REVERSE IN THE PHILIPPINES

Capt. Shields and 51 Men Captured—Possibly Many Killed or Wounded—Lieut. Hill's Regiment But Not His Company.

Manila dispatches of the 28th bring the sad news that Capt. Shields and 51 men of Co. F, 29th Regiment, have been captured by the Filipinos. They left Santa Cruse for Torrijos on the 14th by boat intending to return overland. Nothing definite has been heard from them, but rumors lead to the conclusion that the boat and all the men not killed were captured. It is said that Capt. Shields was wounded. A rescue force has been sent to spare no efforts to recapture the unfortunate squadron.

The news brings much of uneasy feeling but there is less of suspicion about it for our immediate community as it does not involve Lieutenant Ed Hill. His is Company M. The names given too in the dispatch includes but five North Carolinians in the company.

Kind People and Thankful Pastor.

Rev. C. A. Brown, pastor of St. Andrews church, wishes us to convey his sincere thanks to parishioners and friends for the following deeds of kindness, sympathy and material aid in his late losses from the disastrous fire. A donation party presented itself at his home Friday night bearing a goodly supply of kitchen and pantry supplies and goods for children's clothing, together with a liberal purse. This donation was gathered largely by the solicitation of Miss Ella Walter.

Mr. George Patterson, from the Centre Grove community, brought in a goodly turn of flour, fruits, etc., and also a generous purse of money. These cheer the pastor and his wife and, endear them to the people as manifestations of affection and appreciation.

Miss Moss Entertains.

Miss Agnes Moss gave a dining today in her beautiful suburban home complimentary to her visiting friend, Miss Bird Cross. Mrs. Manie Davis, Misses Kate Gibson, Kate Means and Janie Erwin were her invited guests.

FOREST HILL MEETING.

Interest Unabated—Full Church Every Night—205 Professions.

The revival meeting at Forest Hill M. E. church continues with unabated interest. Pastor Hoyle holds two services every day, sometimes assisted by the ministerial brethren.

The morning services held in the basement are especially interesting and at night the church is always filled, sometimes to overflowing.

The professions of religion now number 205, and with the interest so encouraging the end of the meeting is not yet foreseen.

The meeting is exceedingly gratifying to the pastor and his devoted congregation.

Mr. Whyche Will Tell the Sacred Story.

Mr. Whyche, whose presence and calling as a story teller we noted a few days ago, will tell his wonderful story, "Light of the World," at 4 o'clock tomorrow evening in Central M. E. church, in which that and the first Presbyterian Sunday schools will meet in joint session. This story, we learn, is told not from the standpoint of theology or dogma, but rather from the standpoint of literature, reverently and sympathetically. It links together in orderly development the most interesting scenes in the life of Jesus, His Boyhood, The Temptation, Life and Deeds Around the Lake, Trial and Crucifixion. It has all the charm and supernatural of the fairy story, but at the same time is one of the most powerful and tragic of all stories.

Questions Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of indigestible food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form to make you satisfied there is nothing serious the matter with you. For sale by all dealers in civilized countries.

Died Protesting His Innocence—Said Others Committed the Crime.

Chauncey Davis was hanged in Tarboro on Friday. He died protesting innocence and said his conviction was a shield to the real guilty party.

The charge was burning Mrs. Lovinia Battle's house when Henry Dunn lost his life at sav-others.

ARCHIE KINSAULS HANGED.

Bunglesome Work—Two Trials of It—Tore Open His Throat Wounds.

Archie Kinsauls was hanged on Friday, the 28th, at Clinton, for the murder of John Herring. It will be remembered that when the time came first he attempted to cut his throat and came near doing it. He was respited to give time for the wound to heal.

There seems to have been a savagely bunglesome job of it. The rope slipped on his chin, tearing open the wounds, and he was dying a slow death by strangulation when the doctor urged the sheriff to raise the body up and drop it again, to hasten the end.

The first hanging was for nine minutes and the second for eight, when he was pronounced dead.

It was claimed that Kinsauls was crazy but it doubtless lacked verification.

A Minister's Good Work.

"I had severe attack of bilious colic got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two boxes and was entirely cured," says Rev. A. A. Power, of Emporia, Kan. "My neighbor across the street was sick for over a week, had two or three bottles of medicines from the doctor. He used them for three or four days without relief, then called in another doctor who treated him for some days and gave him no relief, so discharged him. I went over to see him the next morning. He said his bowels were in a terrible fix that they had been running off so long that it was almost bloody flux. I asked him if he had tried Chamberlain's Colic, Cholera and Diarrhoea Remedy and he said, 'No.' I went home and brought him my bottle and gave him one dose; told him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured." For sale at Marsh's drug store.
