JOY AFTER DISAPPOINTMENT.

The Cup "Bubbles Over and Mirth is Unrestrained—Good Natured Mob.

Many a one has on his way through life had to cross a swollen stream which proved to be a little deeper than was anticipated, when very unwelcome visions presented themselves and there was something of a scared feeling, but after getting across and retracing the scene a feeling of mirth was experienced. So it was with the people of Cabarrus. On Thursday evening and night the white brigade found that their majorities were going to be reduced almost to decimals compared with expectations, and even when it was known that all was saved and not a package was lost in crossing the flood of falsehood and villainy, there was an uncontrollable depression. Patriots were discomfited that Cabarrus should be at the very tail end in the march of good government and progressive civilization. But a reaction came on and man turned to man saying we have won and the good women come to our comfort (heaven bless them) saying you have won, it is enough. A feeling of joy came on that was like a glass of seedlet powders, it just had to "bile" over.

Under the awning of the Cannon & Fetzer Co. store a stool was placed and Sheriff Peck was put on and commanded to speak.

Then Mr. C W Swink was hoisted as a captain at a cornshucking and placed on the stand of triumph. He insists that he can't make a speech, but he did.

Mr. John W Propst was captured and hoisted also and had something good to say.

A better example of a good natured mob can hardly be imagined.

When any man's name was called out he was simply in it as was instanced with Chairman Young who ventured too close on horse back. He soon found that there was no escape. The reins were in the hands of others and he was a prisoner in the hands of the white brigade. He found himself out of the saddle and on the stool to speak or repent that he came that way.

Col. Long was among the captured. The victims were many and he got off lightest who took his dose cheerfully.

The cup of joy and hilarity bubbled long before an air of composure and business could be resumed.

FUSIONIST OUTRAGE.

Assault Poll Holders and Destroy the Ballots.

So far as heard from there was only one point of disturbance in the State on election day. That was in Chatham, a fusion stronghold, where on seeing the vote going against them in the counting out, they rushed upon the poll-holders threatening to burn the house and turning over the boxes, spilling and mixing the tickets, then taking them out and burning them.

It was a made up plot that Democrats were suspicious of and it was effected when the danger was thought to be over.

Questions Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form to make you satisfied there is nothing serious the matter with you. For sale by all dealers in civilized countries.

NOTIONS!

In most stores this word is applied to almost any article of dislike that is tumbled into a shelf to take care of itself. For this reason in many stores you can not find the so-called notion in the right style or even if found at all they are shop-worn and covered with dust. At this store the term Notions means a great deal. The Notion Department is kept separate; it's just like a regular Notion Store—every thing is fresh and stylish; every little Notion want can be filled right here. We are making quite a hit on
