WEEK OF SPIRITUAL INTERESTS

Revival Meetings at Forest Hill, Central and Epworth M. E. Churches With Highly Satisfactory Results.

The past week has been a period of unusual spiritual refreshing in the Methodist Episcopal branch of the Christian church in our midst.

At Forest Hill church the pastor, Rev. Mr. Hoyle, added 18 members to the church on Sunday. The meeting thus far has resulted in about one hundred who have professed conversion and are comforted by a new and saving faith. The meeting is full of intense interest. Hundreds were turned away from the morning and the evening services on Sunday for want of church capacity.

Services will continue this week twice a day, at 8:30 a. m. and 8 p. m.

At Central church the pastor, Rev. Mr. Fry, added 14 members on Sunday. He is very much gratified at results. His efforts were chiefly directed to the higher spiritual attainments within the congregation and he feels that he has much for which to be thankful. The meeting will most probably close with the services of tonight (Monday) but may continue if the interest manifested seems to demand or justify it.

At Epworth church the interest, though a little apathetic at first, is now at a very satisfactory stage. Fifteen seekers professed spiritual enlightenment and hopeful conversion on Sunday night. The meeting will continue this week. Pastor Barrett is expecting assistance in the work.

L. Allegro Club.

The young ladies of Concord, met with Miss Laura Leslie Saturday afternoon, Sept. 22nd to form the L'Allegro Club which will meet twice a month. The officers were chosen at this meeting, Miss Mabel Means being elected President and Miss Nettie Allen, Vice President. The meeting adjourned to meet next time with Miss Allen on Saturday afternoon at 4 o'clock, Sept. 29th.

Concord Ahead.

Mr. M L Buchanan, referring to the claim of Raleigh's new ginnery and its putting out a bale in 15 minutes says the Concord Cotton Seed Oil Company beats that and does not have to have Butler as a citizen. He ginned a bale Saturday in 12 minutes, by his watch, that weighed 490 pounds. This puts Concord up head.

Sheep thrive best in a pasture where moles are numerous. The mole holes serve to drain the land.—Selected.

BAND CARNIVAL.

Meeting Elects Officers and Appoints Committees.

The different committees met at the residence of Mrs. Jna. C Wadsworth on Saturday last and added the following helpers.

The first named lady on each committee is the chairman of said committee, and they are requested to meet at Mr. Wadsworth's residence on Tuesday, 25th inst., at 4:30 p. m., to perfect arrangements and to begin to work.

The ladies are requested to be present, and it is hoped that all the chairmen will be present.

CHINESE AFFAIRS.

Negotiations Slow—Germany's Terms Not Agreed To—Two Military Movements Taking Chinese Forts.

Negotiations for peace in China drag slowly toward a solution. Germany will doubtless have to abandon Emperor William's plan to kill off Chinese leaders who are responsible for the troubles.

The United States will not agree but will accord to China as to other nations the prerogative of arraiguing these offenders before Chinese courts for punishment.

Prince Cning and Li Hung Chang are recognized as authorized agents of the Chinese government. So far as our government is concerned there seems little in the way of laying down the conditions of peace to the Chinese.

There have been two fights of some importance recently. Fifteen hundred British and Americans on the 16th attacked the Boxers at Pei Ta Chu, called the Eight Temples, 12 miles west of Peking. The enemy was completely surprised and 50 were killed without loss to the allies.

Four thousand Russians and Germans attacked the forts at Pei Tang on the 20th at daylight. They thought they had the enemy bagged but the Chinese fire became weak and then ceased. The cause was found to be that the 3,000 Boxers escaped in open daylight in boats to the chagrin of the allies. Dispatches say too that 25 of the latter were blown up by Chinese mines. The Chinese losses were very small.

Before the Justice.

Mr. J Ed. Henderson was before Magistrate Pitts this morning charged with an assault on Bill Lee. Submitted and paid the cost.

Jack Morris col., also appeared before 'Squire Pitts to answer to three charges of larceny. He was found guilty and will remain in Concord at the Cabarrus Hotel until Superior court convenes.

Questions Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form to make you satisfied there is nothing serious the matter with you. For sale by all dealers in civilized countries.

THE MAYOR OF CONCORD

has issued a proclamation calling in every and all straw hats for this season. Wednesday is the last day and all persons found wearing a straw hat after such date will be dealt with according to law. The change is to be made at the DEPARTMENT STORE, they having made the lowest bid for the patronage. They have a most convenient store and polite salespeople to wait on you. We've arranged for a tremendous sample hat sale to begin

Wednesday, September 26th.

You remember the way we open each season with a big sample hat sale, and the immense values. What are sample hats? They are hats the manufacturers make to sell the merchant from. They are made with a great deal of care and from the very pick of the furr stock. They have served the manufacturer's purpose. Some of the bands may be a little out of shape, but these fine hats are passed to you at much less than wholesale cost. The values will surprise you. This is one of the many series of sales to show what the Department Store can do for you. No one who comes Wednesday will be disappointed. 300 sample hats will be displayed in the front part of the building. Our new fall caps for boys will be displayed that day and the prices will range from 5 to 25 cents. Special attractions will be offered for this day, and we want all the boys to come and select for themselves. Prices on men's hats will be like this:

\$3.00 hat for..... \$1.08.
Hats sold regularly for \$2.50 and \$2.00 are placed on the table at..... \$1.48.
Hats usually sold for \$1.75 and \$1.50, our special price will be..... 98c.

The above figures represent good dependable, stylish hats. No two are alike, and the choosing is easy. Now do not let the Mayor and his coppers get you on Thursday; we are doing all in our power to save you.
