ROBBERS' MURDEROUS DEED.

Hold Up Train and Kill Engineer and Express Messenger—\$100,000 Booty.

A dispatch at 2.30 p.m., today (Monday) from Denver, Col., says a band of robbers held up a train on the Union Pacific railroad and killed the engineer and express messenger and obtained \$100,000 of booty.

CHINESE AFFAIRS.

Advancing on Peking—American, British and Japanese Troops—Battle Expected—Chinese Cut Canals to Flood the Country—More Murders Reported.

The Chinese situation has its customary uncertainty. The advance on Peking it seems is being made by the Americans, the British and the Japanese. A severe battle is looked for at Yang Tsun, where a Chinese force has fortified the way to Peking.

The Conger dispatch is now regarded as authentic. But there is no definite news as to their present condition of safety or comfort.

Li Hung Chang wants the advance to Peking withdrawn, but the President's demand for the delivery of the diplomats is being evaded and there will be no stop unless there is force enough or other hindrances in the way. The Chinese are said to have cut the canals and flooded the country.

More murders are reported in South China.

IN SOUTH AFRICA.

British Make Important Captures—Gen. Dewet Dead—Boers Still Giving Trouble.

There is some activity yet in the South African war. The Boers seem to be getting the worst of it very decidedly. Gen. Dewett is said to have died of a shell wound.

Gen. hunter has received the surrender of 3,348 men and has gotten 3,046 horses and three guns. Gen. Oliver has escaped with 1,500 men and has declared his purpose to continue the war.

The Boers make dashes, however, upon the British communications. They derailed a train on which the American consul was and over which the United States flags was flying and destroyed it but did not take prisoners.

Petra-Winecoff

Mr. M Winford Petra, of Mt. Pleasant, and Miss Ada Winecoff, daughter of Mr. G L Winecoff, were married at the bride's home in No. 11 township on Sunday evening by Rev. O A Brown.

MRS. CHRISTINA WALTER

Dies Sunday Evening—Eighty-Two Years—Daughter of Rev. Jacob Boger—Three Generations of Posterity.

Mrs. Annie Christina Walter died at the home of her daughter, Mrs. Mary Pless, at Cannonville on Sunday evening about 5 o'clock.

The end was not unexpected. Her health had been bad for some time and she had reached the very ripe age of more than 82 years.

Mrs. Walter was the daughter of the sainted Rev. George Boger, well-known by most residents now on the shady side of life. She was brought up under his parental and pastoral care and connected herself with Lower Stone Church at an early age. After marriage she transferred her membership to the Lutheran church and died under the pastoral ministrations of Rev. C A Brown at St. Andrews. She was a consistent member and died in triumph faith.

Mrs. Walter leaves four living children 17 grand children and 7 great grand children to cherish her memory and emulate her Christian character.

Her husband, Mr. Alfred Walter, preceded her in death some ten years ago.

The interment took place at Mount Gilead cemetery in No. 5 township and the funeral was preached there by her pastor this (Monday) afternoon.

RIOTING AT MAYBORO.

Drunken Sheriff Leads a Mob Against Election Officers.

Trouble existed at Mayboro, Pamlico county, Saturday night. The election officers in the court house were besieged by a mob of 125 to 150 men headed by the drunken fusion sheriff.

The mob threatened to kill them if they came out and blow up the building if they did not. The Governor was appealed to and ordered a company from Newbern to hasten to the rescue.

Horse Thief Caught.

We note from the Monroe special to the Charlotte Observer that the thief who stole Geo. Ury's horse near Mt. Pleasant was caught. His name is Leo Connell. He will go back to the Mecklenburg chain gang. When he is through with his job there will be several more in soak for him.

Questions Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mother and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration, or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form to make you satisfied there is nothing serious the matter with you. For sale by all dealers in civilized countries.
