#### Shooting in Montgomery County.

We are told that near Wadeville in Montgomery county Wednesday morning just before day some disturbance occurred between some white men with red shirts and some negroes and the latter fired on the white men, and one Mr. Parish of Moore county, was severely, if not fatally wounded. Now there is a hunting party for the three negroes involved and the chances are bad if they are caught.

#### Glorious News

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Electric Bitters has cured Mrs. Brewer of scrofula, which has caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but now her health is excellent." Electric Bitters is the best blood purifier known. It's the supreme remedy for tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poison, helps digestion, builds up the strength. Only 50c. Sole at Fetzer's drug store.

#### White Man Turned Yellow.

Great consternation was felt by the friends of M. A. Hogarty of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was yellow jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful stomach and Liver remedy, and he writes: "After using two bottles I was wholly cured." A trial proves its matchless merit for all stomach, liver and kidney trouble. Only 50c. Sold at Fetzer's drug store.
