## THE POLL TAX CLAUSE.

The constitutional amendment now proposed provides that every voter, before he shall be entitled to vote, shall, on or before the 1st day of May of the year in which he proposes to vote, pay his poll tax for the previous year, as prescribed by article 5, section 1, of the constitution. Is this an unjust provision? Now taxes become due the first Monday in September, so that every voter will have eight months in which to pay his poll tax. Poll taxes are devoted principally to educational purposes. Certainly no one ought to object to paying taxes for such a purpose, and certainly no one can say that eight months is not sufficient time in which to pay such taxes. It is only just that those who exercise political privilege shall pay poll tax. It is well known that a very large class of negroes escape the payment of this tax, and this provision is another evidence that this proposed amendment is intended to exclude from the right of suffrage the vagrant and worthless negro. Under the provisions of the amendment the same time is given to pay property taxes. Mark you, the amendment provides that the taxes for the year previous to that in which the voter proposes to vote are to be paid. For instance, those who propose to vote in the year 1910 must have paid their poll tax for the year 1909, which tax will become due on the first Monday in September, 1909.

We believe that this provision in the amendment is absolutely fair and just, and ought not to deter any one from voting for it. —Asheville Citizen.

## WORK.

No campaign in North Carolina has called for such work as the one in which we are now engaged. Never was so much at stake. Right nobly has the demand been met. The party managers have worked incessantly, while the work of speakers and newspapers has never been excelled. All of this will go on until the day of election; but now is the time for county canvassers and personal work. The county candidates and speakers should go into every neighborhood. The party workers should see every voter and not stop until every true white man is not only registered, but working for the amendment. No one can afford to be idle. The business man, the farmer, and the mechanic can all well afford to give their time to this cause. —Morning Post.

## BECAUSE HE IS WHITE.

Prominent Burke County Populist Will Support the Amendment.

Morganon, N. C., July 11.—W. Patton, clerk of the Superior Court and chairman of the Populist party executive committee, has declared openly for the amendment in the following card.

"To the Chairman of the Democratic Executive Committee: I have been a Populist ever since there was a Populist party in North Carolina. For six years I have been chairman of the executive committee of said party in Burke county. Not since the civil war have the people of North Carolina had a more important issue to settle than there is now before them, to-wit: White Supremacy. I am a white man, and therefore not only believe in, but must support the constitutional amendment. The leaders of the Populist party have not only arrayed themselves against said amendment, but are trying to force the rank and file of the party to follow them. Therefore I intend to support the amendment, and since the Democratic party is the only party advocating it, consistency compels me to support the Democratic ticket.

"(Signed) P. W. Patton, Chairman Pop. Party of Burke county.

"July 11th," Mr. Patton will carry over half of the Populist of the county with him. His support of the amendment is a great gain for the party in this county and makes success doubly sure.

## Was It a Miracle?

"The marvellous cure of Mrs. Rena J. Stout of consumption in Cammack, Ind.," writes Marion Stuart, a leading druggist of Muncie, Ind. She only weighed 90 pounds when her doctor in Yorktown said she must soon die. Then she began to use Dr. King's New Discovery and gained 37 pounds in weight and was completely cured. It has cured thousands of hopeless cases, and is positively guaranteed to cure all throat, chest, and lung diseases. 50c and \$1.00. Trial bottles free at Fetzer's drug store.

## Wife Whips Husband.

The Durham Herald has the following to say about a woman who whipped her husband:

"Yesterday morning Squires D. C. Gunter and J. E. Owens tried a case in the commissioner's room before a good audience. In some features it was unique.

"Durham magistrates have for some time been putting a heavy tariff on wife beating, but yesterday conditions were reversed and they had to impose a fine on the wife for whipping her husband.

"The warrant was against Mrs. E. D. Hicks for an affray. The evidence showed that he was guiltless of blame, and the court thinking the husband would pay the fine for the wife, in sympathy for the maltreatment he had received, fined Mrs. Hicks 50 cents and cost, a total of \$5.65."

If troubled with rheumatism, give Chamberlain's Pain-Balm a trial. It will not cost you a cent if it does no good. One application will relieve the pain. It also cures sprains and bruises in one-third time required by any other treatment. Cuts, burns, frostbites, quinsy, pains in the side and chest, glandular and other swellings are quickly cured by applying it. Every bottle warranted. Price 25c, and 50c. For sale at Marsh's drug store.

Wonder if the German troops will enter China through McKinley's "open door."—Raleigh News and Observer.

[Probably through the back door that some of our Cabarrus Populists fancy they have found open to them in the Democratic household, not putting themselves in the right position to see the open front door.]

## Meeting of New South Club.

The members of the New South Club held a meeting Tuesday night and after routine business elected the following officers: Geo. Patterson, President. R. L. Wheeler, Vice-President. ## A Sprained Ankle Quickly Cured.

"At one time I suffered from a severe sprain of the ankle," says Geo. E. Gray, editor of the Gude, Washington, Va. "After using several well recommended medicines without success, I tried Chamberlain's Pain Balm, and am pleased to say that relief came as soon as I began its use and a complete cure speedily followed." Sold at Marsh's drug store.

## To Run a Branch School.

The Raleigh News and Observer says Davidson college will take charge of Donaldson Academy at Fayetteville. The trustees of the academy have agreed to lease the property to a board of trustee's named by the Fayetteville Presbyterian church—one member of the Davidson faculty to be named on said board. These parties are to establish a school at once to be under the control of Davidson college.

## White Man Turned Yellow.

Great consternation was felt by the friends of M. A. Hogarty of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was yellow jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful stomach and liver remedy, and he writes: "After using two bottles I was wholly cured." A trial proves its matchless merit for all stomach, liver and kidney trouble. Only 50c. Sold at Fetzer's drug store.

## It Saved His Leg.

P. A. Danfort of LaGrange, Ga., suffered for six months with a frightful running sore on his leg; but writes that Bucklen's Arnica Salve wholly cured it in five days. For ulcers, wounds, and piles, its the best salve in the world. Cure guaranteed. Only 25c. Sold at Fetzer's drug store.
