought before him some of the "upper set" of the colored population. It was a case wherein one Lula Jenkins, who teaches in the colored graded school, had a warrant issued for a negro, J A Lankford, who is a machinist out at the Coleman cotton mill, charging him with slander. The case showed that there were two sides to the question. He was bound over to court in a \$100 bond.

A Fiendish Attack.
An attack was lately made on C F Collier of Cherokee, Iowa, that nearly proved fatal. It came through his kidneys. This marvelous medicine cures backache and kidney trouble, and purifies the blood and builds up your health. Only 50c. per bottle at Fetzler's drug store.
