THE NEW ORLEANS MOB.

Deploable Frenzy of Bers and Toughs—Several Negroes Killed and Many Injured—Killing Officers Day and Lamb the Provocative.

The New Orleans mob did not number so many victims as reports indicated Thursday, the 26th. Several negroes were killed, however, and some eighteen men wounded, some being white and the victims of reckless shooting. A negro, Charles, seems responsible for the killing of two white men, Day and Lamb, but he escaped and the mob, composed chiefly of white boys and toughs, in mad disgraceful frenzy, made indiscriminate attacks on negroes.

They were without a leader and would, strangely enough, get together in a new place after being dispersed and break out afresh. No negro was safe Wednesday night and Thursday morning, and much business was interfered with.

The mayor issued a proclamation for 500 citizen volunteers Thursday morning and quiet was restored.

The terrible frenzy is greatly deplored by the best citizens.

Master Joe Morrison Hurt.

Master Joe Morrison, unfortunately, was prevented from going to Mooresville with the band by an accident which came very near proving serious. Tuesday evening while driving the ice wagon he made a misstep and fell from the wagon between the horses and the front wheels. One of the front wheels passed over his front foot just below the ankle. The bone was thought to be broken, but on examination by Dr. Young was found not to be, but considerably bruised and hurt. He is doing well and we hope will be able to be up in a few days.

He's Digging Graves.

Mr. R. A. Barkeley is digging the trench to barbecue the beef for next Wednesday, but he has another name for it. He says he's digging the grave of Marion Butler and all the gang that march in his cow-path. He thinks his tape line will measure true to the proportions of several in Cabarrus that ought to live in better company and walk the green earth yet.

Public Speakings.

Mr. L. T. Hartsell will speak at the school house at Cook's in No. 4 township, at 4 p. m., Saturday and at Forest Hill Saturday night.

Mr. M. B. Stickley will speak at Faggart's school house Saturday night.

It has been decided by the County Board of Education that the Institute for the colored teachers shall be held the third week in August beginning on Monday the 20th at the colored Graded School. The Institute for white teachers will be the last week beginning August the 27th at the court house.

ATTENTION VETERANS.

Confederates in Eldest Division and Brigade Commanders—Spanish-American War Veterans to Complete Organization.

Gen. Julian S. Carr makes the following call:

Headquarters N. C. Division, United Confederate Veterans, Durham, N. C., July 19, 1900. Circular No. II.

Paragraph 1. It having been decided by the North Carolina Division U. C. V., at a meeting held at Division headquarters on the 31st of May, 1900, during the late reunion at Louisville, Ky., that its annual convention for the election of division and brigade commanders should be held during the month of August, after the State election, at a time and place to be fixed by the Major General commanding, the following circular is issued for the information of the command.

Par. 2. The committee in charge having appointed Wednesday, August 22, for the unveiling of the bronze monument erected by the State to the memory of the late Senator Zebulon B. Vance, a citizen no less distinguished as a gallant soldier, than illustrious as a patriotic statesman, it is an occasion for the assemblage of his North Carolina ex-Confederate comrades to do honor to his memory.

Par. 3. It is therefore ordered, that a meeting of representatives from each camp composing the North Carolina Division, United Confederate Veterans, be held in the city of Raleigh on Wednesday, August 22nd, 1900, for the purpose of electing division and brigade commanders for the ensuing year, and for the transaction of such other business as may properly come before the convention.

The meeting will be held in the Senate chamber of the capitol and be convened promptly at 8 o'clock in the evening.

Par. 4. Camps may send as many delegates as will attend; and be entitled to as many votes as its respective numbers bear to the aggregate number of all the camps. To ascertain these numbers, each camp will send a list of its members by one of its delegates, certified by its commander or camp adjutant.

Par. 5. It is further ordered that all members of the staff of the major general commanding, all brigadiers and members of their staff shall report in uniform, and that the delegates from various camps shall report in uniform where it is practicable.

Par. 6. Brigade commanders will have this circular distributed to each camp in their respective commands, and request the papers to publish it.

By order of
Maj. Gen. J. S. Carr,
Adjutant,
Wm. H. S. Burgwyn,
General and Chief of Staff.

Col. Wm. H. S. Burgwyn being authorized to organize the veterans of the war with Spain has appointed the necessary officers, and calls a meeting to be held in the Senate chamber at 12 o'clock of the same day to transact such business as is necessary to complete the organization of the veterans of that war.

TAYLOR, POWERS, YOUTSEY.

Evidence Points to Guilt of the Blood of Goebel.

The trial of Caleb Powers for complicity in the murder of Gov. Goebel is proceeding at Georgetown, Ky. It is being long drawn out, but every step seems to fasten the guilt of actually shooting Goebel on George Youtsey, but the testimony seems very strong that Powers was an accomplice and that Governor Taylor, in issuing a pardon for the crime before trial and conviction, shows a clear case of complicity that marks Powers, Youtsey and Taylor as three murderers of the first degree.

A Nine-Lives Youngster.

Daniel Sweeney, aged 8 years, a son of Patrick Sweeney, is credited with having as many lives as a cat. Last night he fell 25 feet at home and was rendered unconscious. Half an hour later he was about as usual. Within two years he has twice been struck by a trolley car, knocked down by bicycles a half dozen times, once thrown from the railroad track by being struck by a freight train, besides being run down twice by wagons.—Hazelton, Pa., Dispatch.

Questions Answered.
Yes, August Flower still has the largest sale of any medicine in the civilized world. Your teachers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration, or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form to make you satisfied there is nothing serious the matter with you. For sale by all dealers in civilized countries.
