### Endured Death's Agonies.

Only a roaring fire enabled J. M. Garretson, of San Antonio, Tex., to lie down when attacked with asthma, from which he suffered for years. He writes his misery was often so great that it seemed he endured the agonies of death; but Dr. King's New Discovery for consumption wholly cured him. This marvelous medicine is the only known cure for asthma as well as consumption, coughs and colds, and all throat, chest and lung troubles. Price 50c and \$1.00. Guaranteed. Trial bottles free at Fetzer's drug store.

### Love Your Business.

A man can no more be successful in a business he does not like than can a man be happy with a wife he does not love.

Enthusiasm is the power which impels men onward in any and every vocation. Without it men are lethargic. They will drift. But to pull against the tide they are as unable as they are unwilling.

Drifting, however, does not win the race, either in business or aquatic events. There must be the long pull, the strong pull and the pull with vigor.

Men in business today have no easy task. There is a great deal to discourage and very little to encourage. There are foes within and foes without to contend against.

Under such conditions it is no wonder so many either fail altogether or eke out a mere existence.

The antidote for despair is enthusiasm, and the germ of enthusiasm is love for or pleasure in that business or vocation in which you are embarked.

Therefore, if you would succeed, get in love with your business.—Selected.

### Cured of Chronic Diarrhoea After Thirty Years of Suffering.

"I suffered for thirty years with diarrhoea and thought I was past being cured," says John S. Holloway, of French Camp, Miss. "I spent so much time and money, and suffered so much that I had given up all hopes of recovery. I was so feeble from the effects of the diarrhoea that I could do no kind of labor, could not even travel, but by accident I was permitted to find a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and after taking several bottles I am entirely cured of that trouble. I am so pleased with the result that I am anxious that it be in reach of all who suffer as I have." For sale at Marsh's drug store.

"If a woman is jealous of her husband, it usually keeps her so busy that she hasn't much time for anything else.—Selected
