MAKE A SOLID FRONT.

From today's issue we go again all over the good old county of Cabarrus carrying a message of hopefulness but admonition to all lovers of order and good government in the State to relax not a particle of energy till the evening of August the 2nd, which is but two weeks off.

We confidently hope to carry the amendment in the State by a handsome majority. This is the great and overtowering issue.

Our State ticket seems entirely winning and will be carried along with the amendment. Who does not love Charles B Aycock? Only those who delight in the triumph of evil.

Our county ticket should not be neglected. Whatever individual favoritism might prompt to irregularity, let it be remembered that the opposition is to all intents and purposes a fusion ticket. It catches and is intended to catch every Populist and every Republican, every negro, every anti-amendment vote. There would doubtless have been fusion complete but for the odium justly attached to the term fusion.

It stands for anti-amendment, a stand, too bad to carry favoritism with it, whatever be your personal friendships. To be opposed to this amendment is so egregiously erratic that there should be no thought of letting a man of the Democratic ticket run behind.

Let there be a solid Democratic front in the county and a victory that shall rebuke the followers of Butler, Pritchard, Holton, Adams and Abe Middleton.

Remember that you have only till next Saturday evening in which to register. You can go to the registrar at his home and register at any time till Saturday when he will be at your polling place till night, when the book will be closed.

Pittman Stell, on the fusion ticket in Wake, has come off the ticket and declared himself a Democrat. We have a string of them in Cabarrus that would do wisely to follow suit.

It Saved His Leg.

F. A. Danfort of LaGrange, Ga., suffered for six months with a frightful running sore on his leg; but writes that Bucklen's Arnica Salve wholly cured it in five days. For ulcers, wounds, and piles, its the best salve in the world. Cure guaranteed. Only 25c. Sold at Fetzler's Drug store.

Prepare for the big barbecue and be here showing that you are white and believe in white supremacy; that you will not encourage the negro in his aspirations to domineer over white men and make white women the object of his foul ambitions.

If men on the opposition ticket can't cut loose from Butler and Thompson, show them by your vote on the second day of August that you expect them to do so or stand aside.

It's going the rounds that a pretty young woman of Omaha has been arrested and fined for kissing a man against his will, but what spoils the story is that there are no men with such will.

Whoop up for the entire Democratic ticket. You don't write to elect any man to office who courts negro supremacy by voting against the amendment.

You can't afford to vote for your kinsman or your best friend if he is opposed to the amendment.

See that your name and that of your patriotic neighbor is on the registration book.

The Best Remedy for Stomach and Bowel Trouble.

"I have been in the drug business for twenty years and have sold most all of the proprietary medicines of any note. Among the entire list I have never found anything to equal Chamberlain's Colic, Cholera and Diarrhoea Remedy for all stomach and bowel troubles," says O. W. Wakefield, of Columbus, Ga. "This remedy cured two severe cases of cholera morbus in my family and I have recommended and sold hundreds of bottles of it to my customers to their entire satisfaction. It affords a quick and sure cure in a pleasant form." For sale at Marsh's drug store.

We are requested by Mr. W. A. Foil to ask all white men of No. 10 township who favor the amendment and will participate in the horseback procession on August 1st to meet at Flowe's store at 8 o'clock that morning.

A Good Cough Medicine.

Many thousands have been restored to health and happiness by the use of Chamberlain's Cough Remedy. If afflicted with any throat or lung trouble give it a trial for it is certain to prove beneficial. Coughs that have resisted all treatment for many years have yielded to this remedy and perfect health has been restored. Cases that seemed hopeless, that the climate of famous health resorts failed to benefit, have been permanently cured by its use. For sale at Marsh's drug store.

If troubled with rheumatism, give Chamberlain's Pain-Balm a trial. It will not cost you a cent if it does no good. One application will relieve the pain. It also cures sprains and bruises in one-third time required by any other treatment. Cuts, burns, frostbites, quinsy, pains in the side and chest, glandular and other swellings are quickly cured by applying it. Every bottle warranted. Price 25c. and 50c. For sale at Marsh's drug store.

A house on Bell street to rent. Seven rooms. Bath and water-closets. M. J. CORL.

During last May an infant child of our neighbor was suffering from cholera infantum. The doctors had given up all hope of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house telling them I felt sure it would do good if used according to directions. In two days time the child was fully recovered. The child is now vigorous and healthy. I have recommended this remedy frequently and have never known it to fail.—Mrs. Curtis Baker, Bookwalker, Ohio. For sale at Marsh's drug store.

A house on East Depot street to rent. Eight rooms. Arranged for two families. M. J. CORL.

TIENTSIN TAKEN.

Renewed Attack Proves Successful—Chinese Routed—Probably 800 Casualties—Foreigners Said to Be Safe on the 9th.

The news from China has the brighter face in that the allied forces renewed the attack on Tien Tsin after their repulse and carried the works on the 14th capturing all the forts and completely routing the Chinese. The Associated Press to the London Daily Mails says:

"The allied troops resumed the attack upon the Chinese walled city of Tien Tsin on the morning of July 14, and succeeded in breaching the walls and capturing all the forts. The Chinese were completely routed and the allies took possession of the native city and its citizens. The total loss of the allied forces in the engagements on Thursday, Friday and Saturday, were about 800 killed and wounded. The casualties were greatest among the Russians and Japanese. The guns of the allies did immense damage to the native city, causing many large conflagrations and finally silenced the majority of the enemy's guns simultaneously. Then 1,500 Russians, assisted by small parties of Germans and French, assaulted and captured eight guns that were in position on the railway embankment and the fort magazine. A body of American, British, Japanese and Austrian troops then made a sortie and attacked the west arsenal, which the Chinese had reoccupied. After three hours of the hardest fighting yet experienced, the Chinese fled.

Admiral Remy says in a dispatch of the 17th from Che Fu:

"Today we hope to get wounded from Tien-Tsin either in hospitals at Taku or aboard the Solace. Communication is very uncertain. The following casualties apparently confirmed: Marines, Capt. Davis, killed; Capt. Lemly, Lieutenants Butler and Lee, Capt. Noyes, Brewster and Bookmiller, Lieutenants Taylor, Lawton, Hammond and Waldron wounded; total killed and wounded reported 775; Russians and Japanese lost heavily; our total loss reported 215; about forty marines, believed to be exaggerated. Have officer on shore especially to get authentic number and names which will be promptly telegraphed. The city and forts are now in the hands of the allies. Admiral Seymour returned to the fleet. The ranking officer ashore is Admiral Alexieff at Tien-Tsin."

A London dispatch of the 18th says:

"According to a dispatch from Shanghai to The Daily Mail, dated yesterday, a massacre occurred on July 9th, at Kai Yen Fu, capital of the province of Shan Si, forty foreigners and 100 native converts being killed."

Strangely enough Minister Wu has received a dispatch creditable to some extent at least that the foreigners were safe yet on the 9th two days after the reported massacre at Pekin.

The government at Washington feels somewhat more hopeful.

The Atlanta artillery and the Third Georgia Regiment have tendered their service to go to China.
