COL. A. M. WADDELL

In the Court House Tonight.

Will Address the Citizens on His Candidacy for the United States Senatorship.

Col. A. M. Waddell, of Wilmington, will address the citizens of Concord and vicinity tonight at 8 o'clock in the court house. He is here frankly and honorably in the interests of his candidacy for the United States Senatorship to succeed Marion Butler.

Col. Waddell is a man of enviable reputation as an orator, statesman and soldier, and asks to be heard in his interests for this high honor.

He is a sponsor of refinement and elegance and a good audience of ladies would be pleasing to him and creditable to Concord.

"Pop Goes the Weasel"

It is proverbial that a cat has nine lives, but naturalists, or unnaturalists, whichever, will have to discover how many lives a weasel has or how many lives it takes to destroy the weasel's life. One of the bloodthirsty tribe had quaffed the vital fluid from a duck at D. P. Dayvault and Bros. whereupon he into the number of forty, with two guns and two dogs, shaded our forces in hunting Filipinos on the British raiding the Boers this (Monday) morning. After a good amount of lumber moving the assailing hosts came upon the musketeer canny and two men shot him and the dogs clawed him all to little purpose. Finally one genius of the crowd thought of a means to the end and placed a stick on its tail. One of the bravest of the warriors placed his gun near and fired and the vampire died but it was the stick on his tail that was fatal. The shooting had nothing to do with it as proven by the futility of the former fusillade.

L'Allegro Club Meets.

Miss Nettie Allen charmingly entertained L'Allegro Club, Saturday evening at her home on West Depot street. After gathering in their tangled thread to spin their work, the bees were "Lilies of the Field" compared to them for industry for a while.

The serving of refreshments concluded the first and very successful meeting of the season.

Sticks a Knife in His Captor.

The Truth-Index says: Tobe Miller, a desperate negro, deliberately picked up a pistol and pocket knife Saturday night at the Salisbury Hardware and Furniture store and left with it. Pursuers called out to arrest him. Dick Clement the janitor at the city hall caught him when he stuck the stolen knife into him. The wound however is not thought to be severe. The culprit is in jail to answer the double charge.

Costly Oversight.

Some one of Miss Nannie Alexander's clerks neglected to turn off the spigot in her millinery store Saturday night and this (Monday) morning water was discovered to be nearly eight inches deep, damaging not less than \$250 worth of goods, fortunately only one or two of the pattern hats were injured.

KILLED IN DISCHARGE OF DUTY

Louisiana Mob Shoots Deputy When Defending Prisoner and Then is Dispersed Without Getting Prisoner.

Paul Sloan, a deputy sheriff, was killed at Lake Charles, La., by a mob while defending a prisoner on the 28th. The court had promised to try the case (it was a negro, for the usual crime) promptly and the mob dispersed but later gathered and the defenders of the jail fired over their heads when the mob returned a murderous fire and killed Sloan. The officers then charged upon the mob with pistols drawn and dispersed the mob.

One Instantly Killed.

Information was received Saturday by Mr. Jno. Cook, of St. John's, to the effect that Mrs. Wingard, and her daughter Miss Custis, were violently thrown from a buggy, last Saturday, by a runaway horse.

Mrs. Wingard was instantly killed, while her daughter was painfully bruised and remained unconscious for several days. Many parties in Eastern Cabarrus know these people. Miss Curtis Wingard is a graduate of Mount Amena Seminary and a sister of Mr. Cook's son-in-law.

Our Nation Insulted.

A San Antonio, Tex., dispatch says a mob tore down the United States flag at Chihuahua, Mexico, on the 16th ult., the anniversary of Mexican independence. The legation had put up the Mexican flag with the Stars and Stripes in honor of the event.

It Happened in a Drug Store.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Gradin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy." It is for sale by M. L. Marsh.

KILLED IN SALISBURY.

Mr. H. D. McIntosh Attempts to Board a Moving Train and is Run Over.

Mr. H. D. McIntosh, a mill operative of Durham, was instantly killed in Salisbury on Saturday night. He attempted to board a moving train and was thrown under the trucks. He lived about two minutes after being taken out.

He was unmarried, and 27 years old. He was on his way to Chester, S. C. The body was taken back to Durham for burial.

Era of Peace Dawns.

Havana, Sept. 27.—General Maximo Gomez has published a letter written by him to a friend in Santo Domingo regarding the situation in Cuba. He says that soon the flame of war in Cuba will be extinguished forever and that the banner of peace will be majestically raised on the building where the constitutional convention will meet. There will be definitely formed in the convention two political parties in which all Cubans will be able to find a place. With the convention the work of the revolution will be terminated. Gen. Gomez adds that many Cubans have found fault and taken umbrage at what they call the slowness of the Americans in solving the problems in Cuba. He declares that so far there has been no reason to distrust the Americans.

When you cannot sleep for coughing, it is hardly necessary that any one should tell you that you need a few doses of Chamberlain's Cough Remedy to allay the irritation of the throat and make sleep possible. It is good. Try it. For sale at Marsh's Drug Store.

"For three days and nights I suffered agony untold from an attack of cholera morbus brought on by eating cucumbers," says M. E. Lowther, clerk of the district court, Centerville, Iowa. "I thought I should surely die, and tried a dozen different medicines but all to no purpose. I sent for a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and three doses relieved me entirely." This remedy is for sale at Marsh's Drug Store.
